Independent Auditor's Report

Board of Directors and Stockholders
Beaconsfield Financial Services, Inc.
Canonsburg, Pennsylvania

We have audited the accompanying financial statements of Beaconsfield Financial Services, Inc. (the Company) which comprise the statements of financial condition as of December 31, 2013 and 2012, and the related statements of income and comprehensive income, changes in stockholders' equity, and cash flows for the years then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Beaconsfield Financial Services, Inc. as of December 31, 2013 and 2012, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Beaconsfield Financial Services, Inc.

Notes to Financial Statements

Years Ended

December 31, 2013 and 2012

A. Organization and Nature of Operations

Beaconsfield Financial Services, Inc. (Company) was organized on October 25, 1983 and incorporated under the laws of Pennsylvania. The Company is a full-service brokerage and investment management firm headquartered in Canonsburg, Pennsylvania. The Company is a member of the Financial Industry Regulatory Authority (FINRA), and the Securities Investors Protection Corporation (SIPC).

B. Summary of Significant Accounting Policies

The summary of significant accounting policies is presented to assist in understanding these financial statements. The financial statements and notes are representations of management, who is responsible for their integrity and objectivity. The accounting policies used conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of these financial statements.

Method of Accounting. These financial statements have been prepared using the accrual method of accounting, recognizing income when earned and expenses when incurred. Securities transactions and related commission revenues are recorded on a settlement date basis, generally the third business day after the trade date.

Fully Disclosed Basis. The Company is associated with RBC Correspondent Services, a division of RBC Capital Markets, LLC (RBC) (Clearing Broker), a member of the New York Stock Exchange, Inc., on a fully disclosed basis in connection with the execution and clearance of the securities transactions effected by the Company. In accordance with the Clearing Agreement, the Company is required to provide a clearing deposit in the amount of \$25,000 as of December 31, 2013 and 2012, upon which the Clearing Broker pays interest at prevailing rates. As of December 31, 2013 and 2012, the clearing deposit account amounted to \$25,000 and \$25,001, respectively, and is listed separately on the statements of financial condition.

Use of Estimates. The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Date of Management's Review. The Company has evaluated subsequent events through February 14, 2014, which is the date the financial statements were available to be issued

Beaconsfield Financial Services, Inc.

Notes to Financial Statements

Years Ended

December 31, 2013 and 2012

B. Summary of Significant Accounting Policies (Continued)

Cash Equivalents. For purposes of the statements of cash flows, the Company considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

Accounts Receivable. Accounts receivable are stated at the amount management expects to collect from outstanding balances. The Company accounts for bad debts using the direct charge-off method, directly expensing receivables which management deems uncollectible, or realizable at less than full value. The direct charge-off method provides results similar to the reserve method in all material respects. Based on management's assessment of the credit history with its customers having outstanding balances and current relationships with them, it has concluded that realization losses on balances outstanding at year end will be immaterial.

Marketable Securities. Equity securities are classified as "available-for-sale" and are reported at their fair values based upon quoted market prices. Unrealized gains and losses are excluded from earnings and reported as a separate component of stockholders' equity. Realized gains and losses are computed based on specific identification of the securities sold.

Capitalization and Depreciation. Equipment and fixtures is recorded at acquisition cost and depreciated over the estimated useful lives of the related assets using the straight-line and accelerated method for financial and tax reporting, respectively. Maintenance and repairs, which extend the life of such assets, are also capitalized and depreciated over the estimated remaining useful lives.

Advertising. The Company expenses the cost of advertising as incurred. Advertising expense was \$5,944 and \$5,892 for the years ended December 31, 2013 and 2012, respectively.

Compensated Absences. The Company has a vacation policy allowing for paid time off based on years of service. The vacation policy does not allow for the accumulation or carryover of unused vacation to future periods. Accordingly, the Company recognizes the costs of compensated absences when actually paid to employees and has not accrued a liability for unused vacation time at December 31, 2013 and 2012.

Income Taxes. Income taxes are provided for the tax effects of transactions reported in the financial statements and consist of taxes currently due plus deferred taxes. Deferred taxes are recognized for differences (described in Note G) between the basis of asset and liabilities for financial statement and income tax purposes. The deferred tax liability represents future tax consequences of these differences, which will be taxable when the liabilities are recovered or settled. It is the Company's policy not to take uncertain tax positions.

Beaconsfield Financial Services, Inc.

Notes to Financial Statements

Years Ended

December 31, 2013 and 2012

C. Concentration of Credit Risk

The Company maintains their cash in bank deposit accounts at high quality financial institutions. The balances, at times, may exceed federally insured limits. At December 31, 2013, the Company did not exceed the insured limit.

D. Net Capital Requirements

The Company is subject to the net capital rule of the Securities and Exchange Commission, Rule 15c3-1 (Rule). Under the computation, the Company is required to maintain net capital equal to the greater of \$50,000 or 6 2/3% of aggregate indebtedness and not to permit its aggregate indebtedness to exceed 1,500% of its net capital, as those terms are defined in the Rule. At December 31, 2013 and 2012, the Company had net capital of \$133,804 and \$100,495, respectively, and a net capital ratio (aggregate indebtedness divided by net capital) of 1.84 to 1 and 1.89 to 1, respectively.

Pursuant to Rule 17a-5, the Company is required to file a computation of net capital as of the audit date. Rule 17a-5(d)(4) requires reporting on any material differences between the audited computation and the Company's computation. At December 31, 2013 and 2012, there were no material differences.

E. Marketable Securities

Marketable securities consist of shares of ESB Financial Corporation common stock, shares of NASDAQ OMX Group, Inc. common stock, shares of MFS SER TR VI Utilities Fund and shares of Allianz GI NFJ International Value A Fund and are classified by the Company as "available-for-sale" Cost, unrealized gain, and fair value are as follows:

| | <u>2013</u> | <u>2012</u> |
|--------------------------------|-------------------|------------------|
| Marketable securities, at cost | \$ 64,222 | \$ 40,848 |
| Net unrealized gains | <u>36,657</u> | <u>15,475</u> |
| Fair value | <u>\$ 100,879</u> | <u>\$ 56,323</u> |

The unrealized gains are reported, net of tax (\$7,800 and \$3,600 in 2013 and 2012, respectively), as accumulated other comprehensive income in stockholders' equity. The marketable securities are included in current assets on the statements of financial condition. During the year ended December 31, 2013, 428 shares of ESB were sold for \$5,885, resulting in a gross realized gain of \$3,141.

Beaconsfield Financial Services, Inc.

Notes to Financial Statements

Years Ended

December 31, 2013 and 2012

F. Regulatory Filings

The statement of financial condition filed pursuant to Rule 17a-5 of the Securities and Exchange Commission is available for inspection at the principal office of the Corporation and at the Washington D.C. and Regional Office of the Commission.

G. Income Taxes

The Company accounts for deferred taxes using the asset and liability method. The objective of the asset and liability method is to establish deferred tax assets and liabilities for the temporary differences between the financial reporting basis and the tax basis of the Company's assets and liabilities at enacted tax rates expected to be in effect when such amounts are realized or settled. The asset and liability as computed for these financial statements assumes that the current tax rates and regulations will be in effect for the year the temporary differences reverse. Accordingly, adjustments to the asset will be necessary in the future should the tax laws change.

Current standards require companies to recognize, measure, present, and disclose uncertain tax positions that have been or are expected to be taken. As such, financial statements will reflect expected future tax consequences of uncertain tax positions presuming the tax authorities' full knowledge of the position and all relevant facts. It is the Company's policy not to take uncertain tax positions. The Company's federal and state income tax returns are subject to possible examination by the taxing authorities until expiration of the related statutes of limitations on those tax returns. As of December 31, 2013, the Company's open audit periods are 2010 through 2013 for both federal and state purposes. In evaluating the Company's tax provisions and accruals, future taxable income, and the reversal of temporary differences, interpretations and tax planning strategies are considered. The Company believes their estimates are appropriate based on current facts and circumstances.

Differences in total income tax expense and the amount of income tax that would result from applying statutory rates to pretax income are due to permanent differences, primarily meals and entertainment, which are only 50% deductible for Federal and state income tax purposes.

The provision for income taxes in the statements of operations consists of the following components:

| | 2013 | 2012 |
|-------------------|-----------------|-----------------|
| Currently payable | \$ 5,500 | \$ 1,600 |
| Deferred | - | 400 |
| | <u>\$ 5,500</u> | <u>\$ 2,000</u> |

Beaconsfield Financial Services, Inc.

Notes to Financial Statements

Years Ended

December 31, 2013 and 2012

G. Income Taxes (Continued)

At December 31, 2013 and 2012, a long-term deferred tax liability was recognized for a taxable temporary difference totaling \$2,400. This difference relates to using different depreciation methods (modified accelerated cost recovery system for tax purposes versus straight-line method for financial statement reporting).

At December 31, 2013 and 2012, a current deferred tax liability of \$7,800 and \$3,600, respectively, was recorded for a taxable temporary difference due to an unrealized holding gain on marketable securities and netted with accumulated other comprehensive income in stockholders' equity on the balance sheets.

H. Pension Plan

The Company has a SEP retirement plan which covers all of its employees. Total pension expense amounted to \$105,821 and \$80,577 for the years ended December 31, 2013 and 2012, respectively.

I. Lease Commitments

The Company leases office space under a non-cancellable operating lease, which was extended for an additional five-year term beginning in June 2013 and provides for monthly lease payments of \$2,744 (formerly \$2,439). The lease is renewable for an additional five years following the May 31, 2018 termination date, at a lease rate mutually agreeable. For the years ended December 31, 2013 and 2012, rent expense under this lease amounted to \$28,808 and \$27,480, respectively.

During 2013 and 2012, the Company was reimbursed \$2,600 and \$1,800, respectively, by Summit Advisors LLC, an entity controlled by the shareholders of the Company, for use of its office space.

The future minimum lease payments required by this office lease are as follows:

| Year ending December 31 | |
|-------------------------|------------|
| 2014 | \$ 32,929 |
| 2015 | 32,929 |
| 2016 | 32,929 |
| 2017 | 32,929 |
| 2018 | 13,721 |
| | <hr/> |
| | \$ 145,437 |

Supplementary Information

**Independent Auditor's Report on
Supplementary Information Required
by Rule 17a-5 Under the Securities and
and Exchange Act of 1934**

Board of Directors and Stockholders
Beaconsfield Financial Services, Inc.
Canonsburg, Pennsylvania

We have audited the financial statements of Beaconsfield Financial Services, Inc. as of and for the years ended December 31, 2013 and 2012, and have issued our report thereon dated February 14, 2014, which contained an unmodified opinion on those financial statements. Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information contained on pages 12 through 14, required by Rule 17a-5 under the Securities Exchange Act of 1934, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information on pages 12 through 14 has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information on pages 12 through 14 is fairly stated in all material respects in relation to the financial statements as a whole.

**Report on Internal Control Required by
SEC 17a-5(g)(1) For a Broker-Dealer
Claiming an Exemption From SEC Rule 15c3-3**

Board of Directors and Stockholders
Beaconsfield Financial Services, Inc.
Canonsburg, Pennsylvania

In planning and performing our audit of the financial statements of Beaconsfield Financial Services, Inc. (Company), as of and for the years ended December 31, 2013 and 2012, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company, including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13;
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph

Because of inherent limitations in internal control and the practices and procedures referred to previously, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *significant deficiency* is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the company's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined previously.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2012 and 2011, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, the Financial Industry Regulatory Authority (FINRA), and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties

**Independent Accountant's Report on Applying
Agreed-Upon Procedures Related to an Entity's
SIPC Assessment Reconciliation**

Board of Directors and Stockholders
Beaconsfield Financial Services, Inc.
Canonsburg, Pennsylvania

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments [General Assessment Reconciliation (Form SIPC-7)] to the Securities Investor Protection Corporation (SIPC) for the year ended December 31, 2013, which were agreed to by Beaconsfield Financial Services, Inc. and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC, solely to assist you and the other specified parties in evaluating Beaconsfield Financial Services, Inc.'s compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). Beaconsfield Financial Services, Inc.'s management is responsible for Beaconsfield Financial Services, Inc.'s compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries noting no differences;
2. Compared the amounts reported on the audited Form X-17A-5 for the year ended December 31, 2013, with the amounts reported in Form SIPC-7 for the year ended December 31, 2013 noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers noting no differences;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments noting no differences, and
5. Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7T on which it was originally computed noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
