REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Managing Member of
Tessera Capital Partners, LLC

We have audited the accompanying statement of financial condition of Tessera Capital Partners, LLC (a limited liability company) as of December 31, 2014, that is filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements. Tessera Capital Partners, LLC's management is responsible for this financial statement. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. The company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial position, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall statement of financial position presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial condition of Tessera Capital Partners, as of December 31, 2014 in accordance with accounting principles generally accepted in the United States of America.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Significant accounting policies followed by the Company in the preparation of the accompanying financial statements are as follows:

Nature of Operations

Tessera Capital Partners, LLC (“the Company”) was formed in June 2004 in the State of Delaware and is a limited liability company. The Company operates as a broker/dealer registered with the Securities and Exchange Commission (“SEC”) and is a member of the Financial Industry Regulatory Authority (“FINRA”). The Company provides sales and marketing, marketing support, and client services for LLC’s, LP’s and/or investment managers with products, funds or strategies falling under the definition of Regulation D offerings, which includes products such as single strategy hedge funds, fund of fund vehicles and funds relating to real estate and private equity. In addition, the Company also provides investment advisory services.

Income Taxes

The Company is treated as a partnership for income tax purposes. The members of the Company are then taxed on their proportionate share of the Company’s taxable income. Accordingly, the Company is not subject to federal income taxes. Accordingly, the Company’s results of operations are presented without a provision for income taxes.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amount of income and expenses during the reported period. Actual results could differ from those estimates. The Company has evaluated events and transactions that occurred through February 23, 2015, which is the date the financial statements were issued, for possible disclosure and recognition in the financial statements.

These self-regulatory organizations adopt rules, subject to approval by the SEC, that govern the industry and conduct periodic examinations of the Company's operations. The primary purpose of these requirements is to enhance the protection of customer assets.
