INDEPENDENT ACCOUNTANT'S REPORT

Board of Directors
TCM Securities, Inc.
Woodstock, Georgia

Reports on the Financial Statements

We have audited the accompanying statement of financial condition of TCM Securities, Inc. as of December 31, 2013 and the related statements of operations, changes in stockholders' equity, and cash flows for the year then ended and the related notes to the financial statements, pursuant to Rule 17a-5 under The Securities Exchange Act of 1934.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and with the standards of the Public Company Accounting Oversight Board. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

Independent Auditor's Report

Board of Directors
TCM Securities, Inc.
Woodstock, Georgia

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of TCM Securities, Inc. as of December 31, 2013 and the results of its operations, stockholders' equity (deficit) and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained on Schedule I-III is presented for purposes of additional analysis and is not required as part of the basic financial statements, but is supplementary information required by Rule 17a-5 of the Securities and Exchange Act of 1934. Such information has been subject to the auditing procedures applied in our audit of the basic financial statements and, in our opinion, is fairly stated in all material respect in relating to the basic financial statements taken as a whole.

This opinion is intended solely for the information and use of the Board of Directors, the Securities and Exchange Commission, and other regulatory agencies which rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

TCM SECURITIES INC.
Notes to Financial Statements
December 31, 2013

Note 1: Organization

Taylor Capital Management Inc. (the "Company"), a Connecticut corporation, was formed on December 22, 1993. The Company is registered as a broker-dealer under Section 15(b) of the Securities and Exchange Act of 1934. The Company's authorized issued and outstanding shares of capital stock at December 31, 2013 were Common stock, \$.10 par value: 5,000 shares authorized, issued and outstanding. On August 29, 2012 the Company changed its name to TCM Securities Inc.

The Company has incurred cumulative losses of approximately \$585,978 since its inception. However, the company's result of operation improved and generates a positive cash flow from operations and reported a net income for the year ended December 31, 2013.

Note 2: Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements of the Company have been prepared in accordance with accounting principles generally accepted in the United States of America. The Company uses accrual method of accounting.

Use of estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements as well as the reported amount of revenues and expenses during the reporting period. Actual results could differ from these estimates.

Cash and Cash Equivalents

The Company considers all highly liquid instruments with an original maturity of three months or less when purchased to be cash equivalents. As of December 31, 2013, the Company had the cash balance of \$82,399.

Revenue Recognition

The Company generates income from commission and related brokerage fees as transaction fees. Securities transactions are recorded on a trade date basis and the Company recognizes revenue when the transactions are completed.

TCM SECURITIES INC.
Notes to Financial Statements
December 31, 2013

Note 2: Summary of Significant Accounting Policies (cont.)

Commission expense

At present the Company has a total of 59 registered representatives working as independent contractors and paid on a commission basis. As of December 31, 2013, the Company recorded \$1,422,895 as commission expense. The Company paid a total of \$1,413,230 and accrued the remaining balance of \$9,665 as a liability.

Comprehensive Income

The Company adopted SFAS No. 130, "Reporting Comprehensive Income," which requires that an enterprise report, by major components and as a single total, the changes in equity. There were no comprehensive income items for the year ended December 31, 2013.

The firm did not have any adjustments that would have made comprehensive income different from net income.

Other Current Assets

The pre paid expenses is classified as a non-allowable asset in the computation of the Net Capital as reported in the Company's FOCUS report.

Account Title	Amount
PAIB account – Pershing LLC	\$ 4,985
Prepaid expenses	\$ 7,588
Total	\$ 12,573

Note 3: Securities owned

As of the balance sheet date the Company does not own any corporate stocks or debt instruments.

Note 4: Income taxes

The Company complies with Statement of Financial Accounting Standards ("SFAS") No. 109, "Accounting for Income Taxes" which requires an asset and liability approach to financial accounting and reporting for Income taxes. The liability method is used in accounting for income taxes. Under this method, deferred tax assets and liabilities are determined based on differences between financial reporting and tax basis of assets and liabilities and are measured using anticipated tax rates and laws that will be in effect when the difference are expected to be reverse. The realizability of deferred tax assets are evaluated annually and a valuation allowance is provided if it is more likely than not that the deferred tax assets will not give rise to future benefits in the Company's tax return. Under section 6501(a) of the Internal Revenue Code (Tax Code) and section 301.6501(a)-1(a) of the Income Tax Regulations (Tax Regulations), the IRS is required to assess tax within 3 years after the tax return was filed with the IRS.

TCM SECURITIES INC.
Notes to Financial Statements
December 31, 2013

Note 5: Fair Value

The Company adopted Financial Accounting Standards ("SFAS") ASC820 Measurements and Disclosures," for assets and measured at fair value on a recurring basis. The ASC 820 had no effect on the Company's financial ASC 820 accomplishes the following key objectives:

- Defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date;
- Establishes a three-level hierarchy (the "Valuation Hierarchy") for fair value measurements;
- Requires consideration of the Company's creditworthiness when valuing liabilities; and expands disclosures about instruments measured at fair value.

The Valuation Hierarchy is based upon the transparency of inputs to the valuation of an asset or liability as of the measurement date. A financial instrument's categorization within the Valuation Hierarchy is based upon the lowest level of input that is significant to the fair value measurement. The three levels of the Valuation Hierarchy and the distribution of the Company's financial assets within it are as follows:

Level 1 - inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.

Level 2 - inputs to the valuation methodology included quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.

Level 3 - inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Certain financial instruments are carried at cost on the balance sheet, which approximates fair value due to their short- term, highly liquid nature. These instruments include cash and cash equivalents, accounts receivable, accrued expenses and other liabilities and deferred revenue.

Note 6: Recently issued accounting standards

The Financial Accounting Standards Board (the "FASB") issued a new professional standard in June of 2009 which resulted in a major restructuring of U.S. accounting and reporting standards. The new professional standard, issued as ASC 105 ("ASC I 05"), establishes the Accounting Standards Codification ("Codification or ASC") as the source of authoritative accounting principles ("GAAP") recognized by the FASB. The principles embodied in the Codification are to be applied by nongovernmental entities in the preparation of financial

TCM SECURITIES INC.
Notes to Financial Statements
December 31, 2013

Note 6: Recently issued accounting standards (cont.)

statements in accordance with generally accepted accounting principles in the United States. Rules and interpretive releases of the Securities and Exchange Commission ("SEC") issued under authority of federal securities laws are also sources of GAAP for SEC registrants. Existing GAAP was not intended to be changed as a result of the Codification, and accordingly the change did not impact the financial statements of the Company.

For the year ending December 31, 2013 various Accounting Standard Updates ("ASU") issued by the FASB were either newly issued or had effective implementation dates that would require their provisions to be reflected in the financial statements for the year then ended. The Company has reviewed the following ASU releases to determine relevance to the Company's operations:

<u>ASU No.</u>	<u>Title</u>	<u>Effective Date</u>
2014-01	Investments—Equity Method and Joint Ventures (Topic 323): Accounting for Investments in Qualified Affordable Housing Projects (a consensus of the Emerging Issues Task Force)	For all entities other than public business entities, the amendments are effective for annual periods beginning after December 15, 2014, and interim periods within annual reporting periods beginning after December 15, 2015. Early adoption is permitted.
2014-02	Intangibles—Goodwill and Other (Topic 350): Accounting for Goodwill (a consensus of the Private Company Council) Early application is permitted, including application to any period for which the entity	The accounting alternative, if elected, should be applied prospectively to goodwill existing as of the beginning of the period of adoption and new goodwill recognized in annual periods beginning after December 15, 2014, and interim periods within annual periods beginning after December 15, 2015.
2011-10	Property, Plant, and Equipment (Topic 360): Derecognition of in Substance Real Estate—a Scope Clarification (a consensus of the FASB Emerging Issues Task Force)	After December 15, 2013

TCM SECURITIES INC.
Notes to Financial Statements
December 31, 2013

Note 6: Recently issued accounting standards (cont.)

The Company has either evaluated or is currently evaluating the implications, if any; of each of these pronouncements and the possible impact they may have on the Company's financial statements. In most cases, management has determined that the pronouncement has either limited or no application to the Company and, in all cases, implementation would not have a material impact on the financial statements taken as a whole.

Note 7: Net capital requirements

Pursuant to the Basic Uniform Net Capital provisions of the Securities and Exchange Commission, the Company is required to maintain a minimum net capital, as defined, in such provision. Further, the provisions require that the ratio of aggregate indebtedness, as defined, to net capital shall not exceed 15 to 1. Net capital and the related net capital ratio may fluctuate on a daily basis. At December 31, 2013 the Company had net capital and net capital requirements of approximately \$61,775 and \$5,000 respectively. The Company's net capital ratio was 33.38% which is less than 15:1.

Note 8: Financial instrument with off-balance sheet risk

In the normal course of business, the Company executes, as agent, transactions on behalf of customers. If the agency transactions do not settle because of failure to perform by either customer or the counterparty, the Company may be obligated to discharge the obligation of the nonperforming party and as a result, may incur a loss if the market value of the security is different from the contract amount of the transactions.

The company does not anticipate nonperformance by customers or counterparties in the above situation. The Company's policy is to monitor its market exposure and counterparty risk. In addition, the Company has a policy of reviewing, as considered necessary, the credit standing of each counterparty and customer with which it conducts business.

Note 9: Office sub-lease & expense sharing agreement

The Company signed an agreement for office space sub-lease with Triumph Advisors Ltd. "Landlord" wherein the landlord, in consideration of lease payment, leases to tenant a 48 square foot office area [the "premises"]. Both the Company and the landlord are located and conduct business from an office building located at 2230 Towne Lake Parkway, Building 800 Suite 130, Woodstock, GA 30189. The term of the lease starts on December 31, 2013 and will be on a month to month basis and terminates upon the agreement of both parties. The lease payment is \$510 per month.

INDEPENDENT ACCOUNTANT'S REPORT ON INTERNAL CONTROL STRUCTURE REQUIRED BY SEC RULE 17A-5

Board of Directors
TCM Securities Inc.
Woodstock, Georgia

In planning and performing our audit of the financial statements of TCM Securities Inc. for the year ended December 31, 2013 in accordance with auditing standards generally accepted in the United States of America, we considered its internal control structure, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control structure. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission, we have made a study of the practices and procedures including tests of such practices and procedures followed by TCM Securities, Inc. including test of compliance with such practices and procedures that we considered relevant to objectives stated in Rule 17a-5(g)(1) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following: (i) in making the quarterly securities examinations, counts, verifications and comparisons, (ii) recordation of differences required by Rule 17a-13, or (iii) in complying with the requirements for prompt payment for securities of Section 8 of Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining an internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the Commission's above mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control or the practices and procedures referred to above, errors or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of the internal control structure would not necessarily disclose all matters in the internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants and Public Company Accounting Oversight Board (United States). A material weakness is a condition in which the design or operation of the specific internal control components does not reduce to a relatively low level the risk that error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving the internal control structure, including control activities for safeguarding securities, which we consider to be material weaknesses as defined above.

In addition, our consideration of the internal control structure indicated that the Company was in compliance with the conditions of the exemption under Paragraph (k)(2)(ii) of Rule 15c3-3, and no facts came to our attention indicating that such conditions had not been complied with during the period. The scope of our engagement did not include the Anti Money Laundering provision of the U.S. Patriot Act.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the Commission to be adequate for its purpose in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2013 to meet the Commission's objectives.

This report is intended solely for the information and use of the Board of Directors, the Securities and Exchange Commission, and other regulatory agencies which rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED UPON PROCEDURES RELATED TO AN ENTITY'S SIPC ASSESSMENT RECONCILIATION.

Board of Directors
TCM Securities Inc.
Woodstock, Georgia

In accordance with Rule 17a-5 (e)(4) under the Securities Exchange Act of 1934, I have performed the procedures enumerated below with respect to the accompanying Scheduled of Assessment and Payments [General Assessment Reconciliation (Form SIPC-7)] to the Securities Investor Protection Corporation (SIPC) for the Year Ended December 31, 2013, which were agreed to by TCM Securities Inc. and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC, solely to assist you and the other specified parties in evaluating TCM Securities Inc. compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). TCM Securities Corporation's management is responsible for TCM Securities Inc. compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, I make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures I performed and my findings are as follows:

1. Compared the listed assessment payment in Form SIPC-7 with respective cash disbursement records entries from the cash disbursements journal and related bank statements and reconciliations, noting no differences;
2. Compared the amounts reported on the audited Form X-17a-5 for the year ended December 31, 2013, as applicable with the amounts reported in Form SIPC-7 for the year ended December 31, 2013 noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers, such as clearing firms records supporting securities revenues, noting no differences;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers, such as revenues from third party support and bank records supporting the adjustments, noting no differences.

I was not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, I do not express such an opinion. Had I performed additional procedures, other matters might have come to my attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
