INDEPENDENT AUDITORS' REPORT

To the Member of
Ascendant Securities, LLC

Report on the Financial Statements

We have audited the accompanying statement of financial condition of Ascendant Securities, LLC (the "Company") as of December 31, 2013 that is filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934 and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statement is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on this financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statement referred to above presents fairly, in all material respects, the financial position of Ascendant Securities, LLC as of December 31, 2012 in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and Business

Ascendant Securities, LLC (the "Company") was incorporated in the state of Nevada on August 19, 2003 and commenced operations on January 20, 2004. The Company is wholly owned by Ascendant Capital Group, LLC ("ACG" or the "Parent"). The Company is registered with the Securities and Exchange Commission (the "Commission") as a broker-dealer in securities and is a member of the Financial Industry Regulatory Authority, Inc. ("FINRA").

15c3-3 Exemption

The Company, under Rule 15c3-3(k)(2)(i), is exempt from both the customer reserve requirement and the possession and control requirements of Rule 15c3-3 of the Securities and Exchange Commission. The Company does not carry or clear customer accounts.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Revenue Recognition

Revenue is recorded upon the close of the related transaction.

Reclassification

Certain prior year amounts have been reclassified to conform to the current year presentation.

Income Taxes

All income and losses of the Company are passed through to the Parent and the Parent reports these on its income tax return. There is no entity level tax for the Company for federal purposes. The state of California imposes an \$800 annual tax and a gross receipts fee based on the total income from all sources reportable to the state.

The Company is required to determine whether a tax position is more likely than not to be sustained upon examination by the applicable taxing authority, including resolution of any tax related appeals or litigation processes, based on the technical merits of the position. The Company files an income tax return in the U.S. federal jurisdiction, and may file income tax returns in various U.S. states. The Company is not subject to income tax return examinations by major taxing authorities for years before 2010. The tax benefit recognized is measured as the largest amount of benefit that has a greater than fifty percent likelihood of being realized upon ultimate settlement. De-recognition of a tax benefit previously recognized results in the Company recording a tax liability that reduces net assets. However,

the Company's conclusions regarding this policy may be subject to review and adjustment at a later date based on factors including, but not limited to, on-going analyses of and changes to tax laws, regulations and interpretations thereof. The Company recognizes interest accrued related to unrecognized tax benefits and penalties related to unrecognized tax benefits in income taxes payable, if assessed. Interest of \$387 has been recognized as of and for the year ended December 31, 2013.

NOTE 2 - NET CAPITAL

Pursuant to the net capital provisions of Rule 15c3-1 of the Securities Exchange Act of 1934, the Company is required to maintain a minimum net capital, as defined under such provisions. At December 31, 2013, the Company had net capital and net capital requirements of \$12,679 and \$5,000, respectively. The Company's net capital ratio (aggregate indebtedness to net capital) was 1.04 to 1. According to Rule 15c3-1, the Company's net capital ratio shall not exceed 15 to 1.

NOTE 3 - COMMITMENTS AND RELATED PARTY TRANSACTIONS

The Company is obligated to pay \$2,000 a month in management fees to ACG for general and administrative support provided to the Company. However, ACG determined that such fee would not be due by the Company due to the lack of activity in the Company and ceased charging the fee effective August 31, 2013 until such time as the Company recommenced business. Management fee expense was \$16,000 for the year ended December 31, 2013 and is included in other general and administrative expenses in the accompanying statement of operations. ACG contributed \$14,000 of the management fees to capital during the year ended December 31, 2013.

**NOTE 4 - FINANCIAL INSTRUMENTS, OFF-BALANCE SHEET RISKS
AND UNCERTAINTIES**

The Company's financial instruments, including cash, other assets, accounts payable and accrued expenses and income taxes and penalties payable, are carried at amounts that approximate fair value, due to the short-term nature of the instruments.

During the normal course of business, the Company has made certain indemnities and guarantees under which it may be required to make payments in relation to certain transactions. These indemnities include certain agreements with the Company's officers, under which the Company may be required to indemnify such persons for liabilities arising out of their current relationship. The duration of these indemnities and guarantees varies and, in certain cases, is indefinite. The majority of these indemnities and guarantees do not provide for any limitation of the maximum potential future payments the Company could be obligated to make. Historically, the Company has not been obligated to make any

payments for these obligations and as of December 31, 2013 there are no known liabilities required to be recorded for these indemnities and guarantees in the accompanying financial statements.

At times, the Company may maintain cash balances in excess of the FDIC limit of \$250,000. At December 31, 2013, the Company did not have a cash balance that was in excess of the FDIC limit.

NOTE 5 - SUBSEQUENT EVENTS

The Company has performed an evaluation of subsequent events through date the financial statements were issued. The evaluation did not result in any subsequent events that required disclosures and/or adjustments.
