INDEPENDENT AUDITORS' REPORT

To AGM Securities LLC

We have audited the accompanying statement of financial condition of AGM Securities LLC (the "Company") as of December 31, 2013 that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of the statement of financial condition in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the statement of financial condition that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the statement of financial condition based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the statement of financial condition. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the statement of financial condition, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the statement of financial condition in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the statement of financial condition.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial position of AGM Securities LLC as of December 31, 2013, in conformity with accounting principles generally accepted in the United States of America.

AGM SECURITIES LLC
NOTES TO FINANCIAL STATEMENT
DECEMBER 31, 2013

1. Nature of business and summary of significant accounting policies

Nature of Business

AGM Securities LLC (the "Company"), a wholly-owned Subsidiary of AGM Holdings LLC (the "Parent"), is a broker-dealer registered with the Securities and Exchange Commission ("SEC") pursuant to section 15(b) of the Securities Exchange Act of 1934. The Company is also a member of the Financial Industry Regulatory Authority ("FINRA"). The Company's operations consist primarily of private placement of securities and corporate finance advisory services.

Basis of Presentation

The financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America ("GAAP") which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

Investment Banking

Investment banking revenues include fees earned from providing merger and acquisition and financial restructuring advisory services. Investment banking revenues also include gains, losses, and fees, net of syndicate expenses, arising from securities offerings in which the Company acts as an underwriter or agent. Investment banking management fees and related expenses are recorded at the time the underwriting is completed and the income is reasonably determinable. The Company had no revenues in 2013.

Income Taxes

The Company is a single member limited liability company for federal, state, and local income tax purposes. As such, it is a disregarded entity for tax purposes and does not pay any taxes. The Company does not reflect any taxes in its financial statements. The Company's income or loss is taken into consideration in the tax returns of its Parent's owner.

At December 31, 2013, management has determined that the Company had no uncertain tax positions that would require financial statement recognition. This determination will always be subject to ongoing reevaluation as facts and circumstances may require. The Company remains subject to U.S. federal, state and local income tax audits for all periods subsequent to 2009.

2. Net capital requirement

The Company, as a member of FINRA, is subject to the Securities and Exchange Commission Uniform Net Capital Rule 15c3-1. This Rule requires the maintenance of minimum net capital and that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 and that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. At December 31, 2013, the Company's net capital was approximately \$150,000, which was approximately \$50,000 in excess of its minimum requirement of \$100,000.

3. Exemption from Rule 15c3-3

The Company is exempt from the SEC Rule 15c3-3 pursuant to the exemptive provisions of sub-paragraph (k)(2)(i) and, therefore, is not required to maintain a "Special Reserve Bank Account for the Exclusive Benefit of Customers".

**AGM SECURITIES LLC
NOTES TO FINANCIAL STATEMENT

4. Related party transactions

Pursuant to an administrative service agreement (the "Agreement") between the Company and the Parent, the Company pays a monthly administrative fee for utilizing certain resources of the Parent. The Company was charged \$120,000 for the year ended December 31, 2013 under the Agreement. As of December 31, 2013, \$61,783 of these expenses remain payable to the Parent. In 2013 the Parent has contributed \$145,000 to the Company in the form of forgiveness of debt for the said administrative fees.

5. Concentrations of credit risk

The Company maintains its cash balance in one financial institution. The Company does not consider itself to be at risk with respect to its cash.

6. Recent regulatory developments

In July 2013, the U.S. Securities and Exchange Commission ("SEC") adopted amendments to its broker-dealer reporting rules, which will now require, among other things, that audits of all SEC-registered broker-dealers be conducted under Public Company Accounting Oversight Board ("PCAOB") standards for fiscal years ending on or after June 1, 2014, effectively replacing the American Institute of Certified Public Accountants with the PCAOB as the auditing standard-setter for auditors of broker-dealers, and replacing Generally Accepted Auditing Standards with PCAOB standards for broker-dealers that are subject to audit. Broker-dealers will be required to file either compliance reports or exemption reports, as applicable, and file reports of independent public accountants covering compliance reports or exemption reports (prepared in accordance with the PCAOB standards). Additionally, effective December 31, 2013, if a broker-dealer is a SIPC member firm, broker-dealer audited financial statements will also be required to be submitted to SIPC, and broker-dealers will be required to file a new quarterly Form Custody.

In addition, SEC adopted amendments to various financial responsibility rules. For a broker-dealer such as the Company, these amendments were mostly technical in nature and effectively ratified various interpretive and no-action positions taken by SEC staff over many years or which conformed to existing practices or self-regulatory organization rules.

Management has evaluated the implications of the amendments to the broker-dealer reports and the financial responsibility rules and does not expect that the adoption of the amendments will have a material impact on the Company or its financial statements.

7. Subsequent events

The company has evaluated subsequent events through the date the statements were available for issuance and determined that there were no further items to report or disclose.
