INDEPENDENT AUDITORS' REPORT

To the Stockholders' of
Traderfield Securities Inc

Report on the Financial Statements

We have audited the accompanying financial statements of Traderfield Securities Inc., (the Company) which comprise the statement of financial condition as of December 31, 2013, and the related statements of income, stockholders' equity, changes in liabilities subordinated to claims of general creditors, and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

Registered with the Public Company Accounting Oversight Board
Member of the American Institute of Certified Public Accountants

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Traderfield Securities Inc. as of December 31, 2013, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The information contained on page 10 is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information on page 10 has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information on page 10 is fairly stated in all material respects in relation to the financial statements as a whole.

TRADERFIELD SECURITIES INC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2013

1. ORGANIZATION AND NATURE OF BUSINESS

Traderfield Securities Inc (the "Company") is a New York corporation organized on June 6, 1987. The Company is registered as a broker-dealer in securities transactions under the Securities Exchange Act of 1934. The Company is registered with the Securities and Exchange Commission (SEC), is a member of the Financial Industry Regulatory Authority (FINRA) and the Securities Investor Protection Corp. (SIPC). The Company has adopted December 31 as its year end

The Company is engaged in a single line of business as a securities broker-dealer, which comprises several classes of services, including aging and riskless principal transactions.

The Company clears all of its transactions through security clearing brokers. The Company acts as a broker-dealer and is exempt from Securities and Exchange Commission Rule 15c3-3 under paragraph k(2)(ii) since it uses other security firms for clearing.

2. SIGNIFICANT ACCOUNTING POLICIES

Revenues

The Company's financial statements are prepared using the accrual method of accounting.

The Company earns its revenues from commissions for agency transactions and for risk-less principal transactions; income is earned from mark-ups and mark downs. The transactions are recorded on a trade date basis, which is not materially different than recording transactions on a settlement date basis.

Receivable from Clearing Broker

Receivable from clearing broker consists of money due from the Company's clearing firm, Apex Clearing Corporation and COR Clearing LLC for income earned on securities transactions. Management has determined that no allowance for doubtful accounts is necessary at December 31, 2013.

Use of Estimates

The financial statements are presented in accordance with generally accepted accounting principles and prevailing industry practices, both of which require management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at December 31, 2013, as well as the reported amounts of revenues and expenses during the year then ended. Estimates, by their nature, are based on judgment and available information. Management believes that the estimates utilized in the preparation of the financial statements are prudent and reasonable. Actual results could differ from those estimates.

**TRADERFIELD SECURITIES INC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2013**

3. NET CAPITAL REQUIREMENTS

The Company is a member of the FINRA and subject to the Securities and Exchange Commission's Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital of \$50,000 and requires that the ratio of aggregate indebtedness to net capital, both as defined shall not exceed 15 to 1. At December 31, 2013 the Company had net capital of \$181,533 which was \$131,533 in excess of the amount required.

4. RENT

On September 20, 2012, the Company renewed its lease at 109 Lafayette Street, Room 503, in New York City for a three-year period with annual rents as follows: First year - \$20,000, second year - \$45,000, and third year - \$45,000. All rents are payable monthly. The lease term provides that the tenant can terminate the lease upon 60-days written notice.

5. INCOME TAXES

The Company has elected to be taxed under the provisions of Subchapter S of the Internal Revenue Code. Under those provisions, the Company does not pay federal income taxes on its corporate income. Instead, the stockholder is liable for individual federal income taxes on his share of the Company's income, deductions, losses and credits.

6. CONTINGENCIES

In the normal course of business, the Company is engaged in various trading and brokerage activities on a principal and agency basis through a clearing broker.

In connection with these activities, a customer's unsettled transactions may expose the Company to off-balance-sheet risk in the event the customer is unable to fulfill its contractual obligations.

Significant credit exposure may result in the event that the Company's clearing broker is unable to fulfill their contractual obligation.

**TRADERFIELD SECURITIES INC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2013**

7. SUBSEQUENT EVENTS

The Company has evaluated subsequent events through January 24, 2014, the date on which these financial statements were available to be issued. The Company did not identify any material subsequent events requiring adjustment to or disclosure in its financial statements.

**Independent Accountants Agreed-Upon Procedures Report on
Schedule of Assessments and Payments (Form SIPC-7)**

To the Stockholders' of
Traderfield Securities Inc

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments [Transitional Assessment Reconciliation (Form SIPC-7)] to the Securities Investor Protection Corporation (SIPC) for the year ended December 31, 2013, which were agreed to by Traderfield Securities Inc. and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC solely to assist you and the other specified parties in evaluating Traderfield Securities Inc.'s compliance with the applicable instructions of the Transitional Assessment Reconciliation (Form SIPC-7). Traderfield Securities Inc.'s management is responsible for the Traderfield Securities Inc.'s compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries noting no differences;
2. Compared the amounts reported on the audited Form X-17A-5 for the year ended December 31, 2013 as applicable, with the amounts reported in Form SIPC-7 for the year ended December 31, 2013, noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers noting no differences;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments noting no differences; and

**Registered with the Public Company Accounting Oversight Board
Member of the American Institute of Certified Public Accountants**

5. Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL REQUIRED BY SEC RULE 17a-5 (g) (1)

To the Shareholders and Board of Directors of
Traderfield Securities Inc

In planning and performing our audit of the financial statements of Traderfield Securities Inc. (the Company), as of and for the year ended December 31, 2013, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13.
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's previously mentioned objectives. Two of the objectives of internal control and

Registered with the Public Company Accounting Oversight Board
Member of the American Institute of Certified Public Accountants

the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the company's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined previously.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2013, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, the Financial Industry Regulatory Authority, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
