Independent Auditors' Report

To the Stockholder of
iDAYTRADE, Inc.
d/b/a BrokerageSelect

We have audited the accompanying statement of financial condition of iDAYTRADE, Inc. d/b/a BrokerageSelect (the Company) as of December 31, 2013 that is filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934 and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on this financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statement referred to above presents fairly, in all material respects, the financial position of iDAYTRADE, Inc. d/b/a BrokerageSelect as of December 31, 2013, in accordance with accounting principles generally accepted in the United States of America.

Notes to Financial Statements
December 31, 2013

1 - ORGANIZATION AND BUSINESS

iDaytrade, Inc. d/b/a BrokerageSelect (the "Company") was incorporated on April 22, 1999 under the laws of the State of New York.

The Company is registered with the Securities and Exchange Commission ("SEC") as a broker-dealer pursuant to the Securities Exchange Act of 1934. The Company is a member of the Financial Industry Regulatory Authority, Inc. ("FINRA").

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- a. **Income Taxes** - The Company has elected to be treated as an S-corporation for federal and New York State corporate tax purposes, and as such, the stockholder is individually liable for federal and New York State income tax payments. The Company is subject to a New York City corporate income tax.

The Company may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained upon examination by the taxing authorities based on the technical merits of the position.

The Company files federal, New York State, and New York City tax returns. The earliest tax year that is subject to examination by these taxing authorities is 2010.

The Company did not have material unrecognized tax benefits as of December 31, 2013 and does not expect this to change significantly over the next twelve months.

- b. **Basis of Presentation** - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S.GAAP") requires management to make estimates and assumptions. The estimates and assumptions affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

3 - RECEIVABLE FROM CLEARING BROKER

The clearing and depository operations for the Company's and customers' securities transactions are provided by a Clearing Broker pursuant to a clearance agreement. The Company has an agreement ("Clearing Agreement") with a clearing broker to clear securities transactions, carry customers' accounts on a fully disclosed basis, and perform certain recordkeeping functions. The Company maintains a \$25,000 security deposit with this clearing broker as collateral against losses due to potential nonperformance by its customers. The Clearing Agreement may be cancelled by either party on 90 days written notice.

At December 31, 2013, the \$41,165 from Clearing Broker represents cash deposits and money market funds maintained at the Clearing Broker including the required clearing deposit of \$25,000.

4 - NET CAPITAL REQUIREMENTS

The Company is subject to the Uniform Net Capital requirements of the Securities and Exchange Commission (SEC Rule 15c3-1) which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, should not exceed 15 to 1. At December 31, 2013, the Company had net capital of \$20,972, which was \$15,972 in excess of its required net capital of \$5,000 and the Company's net capital ratio was 1.7 to 1. Accordingly, the Company operates under the exemptive provisions of SEC Rule 15c3-3.

5 - OFF-BALANCE-SHEET RISK

Pursuant to a clearance agreement, the Company introduces all of its securities transactions to a clearing broker on a fully-disclosed basis. All of the customers' money balances and long and short security positions are carried on the books of the Clearing Broker. In accordance with the clearance agreement, the Company has agreed to indemnify the Clearing Broker for losses, if any, which the Clearing Broker may sustain from carrying securities transactions introduced by the Company. In accordance with industry practice and regulatory requirements, the Company and the Clearing Broker monitor collateral on the customers' accounts.

In the normal course of business, the Company's customer activities involve the execution, settlement, and financing of various customer securities transactions. These activities may expose the Company to off-balance sheet risk in the event the customer or other broker is unable to fulfill its contracted obligations and the Company has to purchase or sell the financial instrument underlying the contract at a loss.

6 - SUBSEQUENT EVENTS

In February 2014, the stockholder of the Company contributed \$4,000 to stockholder's equity.
