INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
and Stockholders of
The Bond House, Inc.

We have audited the accompanying statement of financial condition of **The Bond House, Inc.** as of December 31, 2013, and the related statements of income, changes in stockholders' equity, and cash flows for the year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatements, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of **The Bond House, Inc.** as of December 31, 2013, and the results of its operations and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Other Matter

Our audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedules I, II, and III is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplemental information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the examination of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2013

NOTE 1 SIGNIFICANT ACCOUNTING POLICIES

A. *Nature of the Business*

The Company was incorporated in February 1986 and started business in May 1986. The Company operates as a fully disclosed broker/dealer in the Kansas City, Missouri area. All customer accounts and securities are carried by a clearingbroker. Originally the Company operated under the name of First Guarantor Securities, Inc. During 2007 the name was changed to First Parkville Securities, Inc. and then during 2008 the name was changed to The Bond House, Inc..

B. *Management Estimates*

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at December 31, 2013 and revenues and expenses during the year then ended. The actual outcome of the estimates could differ from the estimates made in the preparation of the financial statements.

B. *Statement of Cash Flows*

Cash and Cash Equivalents - For purposes of the statement of cash flows, the Company considers all highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents. For the year ended December 31, 2013, the company did not have any cash equivalents.

Cash Paid – Interest and Taxes – The amount of cash paid for interest and taxes for the year ended December 31, 2013 are as follows:

Interest	\$	--
Income taxes	\$	--

C. *Depreciable Assets*

Depreciable assets and leasehold improvements have been recorded at cost and depreciated/amortized over the estimated useful lives of the respective assets.

Maintenance and repairs are charged to operations when incurred. Betterments and renewals are capitalized.

Depreciation and amortization for the year ended December 31, 2013 was \$330.

See independent auditor's report

THE BOND HOUSE, INC.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2013

NOTE 2 NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commissions Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital or a ratio of aggregate indebtedness to net capital, both as defined, of less than 15 to 1. At December 31, 2013, the Company had aggregate indebtedness of \$379 and net capital of \$7,939, which resulted in a ratio of .0477 to 1 and a ratio requirement of less than its minimum requirement of \$5,000. Therefore, at December 31, 2013, based on its minimum requirement, the Company had excess net capital of \$2,939.

NOTE 3 RELATED PARTY

The sole shareholder of the Company owns controlling interest in another broker-dealer, Valdés & Moreno, Inc. Their total revenues for 2013 were \$859,002 with total assets of \$299,266 and net equity of \$209,459 at December 31, 2013.

NOTE 4 SUBSEQUENT EVENTS

Management has evaluated subsequent events through February 14, 2014, the date when the financial statements were available to be issued. Nothing was noted that would require further disclosure in the financial statements.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL ACCOUNTING CONTROL REQUIRED BY SEC RULE 17a-5

To the Board of Directors
and Shareholders of
The Bond House, Inc.

In planning and performing our audit of the financial statements of **The Bond House, Inc.** for the year ended December 31, 2013 in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing an opinion on the financial statements, and not to provide assurance on the internal control structure.

Also, as required by rule 17a-5(g)(1) of the Securities Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by rule 17a-13.
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining a system of internal accounting control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control policies and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of an internal control structure and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in any internal control structure or the practices and procedures referred to above, errors or irregularities may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *control deficiency* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *significant deficiency* is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control.

A *material weakness* is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we considered to be material weakness, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the Commission to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2013 to meet the SEC's objectives.

This report is intended solely for the use of management, the Securities and Exchange Commission, and other regulatory agencies, which rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
