INDEPENDENT AUDITORS' REPORT

To the Stockholders of
O'Brien & Shepard, Inc.
400 West Main Street – Suite 2W
Freehold, NJ 07728

We have audited the accompanying statement of financial condition of **O'Brien & Shepard, Inc.** (the Company) as of **January 31, 2015**. This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on this financial statement based on our audit.

Management is responsible for the preparation and fair presentation of the statement of financial condition in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the statement of financial condition that is free from material misstatement, whether due to fraud or error.

We conducted our audit in accordance with the standards of Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial position of O'Brien & Shepard, Inc. as of **January 31, 2015** in conformity with accounting principles generally accepted in the United States.

O'BRIEN & SHEPARD, INC
NOTES TO FINANCIAL STATEMENT
YEAR ENDED JANUARY 31, 2015

NOTE 1 – Nature of Business

O'Brien & Shepard, Inc. (The "Company") is a New Jersey corporation formed for the purpose of conducting business as a brokers-broker in municipal securities.

The Company operates under the provisions of Paragraph (k)(2)(ii) of Rule 15c3-3 of the Securities and Exchange Commission and, accordingly, is exempt from the remaining provisions of that rule. Essentially, the requirements of Paragraph (k)(2)(ii) provide that the Company clears all transactions on behalf of customers on a fully disclosed basis with a clearing broker/dealer, and promptly transmits all customer funds and securities to the clearing broker/dealer. The clearing broker/dealer carries all of the accounts of the customers and maintains and preserves all related books and records as are customarily kept by a clearing broker/dealer.

NOTE 2 – Summary of Significant Accounting Policies

The following is a summary of significant accounting policies followed by the Company:

Use of Estimates

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, and the reported amounts of revenues and expenses.

Revenue Recognition

Commission income and related expense are recorded on a settlement date basis, generally the third business day after trade date. There is no material difference between settlement date and trade date.

Cash and Cash Equivalents

The Company considers demand deposited money market funds to be cash equivalents. The Company maintains cash in bank accounts which, at times, may exceed federally insured limits or where no insurance is provided. The Company has not experienced any losses in such accounts and does not believe it is exposed to any significant credit risk on cash and cash equivalents.

Property and Equipment

Property and equipment are carried at cost and are depreciated over their estimated useful life using accelerated methods. Leasehold improvements were amortized over lesser of the estimated economic life or the remaining term of the lease.

NOTE 2 – Summary of Significant Accounting Policies (continued)

Income Taxes

Deferred income tax assets and liabilities are computed annually for differences between the financial statement and tax basis of assets and liabilities that will result in taxable or deductible amounts in the future based on enacted tax laws and rates applicable to the periods in which the differences are expected to affect taxable income. Valuation allowances are established when necessary to reduce deferred tax assets to the amount expected to be realized. Income tax expense is the tax payable or refundable for the period plus or minus the change during the period in deferred tax assets and liabilities.

Management has elected not to deduct interest expense paid to its stockholders for open tax years 2007-2010. Such tax position caused the Company's net operating loss carryforward to be understated by approximately \$42,000 as of January 31, 2014, and the respective deferred tax benefits of approximately \$8,400 will not be available for future utilization. The Company identifies its major tax jurisdiction as U.S. Federal and New Jersey, where the Company operates. The Company is not aware of any other tax positions for which it is reasonably possible that the total amounts of unrecognized tax benefits will change materially in the next 12 months.

NOTE 3 – Income Taxes

The Company files Federal and state income tax returns. No income tax returns are currently under examination.

For Federal purposes, the net operating loss ("NOL") can be carried back two years and forward twenty years, and for state purposes, the NOL is carryforward for seven years. At January 31, 2015, the Company had a NOL carryforward of approximately \$140,000 for income tax purposes. This carryforward will begin to expire in 2027. Since it is doubtful that such carryforward will be utilized in the near term, a valuation allowance of \$21,000 has been established to offset the deferred tax asset arising from this carryforward. Therefore, no deferred tax assets have been recorded on the accompanying statement of financial condition.

NOTE 4 – Commitments and Contingencies

Office Lease

The Company leases its premises under a lease expiring October 31, 2015. Future approximate minimum annual rental expense for the rest of the lease is:

2015	\$33,250
------	----------

The lease contains rent escalation provisions based on increased real estate taxes and other operating expenses. Utilities are included in the minimum rental expense.

YEAR ENDED JANUARY 31, 2015

NOTE 5 – Financial Instruments with Off-Balance Sheet Credit Risk

The Company, on a fully disclosed basis, deals with other municipal brokers. Should the counterparties fail to deliver the securities, the Company may be required to purchase identical securities on the open market at prices different from the contract value. The Company monitors the credit standing of each broker with which it conducts business.

NOTE 6 – Net Capital Requirement

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 1500%. At January 31, 2015, the Company had net capital of \$6,583 which was \$1,583 in excess of its required net capital of \$5,000. The Company's net capital ratio was 894.87%.
