To the Shareholders  
D.L. Baker & Co., Incorporated  
Rocky River, Ohio

Independent Auditors' Report

We have audited the accompanying financial statements of D.L. Baker & Co., Incorporated (dba Baker & Co., Incorporated) which comprise the statement of financial condition as of December 31, 2013, and the related statements of income, changes in shareholders' equity, and cash flows for the year then ended that is filed pursuant to rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements.

**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of D.L. Baker & Co., Incorporated as of December 31, 2013, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

PART III

NOTES TO FINANCIAL STATEMENTS

NOTE 1. ORGANIZATION

D.L. Baker & Co., Incorporated, dba Baker & Co., Incorporated (the Company), is a registered broker/dealer under the Securities Exchange Act of 1934. The Company does not carry customer accounts or securities; it operates as an introducing broker on a fully disclosed basis with an unrelated clearing firm. The Company is registered with the Securities and Exchange Commission (SEC), all fifty states of the United States of America and the District of Columbia, and the Financial Industry Regulatory Authority (FINRA). The Company is a member of the New York Stock Exchange (NYSE), the Securities Investor Protection Corporation (SIPC), and FINRA.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Accounting Estimates – Management uses estimates and assumptions in preparing financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenue and expenses. Actual results could vary from the estimates that were used.

B. Cash and Cash Equivalents – Cash and cash equivalents consist of cash and money market funds. At December 31, 2013, \$50,000 of the Company's cash balance is associated with a good faith deposit at its principal clearing broker and is, therefore, restricted as to use.

The Company considers financial instruments with an initial maturity of 90 days or less to be cash equivalents. The Company places its other temporary cash investments with financial institutions, which may, at times, exceed federally insured levels.

C. Receivables and Credit Policies – Receivables from clearing broker are uncollateralized clearing broker obligations due under normal trade terms requiring payments within 30 days from the report date. The Company generally collects receivables within 30 days and does not charge interest on commissions receivable with invoice dates over 30 days old.

Receivables from clearing broker, net of trading costs, are stated at the amount billed. Payments of receivables are allocated to the specific transactions identified on the clearing broker statement or, if unspecified, are applied to the earliest unpaid amounts.

Management individually reviews all receivable balances that exceed 30 days from the invoice date and, based on an assessment of current creditworthiness, estimates the portion, if any, of the balance that will not be collected. Accounts are charged off when management determines the cost of collection efforts exceeds the balance due. In the opinion of management, at December 31, 2013, all receivables were considered collectible and no allowance was necessary.

D.L. BAKER & CO., INCORPORATED

FORM X-17A-5

PART III

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

- D. **Marketable Securities Owned** – Marketable securities owned consist primarily of equity and mutual fund shares and are classified as trading securities and, as such, these securities are reported at market value (as quoted on established markets) with unrealized gains and losses reported in operations in the year in which they occur. Net unrealized gains on investments of \$60,885 are included in trading gains - net in the statement of income. Shares in NASDAQ Stock Market, Inc., Intercontinental Exchange Group Inc., and Goldman Sachs Capital Growth Fund comprised approximately 89% of the Company's total investments as of December 31, 2013.
- E. **Furniture and Equipment** – Furniture and equipment are capitalized and depreciated using the straight-line method of depreciation for financial reporting purposes using estimated useful lives of five to ten years.
- F. **Securities Transactions** – Proprietary securities transactions in regular-way trades are recorded at market value on the trade date, as if they had settled. Profit and loss arising from all securities transactions entered into for the account and risk of the Company are recorded on a trade date basis. The Company uses the specific identification method to determine the cost of securities sold. Interest income is recognized as earned. Dividend income is recognized on the ex-dividend date.
- Amounts receivable and payable for securities transactions that have not reached their contractual settlement date are recorded on a net basis on the statement of financial condition.
- G. **Commissions** – Commissions and related clearing expenses are recorded on a trade date basis as securities transactions occur.
- H. **Promotion and Advertising Costs** – Promotion and advertising costs are expensed as incurred and totaled \$825 in 2013.
- I. **Income Taxes** – The Company's shareholders have consented to the Company's election to be taxed as an S corporation under the provisions of Section 1362(a) of the Internal Revenue Code, which provide for the Company's income to be taxed directly to its shareholders. Therefore, no provisions or liability for federal income taxes has been included in the financial statements, however, the Company is liable for certain state and local taxes.

The Company does not have significant unrecognized tax benefits as of December 31, 2013. The Company's tax returns are subject to examination by the IRS as well as applicable state and local taxing authorities, generally for three years.

- J. **Concentration of Credit Risk** – The Company is engaged in various trading and brokerage activities in which counterparties primarily include broker-dealers, banks, and other financial institutions. In the event counterparties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counterparty or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counterparty.

PART III

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

- K. Fair Value of Financial Instruments – The carrying values of cash and cash equivalents, receivables, and accounts payable are reasonable estimates of fair value due to the short-term nature of these financial instruments.

The Company estimates the fair value of financial instruments using available market information and other generally accepted valuation methodologies. Fair value is defined as the price that would be received to sell an asset or would be paid to transfer a liability in an orderly transaction between market participants at the measurement date. The inputs used to measure fair value are classified into three levels:

Level 1 – Quoted market prices in active markets for identical assets and liabilities.

Level 2 – Observable market-based inputs or unobservable inputs that are corroborated by market data.

Level 3 – Unobservable inputs in which little or no market data exists.

The Company records its marketable securities holdings based upon quoted prices on national indexes as of the last business day of trading, and are classified as Level 1 measurements.

- L. Subsequent Events – The Company has evaluated all events subsequent to the statement of financial position of December 31, 2013, through February 12, 2014, which is the date these financial statements were issued and has determined that there are no subsequent events that require disclosure.

NOTE 3. NET CAPITAL PROVISION OF RULE 15c3-1

The Company is subject to the SEC Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2013, the Company had net capital of \$674,020, which was \$574,020 in excess of its required net capital of \$100,000. At December 31, 2013, the Company's ratio of aggregate indebtedness to net capital was .03 to 1.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE 4. EXEMPTION FROM RULE 15c3-3

The Company acts as an introducing broker or dealer, promptly transmitting all funds and delivering all securities received in connection with its activities as a broker or dealer and does not otherwise hold funds or securities for or owe money or securities to customers. The Company operates under Section (k)(2)(ii) of rule 15c3-3 of the Securities Exchange Act of 1934 and is, therefore, exempt from the requirements of rule 15c3-3.

NOTE 5. REPORT DISCLOSURE

Part IIA of the D.L. Baker & Co., Incorporated Focus Report (Form X-17A-5), dated December 31, 2013, to the Securities and Exchange Commission is available for examination and copying at the office of the Company in Rocky River, Ohio, and at the Chicago, Illinois, regional office of the Commission.

NOTE 6. EMPLOYEE BENEFIT PLAN

Substantially all of the Company's employees are covered under a qualified profit sharing plan pursuant to Section 401(k) of the Internal Revenue Code. Under provisions of the plan, the Board of Directors can elect to make a discretionary contribution. No discretionary contribution was authorized for 2013.

NOTE 7. COMMITMENTS AND CONTINGENCIES

Leases

The Company leases office space in Rocky River, Ohio, under a five-year operating lease, expiring September 30, 2014, with the option to renew for one five-year term.

Rental expense for the operating lease amounted to \$62,400 for the year ended December 31, 2013. As of December 31, 2013, the Company has a minimum commitment under the Rocky River operating lease for 2014 of \$46,800.

Clearing Agreement

Under the terms of the Company's agreement with its clearing firm, the Company has ultimate responsibility for any loss, liability, damage, cost, or expense incurred as a result of the failure of any account to make timely payment for the securities purchased or timely and good delivery of securities sold on the account. In the opinion of management, the ultimate settlement of these matters will have no material adverse effect on the financial position of the Company.

PART III

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE 7. COMMITMENTS AND CONTINGENCIES (CONTINUED)

Exchange Member Guarantees

The Company is a member of the NYSE which trades and clears securities or futures contracts or both. Associated with its membership, the Company may be required to pay a proportionate share of the financial obligations of another member who may default on its obligations to the exchange. While the rules governing different exchange memberships vary, in general the Company's guarantee obligations would arise only if the exchange had previously exhausted its resources. In addition, any such guarantee obligation would be apportioned among the other nondefaulting members of the exchange. Any potential contingent liability under these membership agreements cannot be estimated. The Company has not recorded any contingent liability in the financial statements for these agreements and believes that any potential requirement to make payments under these agreements is remote.

Contingency

The Company is not aware of and has not accrued for additional contingencies.

Independent Auditors' Report on Supplementary Information

To the Shareholders  
D.L. Baker & Co., Incorporated  
Rocky River, Ohio

We have audited the financial statements of D.L. Baker & Co., Incorporated as of and for the year ended December 31, 2013, and have issued our report thereon dated February 12, 2014, which contained an unmodified opinion on those financial statements. Our audit was conducted for the purpose of forming an opinion on the financial statements taken as a whole. The supplementary information contained in Schedules I, II, and III, required by rule 17a-5 under the Securities Exchange Act of 1934 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information in Schedules I, II, and III, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

POSSESSION OR CONTROL REQUIREMENTS PURSUANT TO  
RULE 15c3-3 OF THE SECURITIES AND EXCHANGE COMMISSION

December 31, 2013

The Company is not required to present the schedules "Computation for Determination of Reserve Requirements Under rule 15c3-3" and "Information Relating to Possession or Control Requirements Under rule 15c3-3" as it meets the exemptive provisions of rule 15c3-3, under Section (k)(2)(ii) of the rule.

To the Shareholders  
D.L. Baker & Co., Incorporated  
Rocky River, Ohio

In accordance with rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments [General Assessment Reconciliation (Form SIPC-7)] to the Securities Investor Protection Corporation (SIPC) for the year ended December 31, 2013, which were agreed to by D.L. Baker & Co., Incorporated, the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC, solely to assist you and the other specified parties in evaluating D.L. Baker & Co., Incorporated's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). D.L. Baker & Co., Incorporated's management is responsible for D.L. Baker & Co., Incorporated's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries [cancelled checks] noting no differences;
2. Compared the amounts reported on the audited Form X-17A-5 for the year ended December 31, 2013, as applicable, with the amounts reported in Form SIPC-7 for the year ended December 31, 2013 noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers noting no differences; and
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers [summary of quarterly Focus Reports] supporting the adjustments noting no differences.

We were not engaged to, and did not, conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.

Rocky River, Ohio

**Independent Auditors' Report on Internal Control**  
**Required by SEC Rule 17a-5(g)(1)**

In planning and performing our audit of the financial statements of D.L. Baker & Co., Incorporated (the Company) as of and for the year ended December 31, 2013, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with accounting principles generally accepted in the United States of America. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *deficiency* in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *significant deficiency* is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Company's financial statements will not be prevented or detected and corrected on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2013, to meet the SEC's objectives.

This report is intended solely for the information and use of the shareholders of the Company, the Securities and Exchange Commission, and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than those specified parties.
