## **INDEPENDENT AUDITOR'S REPORT**

To the Sole Member of  
Belvedere Global Investors LLC

### ***Report on the Financial Statements***

We have audited the accompanying financial statements of Belvedere Global Investors, LLC which comprise the statement of financial condition as of December 31, 2013, and the related statements of income, changes in member's equity, and cash flows for the year then ended, and the related notes to the financial statements.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to error or fraud.

### ***Auditor's Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluation the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Belvedere Global Investors LLC as of December 31, 2013 and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

***Report on Other Legal and Regulatory Requirements***

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The schedule of computation of net capital of Belvedere Global Investors LLC. is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by Rule 17a-5 of the Securities and Exchange Commission. This schedule is the responsibility of the Company's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Such schedule has been subjected to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such schedule directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America and, in our opinion, is fairly stated in all material respects when considered in relation to the financial statements taken as a whole.

**BELVEDERE GLOBAL INVESTORS LLC**  
**Notes to Financial Statements**  
**December 31, 2013**

(1) **Organization and Operation**

Belvedere Global Investors LLC (the “Company”) is a broker-dealer in securities registered with the Securities and Exchange Commission (SEC) and is a member of the Financial Industry Regulatory Authority (FINRA).

(2) **Summary of Significant Accounting Policies**

**Basis of Accounting**

The accompanying financial statements have been prepared using the accrual basis of accounting.

**Revenue Recognition**

The Company records its advisory fees as they are earned based on the services provided or in the case of success fees, upon successful completion of the service or consummation of the related transaction.

**Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Income Taxes**

Inasmuch as the Company has a single member, it is treated as a disregarded entity for income tax purposes. Consequently, income taxes are not payable by or provided for, the Company. The member is taxed individually on the Company's earnings.

Effective January 1, 2009, the Company adopted the authoritative guidance for uncertainty in income taxes included in ASC 740, *Income Taxes* (formerly FASB Interpretation No. 48), as amended by Accounting Standards Update (“ASU”) 2009-06, *Implementation Guidance on Accounting for Uncertainty in Taxes and Disclosures Amendments for Nonpublic Entities*. This guidance requires the Company to determine whether a tax position of the Company is more likely than not to be sustained upon examination by the applicable taxing authority, including the resolution of any related appeals or litigation processes, based on the technical merits of the position. The Company determined there are no uncertain tax positions that require financial statement recognition. The Company's tax returns remain open for examination by tax authorities for a period of three years from when they are filed; the 2009, 2010, and 2011 tax returns are currently open for examination.

**Notes to Financial Statements**  
**December 31, 2013**

(2) **Summary of Significant Accounting Policies (continued)**

**Allocation of Income and Losses**

The net income of the Company for the year is allocated to the members in accordance with the Amended and Restated Limited Liability Operating Agreement dated September 1, 2008.

(3) **Net Capital Requirements**

Pursuant to the net capital provisions of Rule 15c3-1 of the Securities and Exchange Act of 1934, the Company is required to maintain a minimum net capital and a prescribed ratio of aggregate indebtedness to net capital, as defined under such provisions. Net capital and the related net capital ratio may fluctuate on a daily basis. At December 31, 2012, the Company had net capital of approximately \$18,018 which was \$13,018 in excess of its net capital requirements of \$5,000. The Company's ratio of aggregate indebtedness to net capital was 0.1041 to 1. The Securities and Exchange Commission permits a ratio of no greater than 15 to 1.

The Company does not have any possession or control of customer funds or securities and, therefore claims an exemption from Rule 15c3-3.

(4) **Subsequent Events**

For purposes of disclosure in the financial statements, the Company has evaluated subsequent events through February 27, 2014, the date which the financial statements were available to be issued.

**Independent Auditors' Report  
of Internal Accounting Control**

**Required by SEC Rule 17a-5**

**For the Year Ended December 31, 2013**

**Independent Auditor's Report on  
Internal Control Required by SEC Rule 17a-5**

To the Sole Member of  
Belvedere Global Investors LLC

In planning and performing our audit of the financial statements of Belvedere Global Investors LLC (the "Company") as of and for the year ended December 31, 2013 (on which we issued our report dated February 27, 2014 and such report expressed an unqualified opinion on those financial statements), in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting ("internal control") as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission ("SEC"), we have made a study of the practices and procedures followed by the Company, including consideration of control activities for safeguarding securities. This study included tests of compliance with such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. We did not review the practices and procedures followed by the Company in making the quarterly securities examinations, counts, verifications, and comparisons, and the recordation of differences required by Rule 17a-13 or in complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System, because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives.

Two of the objectives of internal control and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with accounting principles generally accepted in the United States of America. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, errors or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *deficiency* in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *significant deficiency* is a deficiency or combination of deficiencies in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A *material weakness* is a deficiency or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Company's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities and certain regulated commodity customer and firm assets that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2013, to meet the SEC's objectives.

However, we note that the size of the business and resultant limited number of employees imposes practical limitations on the effectiveness of those control policies and procedures that depend on the segregation of duties. Because this condition is inherent in the size of the Company, the specific weaknesses are not described herein. These conditions were considered in determining the nature, timing and extent of audit tests to be applied in our audit of the financial statements, and do not modify our opinion dated February 27, 2014 on such financial statements.

This report is intended solely for the information and use of the Board of Directors, management, the Securities and Exchange Commission, the Financial Industry Regulatory Authority, Inc. and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered broker-dealers, and is not intended to be and should not be used by anyone other than these specified parties.

Handwritten signature in cursive script that reads "Paine & Fischer LLP".
