ACN SECURITIES INC.
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2013

Note 1 - Nature of Business

ACN Securities Inc. (The "Company") operates as a registered broker/dealer in securities under the provisions of the Securities Exchange Act of 1934. The Company is a member of the Financial Industry Regulatory Authority ("FINRA") and the Securities Investor Protection Corporation ("SIPC").

The Company is engaged to provide private placement of securities, mergers, acquisitions, and other financial advisory services. The Company does not carry security accounts for customers and does not perform custodial functions relating to customer securities.

Under its membership agreement with FINRA, and, pursuant to Rule 15c3-3(k)(2)(i), the Company conducts business on a fully disclosed basis and does not execute or clear securities transactions for customers. Accordingly, the Company is exempt from the requirement of Rule 15c3-3, under the Securities Exchange Act of 1934, pertaining to the possession or control of customer assets and reserve requirements.

Note 2 - Going Concern

The accompanying statements have been prepared assuming the Company will continue as a going concern. The Company had no revenues in 2013 and a loss from operations of \$12,581 and a net capital deficiency of \$878. This raises substantial doubt about the Company's ability to continue as a going concern. The accompanying financial statements do not include any adjustments that might result from the outcome of this uncertainty.

Stockholders have committed additional financial support to the Company to enable it to continue as a going concern, which would include the maintenance of required levels of capital.

Note 3 - Summary of Significant Accounting Policies

a) Revenue Recognition

The Company receives fees in accordance with terms stipulated in its engagement contracts. Fees are recognized as earned. The Company also receives success fees when transactions are completed. Success fees are recognized when earned, the Company has no further continuing obligations, and collection is reasonably assured.

b) Income Taxes

The amount of current and deferred taxes payable or refundable is recognized as of the date of the financial statements, utilizing currently enacted tax laws and rates. Deferred tax expenses or benefits are recognized in the financial statements for the changes in deferred tax liabilities or assets between years.

ACN SECURITIES INC.
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2013

Note 3 - Summary of Significant Accounting Policies

c) Cash and Cash Equivalents

The Company considers demand deposited money market funds to be cash equivalents. The Company maintains cash in bank accounts which, at times, may exceed federally insured limits or where no insurance is provided. The Company has not experienced any losses in such accounts and does not believe it is exposed to any significant credit risk on cash and cash equivalents.

d) Use of Estimates

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, and the reported amounts of revenues and expenses.

Note 4 - Income Taxes

The Company has available at December 31, 2013 unused operating loss carry-forwards of approximately \$170,000, which may be applied against future taxable income, resulting in a deferred tax asset of approximately \$25,500 that expires from 2021-2028. A 100% valuation allowance has been established against this asset since management cannot determine if it is more likely than not that the asset will be realized.

Note 5- Commitments

Office Space

The Company leases office space on a month- to- month basis.

Note 6- Net Capital Requirement

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1) which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 1500%. At DECEMBER 31, 2013, the Company had net capital of \$4,122, which was \$878 deficient of its required net capital of \$5,000. The Company's net capital ratio was 61.98%.

A copy of the Firm's Statement of Financial Condition as of DECEMBER 31, 2013, pursuant to SEC Rule 17a-5, is available for examination at the Firm's office and at the regional office of the SEC.

INDEPENDENT AUDITORS' REPORT

To the Stockholders of
ACN Securities, Inc.
100 Park Avenue – Suite 1600
New York, NY 10017

Report on the Financial Statements

We have audited the accompanying statement of financial condition of ACN Securities, Inc., (the Company) as of December 31, 2013.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the statement of financial condition in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the statement of financial condition that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the statement of financial condition based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the statement of financial condition. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the statement of financial condition, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the statement of financial condition in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the statement of financial condition.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

The accompanying financial statements have been prepared assuming that the Company will continue as a going concern. As discussed in Note 2 to the financial statements, the Company had no revenues in 2013, a loss from operations of \$12,581 and a net capital deficiency of \$861. Management has pledged any additional financial support to the Company to enable it to continue as a going concern during this time. The Financial statements do not include any adjustments that might result from the outcome of this uncertainty.

Opinion

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial position of ACN Securities, Inc., as of December 31, 2013 in accordance with accounting principles generally accepted in the United States of America.
