INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Kercheville and Company
San Antonio, Texas

We have audited the accompanying financial statements of Kercheville and Company (the Company), which comprise the statements of financial condition as of December 31, 2013 and 2012, and the related statements of operations, changes in stockholder's equity, and cash flows for the years then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

To the Board of Directors
Kercheville and Company

Page 2

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2013 and 2012, and the results of its operations, and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedule of Computation of Net Capital, Aggregate Indebtedness and Ratio of Aggregate Indebtedness to Net Capital Under Rule 15c3-1 is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

**KERCHEVILLE AND COMPANY
NOTES TO FINANCIAL STATEMENTS**

NOTE 1. ORGANIZATION AND NATURE OF BUSINESS

Organization

Kercheville and Company (the Company) was incorporated in Texas in October 1984, in compliance with the broker dealer registration requirements imposed by Rule 3b-9 of the Securities Exchange Act of 1934.

Nature of Business

The Company conducts business as a registered securities broker dealer and operates under a clearing agreement with Pershing LLC (Pershing), a member of BNY Securities Group and a subsidiary of Bank of New York. Under this clearing agreement, Pershing clears transactions for the Company's customers, who are located primarily in Texas, and carries the accounts of the customers on a fully-disclosed basis as customers of Pershing. The Company does not hold cash or securities in connection with these transactions.

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of significant accounting policies that are in conformity with accounting principles generally accepted in the United States of America and which are applied consistently by the Company in the preparation of its financial statements. The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Securities Transactions

Securities transactions and related revenue and expense are recorded on a trade date basis. Dividends are recognized on the ex-dividend date and interest income is recognized on the accrual basis.

Commissions

Commissions and related transaction charges are recorded on a trade-date basis as securities transactions occur.

**KERCHEVILLE AND COMPANY
NOTES TO FINANCIAL STATEMENTS**

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Securities Valuation

Investments are generally valued as follows:

1. Securities listed on a securities exchange – at the last sales price on the date of determination on the largest securities exchange in which such securities have been traded on such date.
2. Securities traded in the over-the-counter market – at the closing “bid” price if held long and at the closing “asked” price if held short unless included in the NASDAQ National Market System, in which case they shall be valued based upon their last sale price on the date of determination.
3. Securities for which no market prices are available – at such value as the Company may reasonably determine in its sole discretion. Because of the inherent uncertainty of valuation, those estimated values may be materially higher or lower than the values that would have been used had a ready market for the securities existed.

Statement of Cash Flows

Cash and cash equivalents consist of noninterest-bearing demand accounts with financial institutions with original maturities of three months or less.

Equipment and Furniture

Equipment and furniture are carried at cost less accumulated depreciation or amortization. Equipment and furniture is depreciated on a straight-line basis over estimated useful lives, which range from 3-5 years.

KERCHEVILLE AND COMPANY
NOTES TO FINANCIAL STATEMENTS

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Income Taxes

The Company has elected to be taxed as an S-Corporation and will be treated as a flow-through entity for income tax purposes, similar to a partnership. As a result, the net taxable income of the Company and any related tax credits, for federal income tax purposes, are deemed to pass to the shareholder of the Company and are included in their personal tax returns even though such net taxable income or tax credits may not have actually been distributed. Accordingly, no tax provision has been made in the financial statements of the Company since the income tax is a personal obligation of the individual shareholder of the Company.

The Company recognizes and measures any unrecognized tax benefits in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 740, *Income Taxes*. ASC 740 provides guidance on derecognition, measurement and classification of amounts relating to uncertain tax positions, accounting for and disclosure of interest and penalties, and disclosures. As of December 31, 2013, the Company believes there are no uncertain tax positions that qualify for either recognition or disclosure in the financial statements.

As of December 31, 2013, the Company's tax years 2010 to 2013 remain subject to examination.

The Company recognizes interest and penalties on state income taxes in the statements of operations. For the years ended December 31, 2013 and 2012, the Company recognized no interest and penalties on state income taxes.

The Company has recorded a provision for estimated Texas margin tax totaling \$17,890 and \$17,151 for the years ended December 31, 2013 and 2012, respectively. The Company paid \$18,888 and \$5,885 for 2012 and 2011 Texas margin taxes during the years ended December 31, 2013, and 2012, respectively.

**KERCHEVILLE AND COMPANY
NOTES TO FINANCIAL STATEMENTS**

NOTE 3. FAIR VALUE MEASUREMENTS

The Company adopted FASB ASC 820, *Fair Value Measurement* (FASB ASC 820), as of January 1, 2008. FASB ASC 820 establishes a framework for using fair value to measure assets and liabilities and defines fair value as the price that would be received to sell an asset or paid to transfer a liability as opposed to the price that would be paid to acquire the asset or received to assume the liability. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. A fair value measure should reflect the assumptions that market participants would use in pricing the asset or liability, including the assumptions about the risk inherent in a particular valuation technique, the effect of a restriction on the sale or use of an asset, and the value based on inputs the Company uses to derive fair value measurements. The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

Level 1 inputs are quoted market prices (unadjusted) for identical assets or liabilities traded in active markets.

Level 2 inputs are quoted market prices for similar instruments traded in active markets, quoted prices for identical or similar instruments in markets that are not active, and model-based valuation techniques for which all significant assumptions are observable in the market.

Level 3 inputs are unobservable inputs for the asset or liability and rely on management's own estimates for assumptions that market participants would use in pricing the asset or liability that include option pricing models, discounted cash flow models and similar techniques, but may also include the use of market prices of assets or liabilities that are not directly comparable to the subject asset or liability.

NOTE 4. EQUIPMENT AND FURNITURE, NET

Equipment and furniture consists of the following at December 31:

	2013	2012
Equipment and furniture	\$ 541,099	\$ 532,440
	541,099	532,440
Accumulated depreciation	(486,166)	(453,209)
Equipment and furniture, net	\$ 54,933	\$ 79,231

Depreciation expense for the years ended December 31, 2013 and 2012 totaled \$32,957 and \$31,862, respectively.

NOTE 5. NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1) which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2013, the Company's net capital ratio was 0.06 to 1, and its net capital of approximately \$2,310,000 was in excess of its required net capital of \$250,000, resulting in excess net capital of approximately \$2,060,000.

NOTE 6. SECURITIES OWNED AND SECURITIES SOLD SHORT

Securities owned consist of marketable securities carried at fair value. Securities sold short also consist of marketable securities, which are carried at fair value. When the Company sells a security short, it must borrow the security sold short and deliver it to the clearing organization through which it made the short sale. A gain, limited to the price at which the Company sold the security short, or a loss, unlimited in size, will be recognized upon the termination of a short sale. Resulting unrealized gains and losses from securities owned and securities sold short are included in revenues in the accompanying statements of operations.

**KERCHEVILLE AND COMPANY
NOTES TO FINANCIAL STATEMENTS**

NOTE 7. RELATED PARTY TRANSACTIONS

The Company sold its land and building to a related party owned by the Company's sole stockholder during 2012. The land and building were sold for \$850,000, which resulted in a gain of \$470,563. As a result of the related party nature of the transaction, the gain is recorded as a contribution for the year ended December 31, 2012. Subsequent to the sale, the Company entered in a 10-year lease agreement with the related party for the use of the land and building. Rent expense totaled \$180,000 and \$0 during the years ended December 31, 2013 and 2012, respectively, and is included in occupancy expense in the accompanying statements of operations.

NOTE 8. CLEARING ORGANIZATION

As described in Note 1, the Company has an agreement with a clearing organization whereby the clearing organization performs clearing functions for all securities transactions with brokers and dealers (clearing agreement). Under the clearing agreement, the Company is required to maintain a \$100,000 balance. At December 31, 2013 and 2012, the cash balance was \$196,407. Amounts receivable from the clearing organization at December 31, 2013 and 2012 consisted of receivables for unsettled trades, commission's receivable, deposits for purchases on margin and securities sold short totaling \$5,610 and \$936,316, respectively. Amounts payable to the clearing organization at December 31, 2013 and 2012 consisted of amounts related to unsettled trades totaling \$0 and \$1,053,019 which is included in accounts payable and accrued liabilities in the accompanying statements of financial condition at December 31, 2013 and 2012, respectively.

NOTE 9. COMMITMENTS AND CONTINGENCIES

Operating Leases

Effective January 1, 2013, the Company began leasing office space and equipment from a related party under a long-term operating lease that expires on December 31, 2023. On January 1 of each year during the term of the lease, the then current year's rent is adjusted by the change in the prior year of the Consumer Price Index ("CPI Adjustment").

Future minimum rental payments consisted of the following at December 31, 2013:

2014	\$	180,000
2015		180,000
2016		180,000

		<hr/>
	\$	<u>1,620,000</u>

**KERCHEVILLE AND COMPANY
NOTES TO FINANCIAL STATEMENTS**

NOTE 9. COMMITMENTS AND CONTINGENCIES – CONTINUED

Litigation

The Company is subject to various claims arising in the normal course of business. Management believes any such claims will not have a material adverse impact on the Company's financial position or results of operations.

Market Risks and Credit Risks

In the normal course of business, the activities of the Company and the clearing organization involve the execution, settlement and financing of various securities transactions. These activities may expose the Company to credit and market risks in the event the customer or counterparty is unable to fulfill its contractual obligations. Such risks may be increased by volatile trading markets.

The clearing organization, through which accounts are introduced, and the Company seek to control the risks associated with their customer activities by requiring customers to maintain margin collateral in compliance with various regulatory and internal guidelines. The Company is contingently liable for any customer account deficits with the clearing broker which are not otherwise satisfied.

The clearing broker and the Company monitor required margin levels daily, and pursuant to such guidelines, require customers to deposit additional collateral or to reduce positions where necessary.

As part of its normal brokerage activities, the Company sells securities not yet purchased (short sales) for its own account. The establishment of short positions exposes the Company to market risk in the event prices increase, as the Company may be obligated to acquire the securities at prevailing market prices.

The Company maintains its cash accounts primarily with one financial institution. At times, the amounts on deposit may be in excess of the FDIC insured limits.

NOTE 10. PROFIT SHARING PLAN

The Company participates in a profit sharing plan under Internal Revenue Code Section 401(k) for the benefit of its employees. Under the plan, employees may make contributions up to prescribed limits. The plan provides for Company discretionary matching contributions and profit sharing contributions. Participants vest ratably over five years in the Company's discretionary matching and profit sharing contributions. The Company made matching contributions to the participants' accounts of \$31,655 and \$32,535 during 2013 and 2012, respectively.

NOTES TO FINANCIAL STATEMENTS**

NOTE 11. EXEMPTION FROM RULE 15c3-3

The Company is exempt from reserve requirements and the related computations for the determination thereof under paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934, as the Company clears all customer transactions on a fully disclosed basis with a clearing broker-dealer and promptly transmits all customer funds and securities to such clearing broker-dealer.

During the year ended December 31, 2013, in the opinion of management, the Company has maintained compliance with the conditions for the exemption specified in paragraph (k)(2)(ii) of Rule 15c3-3.

NOTE 12. SUBORDINATED LIABILITIES

The Company had no subordinated liabilities during the years ended December 31, 2013 and 2012. Therefore, a statement of changes in liabilities subordinated to claims of general creditors has not been presented.

NOTE 13. SUBSEQUENT EVENTS

The Company has planned shareholder distributions of \$250,000 per quarter for the first six months of 2014. No distributions have been paid through February 25, 2014. The Company has evaluated subsequent events through February 25, 2014, the date the financial statements were available to be issued and has determined that no transactions occurred which warrant disclosure.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL
CONTROL REQUIRED BY SEC RULE 17a-5

To the Board of Directors
Kercheville and Company

In planning and performing our audit of the financial statements of Kercheville and Company (the Company), as of and for the year ended December 31, 2013 in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's previously mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

To the Board of Directors
Kercheville and Company

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Company's financial statements will not be prevented or detected and corrected on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above. However, we identified certain deficiencies in internal control that we consider to be significant deficiencies, and communicated them in writing to management and those charged with governance on February 25, 2014.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2013, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITOR'S REPORT ON APPLYING AGREED UPON PROCEDURES
RELATED TO THE SECURITIES INVESTOR PROTECTION CORPORATION GENERAL
ASSESSMENT RECONCILIATION

To the Board of Directors
Kercheville and Company
San Antonio, TX 78249

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments [General Assessment Reconciliation (Form SIPC-7)] to the Securities Investor Protection Corporation (SIPC) for the year ended December 31, 2013, which were agreed to by Kercheville and Company (the Company) and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC, solely to assist you and the other specified parties in evaluating the Company's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). The Company's management is responsible for the Company's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries noting no differences.
2. Compared the amounts reported on the audited Form X-17A-5 for the year ended December 31, 2013, as applicable, with the amounts reported in Form SIPC-7 for the year ended December 31, 2013 without exception.
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers, which included the support for commission revenue from the sale of mutual funds, transactions charges from Pershing, LLC, and net gain on investment accounts, noting no differences.
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments noting no differences;
5. Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed noting no differences.

To the Board of Directors
Kercheville and Company

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
