REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Stockholders'
Univest Securities, Inc.

I have audited the accompanying financial statements of Univest Securities, Inc. (a New York Corporation) which comprise the statement of financial condition as of December 31, 2014, and the related statements of operations, changes in liabilities subordinated to claims of creditors, changes in stockholders' equity and cash flows for the year then ended, that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934 and the related notes to the financial statements and supplemental information. Univest Securities, Inc.'s management is responsible for these financial statements. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The company is not required to have, nor was I engaged to perform, an audit of its internal control over financial reporting. My audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control over financial reporting. Accordingly, I express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of Univest Securities, Inc. as of December 31, 2014, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The Schedule I Computation of Net Capital under Rule 15c3-1, Schedule II Computation for Determination of Reserve Requirements under Rule 15c3-3 (Exemption), Schedule III Information for Possession or Control Requirements under Rule 15c3-3 (Exemption), and Schedule of Aggregate Indebtedness has been subjected to audit procedures performed in conjunction with the audit of Univest Securities, Inc.'s financial statements. The supplemental information is the responsibility of Univest Securities, Inc.'s management. My audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming my opinion on the supplemental information, I evaluated whether the supplemental information, including its form and content, is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934. In my opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

UNIVEST SECURITIES, INC.

Notes to Financial Statements

Year Ended December 31, 2014

1 Organization and Nature of Business

Univest Securities, Inc. (the Company) was organized in the State of New York in November, 1993. The Company is an introducing broker-dealer and does not hold or maintain customer funds or securities or provide clearing services for other broker-dealer(s). The Company is registered with the SEC and is a member of the Financial Industry Regulatory Authority ("FINRA") and the Securities Investor Protection Corporation ("SIPC").

2 Significant Accounting Policies

(a) Basis of Presentation

The financial statements and accompanying notes are prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") unless otherwise disclosed.

(b) Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

(c) Statement of Cash Flows

For purposes of the statement of cash flows the Company has defined cash equivalents as highly liquid investments, with original maturities of less than three months, that are not held for sale in the ordinary course of business. The company has adopted the indirect method of presenting the statement of cash flows in accordance with current authoritative pronouncements.

(d) Accounts Receivable

The Company establishes an allowance for uncollectible trade accounts receivable based on managements evaluation of the collectibility of outstanding accounts receivable. Management has evaluated accounts receivable at December 31, 2014 and believes they are all collectible. Accounts receivable are not collateralized.

UNIVEST SECURITIES, INC.

Notes to Financial Statements

Year Ended December 31, 2014

(e) Depreciation

Depreciation is provided on a straight-line basis using estimated useful lives of six years for equipment and thirty years for property.

Property and equipment is recorded at cost. Maintenance, repairs and renewals that neither materially add to the value of the property nor appreciably prolong its life are charged to expense as incurred. Gains and losses on disposition of property and equipment are included in income.

(f) Revenue Recognition

The Company earns commissions from executing and clearing customer transactions in stock and options markets. Commissions and related clearing expenses are recorded on a trade-date basis as securities transactions occur.

(g) Income Taxes

The Company, with the consent of its shareholders, has elected under the Internal Revenue Code to be treated as an S Corporation. In lieu of corporation income taxes, the shareholders of an S Corporation are taxed on their proportionate share of the Company's taxable income. Therefore, no provision or liability for federal income taxes has been included in the financial statements. The Company's tax returns and the amount of income or loss allocable to each shareholder are subject to examination by federal and state taxing authorities. In the event of an examination of the Company's tax return, the tax liability of the shareholders could be changed if an adjustment in the Company's income or loss is ultimately determined by the taxing authorities.

Certain transactions of the Company's may be subject to accounting methods for federal and state income tax purposes which differ significantly from the accounting methods used in preparing the financial statements. Accordingly, the net income or loss of the Company and the resulting balances in the shareholders' capital accounts reported for federal and state income tax purposes may differ from the balances reported for those same items in these financial statements.

The Company recognizes and measures its unrecognized tax benefits in accordance with ASC Topic 740, Income Taxes. Under that guidance the Company assesses the likelihood, based on their technical merit, that tax positions will be sustained upon examination based on the facts, circumstances and information available at the end of the financial reporting period. The measurement of unrecognized tax benefits is adjusted when new information is available, or when an event occurs that requires a change.

Management has determined that there are no uncertain tax positions which require adjustment or disclosure on the financial statements at December 31, 2014 and there are no open tax years prior to 2011. In addition, no income tax related penalties or interest have been recorded for the year ended December 31, 2014.

(h) Advertising and Marketing

Advertising and marketing costs of \$355 are expensed as incurred.

UNIVEST SECURITIES, INC.
Notes to Financial Statements
Year Ended December 31, 2014

(i) General and Administrative Expenses

General and administrative costs are expensed as incurred.

(j) Subsequent Events

The Company has evaluated subsequent events occurring after the statement of financial condition date through the date of March 16, 2015 which is the date the financial statements were available to be issued. Based on this evaluation, the Company has determined that no subsequent events have occurred which require disclosure in or adjustment to the financial statements.

(k) Fair Value Hierarchy

FASB ASC 820 defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy which prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market, income or cost approach, as specified by FASB ASC 820, are used to measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

Level 1. Quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company has the ability to access at the measurement date.

Level 2. Inputs other than quoted prices included in level 1 that are observable for the assets or liability either directly or indirectly.

Level 3. Inputs are unobservable for the assets or liability.

The availability of observable inputs can vary from security to security and is affected by a wide variety of factors, including, for example, the type of security, the liquidity of markets, and other characteristics particular to the security. To the extent the valuation is based on models or inputs that are less observable or unobservable in the market, the determination of fair value requires more judgment. Accordingly, the degree of judgment exercised in determining the fair value is greatest for instruments categorized in level 3.

The inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the level in the fair value hierarchy within which the fair value measurement falls in its entirety is determined based on the lowest level input that is significant to the fair value measurement in its entirety.

For further discussion of fair value, see “Note 6 Fair Value of Financial Instruments”

UNIVEST SECURITIES, INC.

Notes to Financial Statements

Year Ended December 31, 2014

3 Net Capital Requirements

The Company is subject to the SEC Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 (and the rule of the "applicable" exchange also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1). At December 31, 2014, the Company had net capital of \$670,614 which was \$570,614 in excess of its required minimum net capital of \$100,000. The Company's net capital ratio was 0.795 to 1.

4 Leases

During the year the Company conducted some of its operations from facilities that were leased under a month to month operating lease agreement. The lease can be terminated by either party with 30 days notice.

Rental expense under this lease for the year ended December 31, 2014 was \$3,600.

5 Credit Risk and Concentrations

The Company maintains its operating cash in a bank deposit account with one major financial institution in amounts which, at times, may exceed federally insured limits. The Federal Deposit Insurance Corporation insures the Company's bank account up to \$250,000. Cash and securities held at LEK Securities are insured by SIPC up to a maximum of \$500,000 of which \$250,00 may be cash. The Company has not experienced any losses on these accounts and believes it is not subject to any significant credit risk.

A significant amount of the Company's revenues are derived from commissions on securities transactions.

6 Fair Value of Financial Instruments

Cash and cash equivalents, accounts receivable, other assets, accounts payable and other current liabilities are reflected in the financial statements at carrying value which approximates fair value because of the short-term maturity of these instruments.

	<u>Level 1</u>
Assets	
Cash and cash equivalents	\$ 521,717
Commission receivable	<u>16,118</u>
	<u>\$ 537,835</u>
Liabilities	
Accounts payable and accrued expenses	<u>\$ (60,100)</u>

UNIVEST SECURITIES, INC.
Notes to Financial Statements
Year Ended December 31, 2014

7 Commitments and Contingencies

Pursuant to Securities and Exchange Commission Rule 15c3-1(e)(2) the Company may not authorize distributions to its members if such distributions cause the Company's net capital to fall below 120% of the Company's minimum net capital requirement. As of December 31, 2014 the Company was not in violation of this requirement.

The Company had no lease or equipment rental commitments (except as disclosed in Note 4 above), no underwriting commitments, no contingent liabilities, and had not been named as a defendant in any lawsuit at December 31, 2014 or during the year then ended.

8 Financial Instruments

Investments are presented in the financial statements at fair value and are considered a *Level 1* input due to the fact that there are quoted prices for identical items in an active, visible and liquid market that the Company has the ability to access at the measurement date (see Note 2 above). The Company uses actual cost paid to determine the cost basis of shares of equity securities and options held.

9 Off-Balance-Sheet Risk

Pursuant to a clearance agreement, the Company introduces all of its securities transactions to its clearing organization on a fully disclosed basis. Therefore, all customer money balances and long and short positions are carried on the books of the clearing broker. Under certain conditions, as defined in the clearance agreement, the Company has agreed to indemnify the clearing organization for losses, if any, which the clearing organization may sustain from carrying securities transactions introduced by the Company. In accordance with industry practice and regulatory requirements, the Company and the clearing organization monitor collateral on the securities transactions introduced by the Company. In addition, the receivable from the clearing organization is pursuant to this clearing agreement and includes a clearing deposit required by the clearing broker.

In the normal course of business, the Company's customer activities involve the execution, settlement, and financing of various customer securities transactions. These activities may expose the Company to off-balance-sheet risk in the event the customer or other broker is unable to fulfill its contracted obligations and the Company has to purchase or sell the financial instrument underlying the contract at a loss.

10 Anti-Money Laundering Policies and Procedures

The Company is required to implement policies and procedures relating to anti-money laundering, compliance, suspicious activities, and currency transaction reporting and due diligence on customers who open accounts with the Company. At December 31, 2014 the Company had implemented such policies and procedures.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To: The Stockholders
Univest Securities, Inc.

I have reviewed management's statements, included in the accompanying Schedule I Computation of Net Capital under Rule 15c3-1, Schedule II Computation for Determination of Reserve Requirements under Rule 15c3-3 (Exemption), in which (1) Univest Securities, Inc. identified the following provisions of 17 C.F.R. §15c3-3(k) under which Univest Securities, Inc. claimed an exemption from 17 C.F.R. §240.15c3-3: under—(k)(2)(ii), (the "exemption provisions") and (2) Univest Securities, Inc. stated that Univest Securities, Inc. met the identified exemption provisions throughout the most recent fiscal year without exception and Schedule III Information for Possession or Control Requirements under Rule 15c3-3 (Exemption). Univest Securities, Inc.'s management is responsible for compliance with the exemption provisions and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Univest Securities, Inc.'s compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.

Schedule III

Pursuant to rule 15c 3-3 relating to possession or control requirements, Univest Securities, Inc. has not engaged in the clearing or trading of any securities and did not hold customer funds or securities during the year ended December 31, 2014 and therefore is claiming exemption to this schedule pursuant to paragraph (k)(2)(ii) of SEC Rule 15c3-3. The firm's minimum net capital requirement pursuant to paragraph (a)(2)(vi) of SEC Rule 15c3-1 will be \$5,000.

Univest Securities, Inc.

**Exemption Report pursuant to SEC Rule 17a-5
For the Year Ended December 31, 2014**

Fox Chase Capital Partners, LLC Exemption Report

Univest Securities, Inc. (the "Company") is a registered broker-dealer subject to Rule 17a-5 promulgated by the Securities and Exchange Commission (17 C.F.R. & 240.17a-5, "Reports to be made by certain broker dealers"). This Exemption Report was prepared as required by 17 C.F.R. & 240.17a-5(d) (1) and (4). To the best of its knowledge and belief for the year ended December 31, 2014, the Company states the following:

- The Company claimed an exemption from 17 C.F.R. & 240.15c3-3 under the following provision of 17 C.F.R. & 15c3-3(k)(2)(ii)
- Management is responsible for compliance with the exemption provision. The Company met the requirements of the identified exemption provision throughout the most recent fiscal year without exception.

Univest Securities, Inc.

I, Ying Cui, swear (or affirm) that, to my best knowledge and belief, this Exemption Report is true and correct.
