INDEPENDENT AUDITOR'S REPORT

To the Partners
Braymen, Lambert and Noel Securities, Ltd.

We have audited the accompanying financial statements of Braymen, Lambert and Noel Securities, Ltd. (the Company), which comprise the statement of financial condition as of December 31, 2013, and the related statements of income, changes in partners' capital, and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Braymen, Lambert and Noel Securities, Ltd. as of December 31, 2013, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information contained in Schedule I is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information in Schedule I has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information in Schedule I is fairly stated in all material respects in relation to the financial statements as a whole.

Note 1 - Nature of Business and Summary of Significant Accounting Policies

Nature of Business:

Braymen, Lambert and Noel Securities, Ltd. (the Partnership), a Texas limited partnership, was formed in December 2002. The Partnership is a broker/dealer in securities registered with the Securities and Exchange Commission (SEC) and is a member of the Financial Industry Regulatory Authority (FINRA). The Partnership's customers are primarily institutions and high wealth individuals located in Texas.

The Partnership operates pursuant to section (k)(2)(ii) exemptive provisions of Rule 15c3-3 of the Securities Exchange Act of 1934, and accordingly, is exempt from the remaining provisions of that Rule. The Partnership does not hold customer funds or securities, but as an introducing broker or dealer, will clear all transactions on behalf of customers on a fully disclosed basis through a clearing broker/dealer. The clearing broker/dealer carries all of the accounts of the customers and maintains and preserves all related books and records as are customarily kept by a clearing broker/dealer. Under these exemptive provisions, the Computation for Determination of Reserve Requirements and Information Relating to the Possession and Control Requirements are not required.

The general partner of the Partnership is BLN Management, LLC (General Partner). The General Partner has the authority to manage and control the business affairs of the Partnership.

The Partnership terminates on December 31, 2052, unless sooner terminated or extended as provided in the partnership agreement.

Significant Accounting Policies:

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of the assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Fair Value of Financial Instruments

Cash, commissions receivable and payables are short-term in nature and accordingly are reported in the statement of financial condition at fair value or carrying amounts that approximate fair value. Marketable debt securities are held for trading purposes and are recorded at fair value in accordance with FASB ASC 820, *Fair Value Measurements and Disclosures*.

BRAYMEN, LAMBERT AND NOEL SECURITIES, LTD.
Notes to Financial Statements
December 31, 2013

Note 1 - Nature of Business and Summary of Significant Accounting Policies (continued)

Marketable Debt Securities

Marketable debt securities are held for trading purposes and are recorded at fair value in accordance with FASB ASC 820, *Fair Value Measurements and Disclosures*. The increase or decrease in fair value is credited or charged to operations.

Security Transactions

Security transactions and related commission revenue and expense are recorded on a trade date basis.

Investment Banking Income

Investment banking income is recorded by the Partnership when earned under the respective agreements.

Investment Advisory Fees

Investment advisory fees are earned based on contractual percentages of client assets under management. The fees are billed quarterly in advance.

Income Taxes

Taxable income or loss of the Partnership is included in the income tax returns of the partners; therefore, no provision for federal income taxes has been made in the accompanying financial statements.

The Partnership is also subject to state income taxes.

As of December 31, 2013, open Federal tax years subject to examination include the tax years ended December 31, 2010 through December 31, 2012.

Note 2 - Transactions with Clearing Broker/Dealer

The agreement with the clearing broker/dealer provides for clearing charges at a fixed rate multiplied by the number of tickets traded by the Partnership. The agreement requires minimum charges totaling \$2,500 per month. The agreement also requires the Partnership to maintain a minimum of \$100,000 as a deposit in an account with the clearing broker/dealer.

BRAYMEN, LAMBERT AND NOEL SECURITIES, LTD.
Notes to Financial Statements
December 31, 2013

Note 3 - Net Capital Requirements

The Partnership is subject to the SEC Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. At December 31, 2013, the Partnership had net capital of \$139,056, which was \$39,056 in excess of its net capital requirement of \$100,000, respectively. The Partnership's net capital ratio was 0.54 to 1.

Note 4 - Off-Balance-Sheet Risk and Concentration of Credit Risk

As discussed in Note 1, the Partnership's customers' securities transactions are introduced on a fully disclosed basis with its clearing broker/dealer. The clearing broker/dealer carries all of the accounts of the customers of the Partnership and is responsible for execution, collection and payment of funds, and receipt and delivery of securities relative to customer transactions. Off-balance-sheet risk exists with respect to these transactions due to the possibility that customers may be unable to fulfill their contractual commitments wherein the clearing broker/dealer may charge any losses it incurs to the Partnership. The Partnership seeks to minimize this risk through procedures designed to monitor the credit worthiness of its customers and that customer transactions are executed properly by the clearing broker/dealer.

The Partnership's has cash, receivable from clearing broker/dealer and clearing deposit held at or due from the Partnership's clearing broker/dealer. The Partnership has a total of \$178,317, or approximately 81%, of its assets in amounts held at or due from its clearing broker/dealer at December 31, 2013.

Note 5 - Related Party Transactions

The Partnership and the General Partner are under common control and the existence of that control creates a financial position and operating results significantly different than if the companies were autonomous.

Under a Services Agreement (Agreement) amended in December 2010, the General Partner provides the Partnership with personal property, support staff and office space and incurs general and administrative expenses for the benefit of the Partnership, with the exception of specific expenses as defined in the Agreement. Fees for such services are determined at the discretion of the General Partner. The Agreement allows the Partnership to waive any such portion of the fees in order for the Partnership to remain in compliance with the minimum net capital requirements (Note 3). Fees incurred for the year ended December 31, 2013 under this Agreement totaled \$278,016, of which \$11,492 was payable at December 31, 2013. The Agreement was not consummated on terms equivalent to arms length transactions.

BRAYMEN, LAMBERT AND NOEL SECURITIES, LTD.
Notes to Financial Statements
December 31, 2013

Note 6 - Contingencies

There are currently no asserted claims or legal proceedings against the Partnership, however, the nature of the Partnership's business subjects it to various claims, regulatory examinations, and other proceedings in the ordinary course of business. The ultimate outcome of any such action against the Partnership could have an adverse impact on the financial condition, results of operations, or cash flows of the Partnership.

Note 7 - Subsequent Events

Management has evaluated the Partnership's events and transactions that occurred subsequent to December 31, 2013, through February 12, 2014, the date which the financial statements were available to be issued.

There were no events or transactions that occurred during this period that materially impacted the amounts or disclosures in the Partnership's financial statements.

Statement of Changes in Liabilities Subordinated to Claims of General Creditors

No statement is required as no subordinated liabilities existed at any time during the year.

Statement Regarding Reserve Requirements and Possession or Control Requirements

The Company operates pursuant to section (k)(2)(ii) exemptive provisions of Rule 15c3-3 of the Securities Exchange Act of 1934, in which all customer transactions are cleared on a fully disclosed basis through a clearing broker/dealer. Under these exemptive provisions, the Computation of Determination of the Reserve Requirements and Information Relating to the Possession or Control Requirements are not required.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL REQUIRED BY
SEC RULE 17a-5(g)(1) FOR A BROKER-DEALER CLAIMING AN EXEMPTION
FROM SEC RULE 15c3-3**

To the Partners
Braymen, Lambert and Noel Securities, Ltd.

In planning and performing our audit of the financial statements of Braymen, Lambert and Noel Securities, Ltd. (the Company), as of and for the year ended December 31, 2013, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's previously mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the company's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined previously.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2013, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, Financial Industry Regulatory Authority, Inc., and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

**INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON
PROCEDURES RELATED TO AN ENTITY'S SIPC ASSESSMENT
RECONCILIATION**

To the Partners
Braymen, Lambert and Noel Securities, Ltd.

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments [General Assessment Reconciliation (Form SIPC-7)] to the Securities Investor Protection Corporation (SIPC) for the year ended December 31, 2013, which were agreed to by Braymen, Lambert and Noel Securities, Ltd. and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC, solely to assist you and the other specified parties in evaluating Braymen, Lambert and Noel Securities, Ltd.'s compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). Braymen, Lambert and Noel Securities, Ltd.'s management is responsible for Braymen, Lambert and Noel Securities, Ltd.'s compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement record entries (checks issued) noting no differences;
2. Compared the amounts reported on the audited Form X-17A-5 for the year ended December 31, 2013, as applicable, with the amounts reported in Form SIPC-7 for the year ended December 31, 2013, noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers noting no differences; and
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
