Report on the Financial Statements

I have audited the accompanying statement of financial condition of LaVecchia Capital, LLC as of December 31, 2014 and the related statements of income, changes in stockholder's equity, changes in liabilities to claims of general creditors, and cash flows for the year ended. These financial statements are the responsibility of LaVecchia Capital, LLC management. My responsibility is to express an opinion on these financial statements based on my audit.

Auditor's Responsibility

I conducted this audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provide a reasonable basis for my opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of LaVecchia Capital, LLC as of December 31, 2014, and results of its operations and its cash flows to the year then ended in conformity with accounting principles generally accepted in the United States.

Other Matters

The Net Capital Computation has been subjected to audit procedures performed with audit of LaVecchia Capital, LLC financial statements. The Net Capital Computation is the responsibility of LaVecchia Capital, LLC's management. My audit procedures included determining whether the Net Capital Computation reconciles to the financial statements or the underlying accounting and other records as applicable, and performing procedures to test the completeness and accuracy of the information presented in the Net Capital Computation. In forming my opinion on the Net Capital Computation, I evaluated whether the Net Capital Computation, including its form and content is presented in conformity 17 C.F.R. § 240 17a-5. In my opinion, the Net Capital Computation is fairly stated, in all

stated, in all material respects, in relation to the financial statements as a whole.

NOTES TO FINANCIAL STATEMENTS

NOTE A — SUMMARY OF ACCOUNTING POLICIES

Accounting principles followed by the Company and the methods of applying those principles which materially affect the determination of financial position, results of operation and cash flows are summarized below:

Organization

LaVecchia Capital, LLC (the Company) was organized in the State of Connecticut on November 18, 2008. The Company has adopted a calendar year.

Description of Business

The Company, located in Darien, CT,, is a broker and dealer in securities registered with the Securities and Exchange Commission ("SEC") and is a member of FINRA. The Company operates under SEC Rule 15c3-3(k)(2)(i), which provides an exemption for "Special Account for the Exclusive benefit of customers" maintained.

Basis of Accounting

The financial statements of the Company have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

Cash and Cash Equivalents

The Company considers as cash all short-term investments with an original maturity of three months or less to be cash equivalents.

Accounts Receivable — Recognition of Bad Debt

The Corporation considers accounts receivable to be fully collectible; accordingly, no allowance for doubtful accounts is required. If amounts become uncollectible, they will be charged to operations when that determination is made.

Revenue Recognition

Commission revenues are recorded by the Company on the transaction date reported by the escrow agent firm through submitted closing agreements.

See accountant's audit report

LAVECCHIA CAPITAL, LLC
NOTES TO FINANCIAL STATEMENTS
December 31, 2014

Fair Value of Financial Instruments

Financial instruments that are subject to fair value disclosure requirements are carried in the financial statements at an amount that approximates fair value and include cash and cash equivalents. Fair values are based on quoted market prices and assumptions concerning the amount and timing of estimated future cash flows and assumed discount rates reflecting varying degrees of perceived risk.

Comprehensive Income

Statement of Financial Accounting Standards (SFAS) No. 130, Reporting Comprehensive Income, establishes requirements for disclosure of comprehensive income that includes certain items previously not included in the statement of income, including unrealized gains and losses on available-for-sales securities and foreign currency translation adjustment among others. During the year ended December 31, 2014, the Company did not have any components of comprehensive income to report.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes

The company is taxed as a partnership under the Internal Revenue Code and a similar state statute. In lieu of income taxes, the members of the LLC are taxed on their proportionate share of the LLC's taxable income. Therefore, no provision or liability for federal or state income taxes related to the LLC is included in these financial statements.

Concentrations

The company specializes in sales of privately placed securities and general financial advisory.

NOTE B — NET CAPITAL REQUIREMENTS

Pursuant to the net capital provisions of Rule 15c3-3 of the Securities and Exchange Act of 1934, the Company is required to maintain a minimum net capital, as defined under such provisions. Net capital and the related net capital ratio may fluctuate on a daily basis.

There were no material differences in the net amount reported as Net Capital in the audited Computation of Net Capital and the broker-dealer's corresponding unaudited Part IIA of the FOCUS report required under Rule 15c3-1.

See accountant's audit report

NOTE D — SIPC RECONCILIATION

SEA Rule 17a-5(e)(4) requires a registered broker-dealer to file a supplemental report which includes procedures related to the broker-dealers SIPC annual general assessment reconciliation or exclusion-from-membership forms. In circumstances where the broker-dealer reports \$500,000 or less in gross revenues, they are not required to file the supplemental SIPC report. The Company is exempt from filing the supplemental report under SEA Rule 17a-5(e)(4) because it is reporting less than \$500,000 in gross revenue.

NOTE E — ADVERTISING AND PROMOTION

The amount of advertising and promotion on December 31, 2014 was \$0.

NOTE F — COMMITMENTS AND CONTINGENCIES

LaVecchia Capital LLC does not have and never had any commitments, guarantees, or contingencies (arbitrations, lawsuits, claims, etc.) that may result in a loss or future obligation or that may be asserted against the firm at a future date.

I have reviewed management's statements, included in the accompanying Representation Letter of Exemptions in which (1) LaVecchia Capital, LLC. identified the following provisions of 17 C.F.R. § 15c3-3(k) under which LaVecchia Capital, LLC. claimed an exemption from 17 C.F.R. § 15c3-3(k)(2)(i), and (2) LaVecchia Capital, LLC. stated that LaVecchia Capital, LLC. met the identified exemption provisions throughout the most recent fiscal year without exception. LaVecchia Capital, LLC.'s management is responsible for compliance with the exemption provisions and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about LaVecchia Capital, LLC.'s compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I'm not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
