of MAFG RIA Services, Inc.

We have reviewed management's statements, including in the accompanying Exemption Report, in which (1) MAFG RIA Services, Inc. identified the following provisions of 17 C.F.R. §15c3-3(k) under which MAFG RIA Services, Inc. claimed an exemption from 17 C.F.R. §240.15c3-3: (1) (the "exemption provisions") and (2) MAFG RIA Services, Inc. stated that MAFG RIA Services, Inc. met the identified exemption provisions throughout the period from June 1, 2014 through December 31, 2014 without exception. MAFG RIA Services, Inc.'s management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about MAFG RIA Services, Inc.'s compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k) (1) of Rule 15c3-3 under the Securities Exchange Act of 1934.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, FINRA, other regulatory agencies that rely on Rule 17a-5 under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and other recipients specified by Rule 17a-5(d)(6) and is not intended to be and should not be used by anyone other than these specified parties.

Board of Directors:

We have audited the financial statements and supplemental information of MAFG RIA Services, Inc. for the year ended December 31, 2014, and have issued our report thereon dated February 26, 2015. Professional standards require that we provide you with the following information related to our audit.

Significant and Critical Accounting Policies and Practices

Management is responsible for the selection and use of appropriate accounting policies. In accordance with the terms of our engagement letter, we will advise management about the appropriateness of accounting policies and their application. The Company's significant accounting policies are disclosed in the notes to the financial statements as required by generally accepted accounting principles pursuant to Rule 17a-5 under the Securities and Exchange Act of 1934. No new accounting policies were adopted and the application of existing policies was not changed during the year ended December 31, 2014. We noted no transactions entered into by the Company during the year for which accounting policies are controversial or for which there is a lack of authoritative guidance or consensus or diversity in practice.

Critical accounting policies and practices are those that are both most important to the portrayal of the Company's financial condition and results and require management's most difficult, subjective, or complex judgments, often as a result of the need to make estimates about the effects of matters that are inherently uncertain. We believe there are no such critical accounting policies and practices that we are required to communicate.

### Critical Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Critical accounting estimates are estimates for which (1) the nature of the estimate is material due to the levels of subjectivity and judgment necessary to account for highly uncertain matters or the susceptibility of such matters to change and (2) the impact of the estimate on financial condition or operating performance is material. We believe there are no such critical accounting estimates that we are required to communicate.

### Significant Unusual Transactions

For purposes of this letter, professional standards define *significant unusual transactions* as transactions that are outside the normal course of business for the Company or that otherwise appear to be unusual due to their timing, size or nature. We noted no significant unusual transactions during our audit.

### Quality of the Company's Financial Reporting

Management is responsible not only for the appropriateness of the accounting policies and practices, but also for the quality of such policies and practices. Our responsibility under professional standards is to evaluate the qualitative aspects of the Company's accounting practices, including potential bias in management's judgments about the amounts and disclosures in the financial statements, and to communicate the results of our evaluation and our conclusions to you. We noted no potential bias in management's judgments about the amounts and disclosures in the financial statements.

### Uncorrected and Corrected Misstatements

Professional standards require us to accumulate misstatements identified during the audit, other than those that are clearly trivial and to communicate accumulated misstatements to management. There were no such misstatements identified during the audit.

### Exceptions to Exemption Provisions

In connection with our review of the Company's Exemption Report, we did not identify any exceptions to the exemption provisions that would cause the Company's assertions not to be fairly stated, in all material respects.

### Disagreement with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter that could be significant to the financial statements or the auditor's report. We are pleased to report that no disagreements with management arose during the course of our audit.

*Difficulties Encountered in Performing the Audit*

We encountered no significant difficulties in dealing with management in performing and completing our audit.

*Management Representations*

We have requested certain representations from management that are included in the management representation letter dated February 26, 2015.

*Other Audit Findings or Issues*

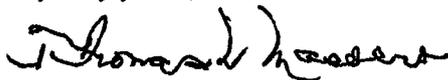

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Company's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

*Supplemental Information*

Based on the regulatory requirements of SEC Rule 17a-5, the Company presents Schedule I, Computation of Net Capital Under Rule 15c3-1; Schedule II, Computation for Determination of Reserve Requirements Under Rule 15c3-3 (exemption); and Schedule III, Information for Possession or Control Requirements Under Rule 15c3-3 (exemption) that accompany the financial statements. We subjected that supplemental information to audit procedures in accordance with PCAOB Auditing Standard No. 17, *Auditing Supplemental Information Accompanying Audited Financial Statements*. Based on our audit procedures performed, the supplemental information is fairly stated, in all material respects, in relation to the financial statements taken as a whole.

This information is intended solely for the use of Board of Directors and management of MAFG RIA Services, Inc. and is not intended to be and should not be used by anyone other than these specified parties.

To the Board of Directors and Stockholders  
MAFG RIA Services, Inc.

In planning and performing our audit of the financial statements of MAFG RIA Services, Inc. (the Company) as of and for the year ended December 31, 2014, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing an opinion on the Company's financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company. This study included tests of compliance with such practices and procedures that we considered relevant to the objectives stated in Rule 17-a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11). Because the Company does not carry security accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13.
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph, and to assess whether those practices and procedures can be expected to achieve the SEC's previously mentioned objectives. The objective of internal control and the practices and procedures is to provide management with reasonable but not absolute assurance that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with accounting principles generally accepted in the United States of America. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

*A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Company's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control that we consider to be material weaknesses, as defined previously.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2014, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors and stockholder, management, the SEC, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
