INDEPENDENT AUDITOR'S REPORT

To the Members
Tangent Capital Partners
New York, New York

We have audited the accompanying financial statements of Tangent Capital Partners, (the Company), which comprise the statement of financial condition as of December 31, 2013, and the related statements of operations, changes in stockholders' equity, and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Tangent Capital Partners as of December 31, 2013, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States.

Other Matter

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information contained in Schedule I is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information in Schedule I has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States. In our opinion, the information in Schedule I is fairly stated in all material respects in relation to the financial statements as whole.

TANGENT CAPITAL PARTNERS, LLC

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2013

1. ORGANIZATION AND NATURE OF BUSINESS

Tangent Capital Partners LLC (the Company) is organized to be active in various aspects of the securities industry and is registered to be a broker-dealer with the Financial Industry Regulatory Authority (FINRA) and the Securities and Exchange Commission (SEC). The Company's registration was approved in September 2008. The Company is a non-clearing broker and does not handle any customer funds or securities. There were no liabilities subordinated to claims of general creditors during the year ended December 31, 2013.

The Company primarily receives revenue from consulting fees. All of its revenue is derived from a limited number of clients.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Accounting Standards Codification

The Financial Accounting Standards Board ("FASB") has issued FASB Statement No. 168, The FASB Accounting Standards Codification and the Hierarchy of Generally Accepted Accounting Principles, effective for periods ending after September 15, 2009. This Statement establishes the FASB Accounting Standards Codification ("ASC") as the single source of authoritative United States generally accepted accounting and reporting standards for nongovernmental entities, in addition to guidance issued by the SEC and these financial statements are referenced accordingly.

Credit Risk

Financial instruments that potentially subject the company to credit risk consist primarily of accounts receivable.

Income Taxes

The Company is organized as a limited liability company and is recognized as a partnership for income tax purposes. No provision has been made for federal and state income taxes, since these taxes are the personal responsibility of the members.

In accordance with ASC 740, Income Taxes, the Company is required to disclose unrecognized tax benefits resulting from uncertain tax positions. At December 31, 2013, the Company did not have any unrecognized tax benefits or liabilities. The Company operates in the United States and in state and local jurisdictions, and the previous three years remain subject to examination by tax

TANGENT CAPITAL PARTNERS, LLC

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2013

authorities. There are presently no ongoing income tax examinations

Revenue Recognition

Consulting fees and interest income are recorded when earned on the accrual basis of accounting.

Accounts Receivable

Accounts receivable are based on amounts billed to customers. The Company provides an allowance for doubtful collections which is based upon a review of outstanding receivables, historical collection information, and existing economic conditions. Delinquent receivables are written off based on individual credit evaluation and specific circumstances of the customers. There was an allowance for doubtful accounts of approximately \$51,000 at December 31, 2013.

Use of Estimates in the Preparation of Financial Statements

Management uses estimates and assumptions in preparing financial statements in accordance with accounting principles generally accepted in the United States. These estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenue and expenses. Actual results could vary from the estimates that management uses.

Fair Value Measurement

FASB ASC 820 defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy which prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market, income or cost approach, as specified by FASB ASC 820, are used to measure fair value.

The Company did not have any assets or liabilities subject to fair value measurement at December 31, 2013.

TANGENT CAPITAL PARTNERS, LLC

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2013

3. COMPUTATION FOR DETERMINATION OF RESERVE REQUIREMENTS FOR BROKERS AND DEALERS PURSUANT TO RULE 15c3-3

The Company is exempt from the provisions of Rule 15c3-3 under the Securities Exchange Act of 1934, in that the Company's activities are limited to those set forth in the conditions for exemption appearing in paragraph (k) (2) (i) of the Rule.

4. COMMITMENTS, CONTINGENCIES AND RELATED PARTY TRANSACTIONS

Legal Proceedings

In October 2013, a former consultant filed a Statement of Claim against the Company alleging that he is owed commission on a deal that closed after the consultant's departure from the Company. The Company submitted its Statement of Answer and Counterclaims, denying all of the allegations in the Consultant's Statement of Claim and counterclaiming that the Consultant (i) breached his Registered Representative Agreement with the Company, (ii) defamed and slandered the Company, and (iii) tortuously interfered with the prospective economic advantage of the Company. On December 31, 2013, the Consultant submitted his response to the Company's Counterclaims, denying all liability in connection therewith.

In the Company's opinion, there will be no financial material impact to the Company upon the ultimate resolution of the matter.

Related Party Transactions

The Company entered into an expense sharing agreement with Tangent Capital, LLC, an entity related through common ownership. The Company reimbursed this entity for various expenses of approximately \$39,000 in 2013.

The Company occupies office space under a lease which commenced in March 2013 and expires in August 2015. During the year ended December 31, 2013, the Company had agreements with subtenants including a related entity and received rent of approximately \$367,328 during the year. In 2014, an agreement was entered into with Tangent Capital, LLC, retroactive to the beginning of the lease, in which Tangent Capital, LLC manages the office space including sub-subtenants. Under this agreement the Company pays rent to Tangent Capital, LLC on a month to month basis. Total rent expense for the Company amounted to \$181,558 for the year ended December 31, 2013. The future minimum lease commitments are \$794,000 in 2014 and \$529,000 in 2015.

TANGENT CAPITAL PARTNERS, LLC

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2013

5. NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 8 to 1 in the first year, and shall not exceed 15 to 1 in subsequent years (and that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1). At December 31, 2013, the Company had net capital of \$100,104 which was \$95,104 in excess of its required net capital of \$5,000. The Company had a percentage of aggregate indebtedness to net capital of 48% as of December 31, 2013.

6. SUBSEQUENT EVENTS

The Company has evaluated transactions that have occurred after December 31, 2013 that would require recognition or disclosure in the financial statements.

Lilling & Company LLP

Certified Public Accountants

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL REQUIRED BY SEC RULE 17a-5(g)(1) FOR A BROKER- DEALER CLAIMING AN EXEMPTION FROM SEC RULE 15c3-3

To the Members
Tangent Capital Partners LLC
New York, New York

In planning and performing our audit of the financial statements of Tangent Capital Partners LLC (the Company), as of and for the year ended December 31, 2013 in accordance with auditing standards generally accepted in the United States, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's previously mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial

statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Company's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. However, we identified certain deficiencies in internal control that we consider to be significant deficiencies, and communicated them in writing to management and those charged with governance on March 3, 2014.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2013, to meet the SEC's objectives.

This report is intended solely for the information and use of the Members, management, the SEC, FINRA, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITOR'S REPORT ON APPLYING AGREED-UPON PROCEDURES RELATED TO AN ENTITY'S SIPC ASSESSMENT RECONCILIATION

To the Members
Tangent Capital Partners LLC
New York, New York

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments [General Assessment Reconciliation (Form SIPC-7)] to the Securities Investor Protection Corporation (SIPC) for the year ended December 31, 2013, which were agreed to by Tangent Capital Partners LLC and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., SIPC and other designated examining authority, solely to assist you and the other specified parties in evaluating Tangent Capital Partners LLC's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). Tangent Capital Partners LLC's management is responsible for Tangent Capital Partners LLC's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries, noting no differences;
2. Compared the amounts reported on the audited Form X-17A-5 for the year ended December 31, 2013, as applicable, with the amounts reported in Form SIPC-7 for the year ended December 31, 2013, noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers, noting no differences;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments, noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.

A handwritten signature in cursive script that reads "Silling & Company". The signature is written in black ink and is positioned above the printed text.
