To The Members of
Liati Capital, LLC

INDEPENDENT AUDITOR'S REPORT

I have audited the accompanying statement of financial condition of Liati Capital, LLC as of December 31, 2013 and the related statements of income, changes in members' capital and cash flows for the year then ended. These financial statements are the responsibility of the Company's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Liati Capital, LLC as of December 31, 2013, and the results of its operations and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

The Company derives its revenues from advisory and other consulting fees in connection with the private placement of limited partnership interests in general partnerships.

2. THE COMPANY

The Company was formed in New York in February, 1998. The Company provides financial advisory and consulting services primarily related to the private placement of limited partnership interests in general partnerships. Registration as a broker-dealer under the Securities Exchange Act of 1934 was effective January 2001. The Company is a limited liability company

The company operates under an expense sharing agreement with Liat Group, LLC, A New York Limited Liability Company. The expense sharing provides for Liat Group, LLC to pay all of the operating expenses of the Company, except for certain directly related expenses. As outlined in the expense sharing agreement, such payments are considered as capital contributions by the Liat Group, LLC. Due to changes in agreement, Liat Group, LLC owns 100% equity in the company.

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

3. NET CAPITAL REQUIREMENT

The Company is subject to Rule 15c3-1 of the Securities & Exchange Act of 1934 which requires that the ratio of aggregated indebtedness to net capital, as defined, shall not exceed 15 to 1. At December 31, 2013 the Company's net capital and aggregate indebtedness, as defined, were \$7,005 and \$1,550 respectively. The net capital ratio was 22.13% compared to a maximum allowable percentage of 1500%. Net capital exceeded requirement by \$2,005.

4. The Company does not incur income taxes, instead, its earnings are included in the partners' income tax returns and taxed depending on their tax situations. The financial statements, therefore, do not include a provision for income taxes. Effective January 1, 2009, the Company adopted the provisions of FASB Interpretation No 48 ("FIN 48"), "Accounting for Uncertainties in Income Taxes-an interpretation of FASB Statement No. 109", now incorporated in ASC 740, which provide standards for establishing and classifying any tax provisions for uncertain tax positions. The adoption of FIN 48 did not have an effect on the Company's financial position as of December 31, 2013 or the Company's results of operations and cash flows for the year ended December 31, 2013. The Company is not subject to federal or state and local income tax.
