REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

*Certified Public Accountants*

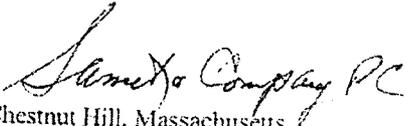

To the Board of Directors and Member of  
Back Bay Life Science Advisory, LLC

We have audited the accompanying financial statements of Back Bay Life Science Advisory, LLC (a Massachusetts limited liability company) (the "Company") which comprise the statement of financial condition as of December 31, 2014, and the related statements of operations, changes in member's equity and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements and supplemental information. The Company's management is responsible for these financial statements. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of Back Bay Life Science Advisory, LLC as of December 31, 2014, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The computation of net capital pursuant to uniform net capital rule 15c3-1 has been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The supplemental information is the responsibility of the Company's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934. In our opinion, the supplemental information is fairly stated, in all material respects in relation to the financial statements as a whole.

NOTES TO FINANCIAL STATEMENTS

December 31, 2014

Note 1

Organization and nature of business

Back Bay Life Science Advisory, LLC (the "Company") was formed in May, 2011 and is a Massachusetts limited liability company. The Company acts as an agent for the issuer of corporate securities for private placements per membership agreement with the Financial Industry Regulatory Authority ("FINRA"). The Company is a registered broker under the Securities Exchange Act of 1934 and is a member of FINRA and Securities Investor Protection Corp ("SIPC").

The Company is a wholly owned subsidiary of Back Bay Strategies, LLC.

Note 2

Summary of significant accounting policies

Revenue recognition

The Company recognizes revenue upon completion of private placement of corporate securities. Fees are charged based upon an agreed upon percentage of the proceeds of the transaction.

Income taxes

The sole member of the Company has elected to have the Company taxed as a single-member LLC. Accordingly, the Company is not subject to federal or state income taxes. All taxable income/loss and tax credits are reflected on the income tax returns of the member.

Income tax positions

The Financial Accounting Standards Board ("FASB") has issued a standard that clarifies the accounting and recognition of income tax positions taken or expected to be taken in the Company's income tax returns. The Company has analyzed tax positions taken for filing with the Internal Revenue Service and all state jurisdictions where it operates. The Company believes that the income tax positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse affect on the Company's financial condition, results of operations or cash flows. Accordingly, the Company has not recorded any reserves or related accruals for interest and penalties for uncertain income tax positions. If the Company incurs interest or penalties as a result of unrecognized tax positions the policy is to classify interest accrued with interest expense and penalties thereon with operating expenses. The Company is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Fair value of financial instruments

The carrying amounts of financial instruments, including cash, prepaid expenses and accrued expenses approximate fair value due to the short term nature of these assets and liabilities.

**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

To the Board of Directors and Member of  
Back Bay Life Science Advisory, LLC

We have reviewed management's statements, included in the accompanying Report Under the Exemption Contained in Rule 15c3-3, in which (1) Back Bay Life Science Advisory, LLC identified the following provisions of 17 C.F.R. §15c3-3(k) under which Back Bay Life Science Advisory, LLC claimed an exemption from 17 C.F.R. §240.15c3-3(k)(2)(i) (the "exemption provisions") and (2) Back Bay Life Science Advisory, LLC stated that Back Bay Life Science Advisory, LLC met the identified exemption provisions throughout the period ended December 31, 2014, without exception. Back Bay Life Science Advisory, LLC's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Back Bay Life Science Advisory, LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
