CERTIFIED PUBLIC ACCOUNTANTS

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

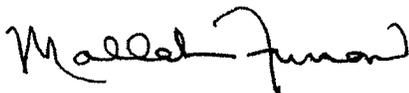

To the Board of Directors
Allen C. Ewing & Co.

We have audited the accompanying financial statements of Allen C. Ewing & Co. ("the Company"), which comprise the statement of financial condition as of December 31, 2014, and the related statements of operations, changes in stockholder's equity, and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements and supplemental information. The Company's management is responsible for these financial statements. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of Allen C. Ewing & Co. as of December 31, 2014, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The accompanying supplemental information, consisting of Schedule I, Computation of Net Capital under Rule 15c3-1, Schedule II, Computation for Determination of Reserve Requirements under Rule 15c3-3 (exemption), and Schedule III, Information for Possession or Control Requirements under Rule 15c3-3 (exemption), has been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The supplemental information is the responsibility of the Company's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

ALLEN C. EWING & CO.
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2014

1. Nature of Business

Allen C. Ewing & Co. (the Company), a Florida C corporation, is a registered broker/dealer with the Securities and Exchange Commission (SEC) and is a member of the Financial Industry Regulatory Authority and the Securities Investor Protection Corporation. The Company provides securities brokerage and investment banking services, which includes advisory services to clients on corporate finance matters, mergers, acquisitions, private placement, and valuations of securities for institutions located primarily in the Southeast United States. As of April 30, 2013, the Company discontinued its general securities retail brokerage operations.

The sole stockholder of the Company is Ewing Capital Partners, LLC (ECP), a Florida limited liability company.

2. Summary of Significant Accounting Policies

This summary of significant accounting policies of the Company is presented to assist in understanding the financial statements. The financial statements and accompanying notes are representations of the Company's management. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the presentation of the financial statements.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Accounts Receivable

Accounts receivable consist primarily of commission receivables recorded at the original invoice amount net of allowances for contractual adjustments and estimated uncollectible accounts, if any, and do not bear interest. Normally accounts receivable are due within 30 days after the date of the invoice. Receivables more than 90 days old are considered past due. The Company determines the allowance based on historical write-off experience. Past due balances are reviewed individually for collectability. Account balances are charged off against the allowance after all means of collection have been exhausted and the potential recovery is considered remote. At December 31, 2014, the Company determined that there was no need for an allowance for uncollectible accounts receivable.

Furniture and Equipment

Furniture and equipment are stated at cost. Maintenance and repairs are charged to expense as incurred. When items of furniture and equipment are sold or otherwise disposed of, the asset and related accumulated depreciation accounts are eliminated, and any gain or loss is included in operations. Depreciation expense is computed using the straight-line method over the estimated useful lives of the assets ranging from three to seven years.

In accordance with authoritative guidance, the Company reviews the carrying value of long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of the asset may not be recoverable. Recoverability of long-lived assets is measured by comparing the

ALLEN C. EWING & Co.
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2014

carrying amount of the asset or asset group to the undiscounted cash flows that the asset or asset group is expected to generate. If the undiscounted cash flows of such assets are less than the carrying amount, the impairment to be recognized is measured by the amount by which the carrying amount, if any, exceeds its fair value. No impairments were deemed to exist at December 31, 2014.

Deferred Rent

The Company amortizes lease payments on the straight-line basis over the term of the lease. The difference between the actual minimum monthly lease payments and the amount expensed is recorded as deferred rent.

Income Taxes

The Company records a deferred tax liability or asset based on the difference between financial statement and tax basis of assets and liabilities as measured by the anticipated tax rates which will be in effect when these differences reverse. The measurement of deferred tax assets is reduced, if necessary, by the amount of any tax benefits that, based on available evidence, are not expected to be realized.

The Company evaluates its tax positions for any uncertainties based on the technical merits of the position taken in accordance with authoritative guidance. The Company recognizes the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be upheld on examination by taxing authorities. The Company has analyzed the tax positions taken and has concluded that as of December 31, 2014, there are no uncertain tax positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements.

Management is required to analyze all open tax years, as defined by the Statute of Limitations, for all major jurisdictions, including federal and certain state taxing authorities. At December 31, 2014, the Company is no longer subject to U.S. federal, state and local, or non-U.S. income tax examinations by taxing authorities for years before 2011. As of and for the year ended December 31, 2014, the Company did not have a liability for any unrecognized taxes. The Company has no examinations in progress and is not aware of any tax positions for which it is reasonably possible that the total amounts of unrecognized tax liabilities will significantly change in the next twelve months.

Revenue Recognition

Private placement fees are earned by assisting customers in raising capital from private investors. Private placement revenues are recognized when the terms of the engagement have been fulfilled.

Commissions are earned on securities transactions with a clearing broker/dealer initiated on behalf of customers. Additional commissions are also earned on sales of mutual fund shares and variable annuities and are received directly from the related fund or issuer. All commission revenue is recognized when earned.

Investment banking fees are earned by providing advisory services to clients on corporate finance matters, including mergers and acquisitions and the issuance of public stock. Investment banking revenues are recognized when earned.

Subsequent Events

The Company has evaluated events through February 26, 2015, the date which the financial statements were available to be issued.

ALLEN C. EWING & Co.
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2014

3. Net Capital Requirements

The Company is subject to the SEC's Uniform Net Capital Rule (Rule 15c3-1), which requires the Company to maintain a minimum net capital of \$5,000, and a ratio of aggregate indebtedness to net capital, both as defined, not in excess of 15 to 1. The SEC is empowered to restrict the Company's business activities should it not meet these requirements.

At December 31, 2014, the Company had net capital, as defined, of \$29,249, which was \$24,249 in excess of its required net capital of \$5,000 at 100% and \$23,249 at 120%. At the same date, the Company's ratio of aggregate indebtedness to net capital was 2.07 to 1. Accordingly, the Company was in compliance with the net capital requirements.

4. Income Taxes

The components of the Company's deferred tax assets consisted of the following at December 31, 2014:

Net operating loss	\$ (385,761)
Valuation allowance	<u>385,761</u>
Deferred tax assets, net	<u>\$ -</u>

Based on the available objective evidence, the Company believes it is more likely than not that the deferred tax assets will not be realizable. Accordingly, the Company provided for a full valuation allowance against its deferred tax assets at December 31, 2014. The Company has total net operating loss carryforwards available to offset future taxable income of approximately \$1,025,000. To the extent not used, these loss carryforwards will begin to expire in 2023.

The income tax provision differs from amounts computed by applying the federal statutory income tax rate to pretax loss as follows for the year ended December 31, 2014:

Tax benefit using federal statutory rate	\$ 21,029
State income tax benefit, net of federal tax effect	2,245
Change in valuation allowance	<u>(23,274)</u>
Income tax expense	<u>\$ -</u>

5. Related Party Transactions

ECP owed the Company \$100,421 at December 31, 2014. Ewing Real Estate, Inc. (ERE), a wholly-owned subsidiary of ECP, owed the Company \$53,000 at December 31, 2014. Ewing Loan Advisors, Inc. (ELA), a wholly-owned subsidiary of ECP, owed the Company \$22,095 at December 31, 2014. These unsecured balances are due on demand and do not accrue interest.

The Company manages an investment fund, Ewing Emerging Financial Institution Fund I, LP (Fund I) that invests in the shares of DeNova Banks in Florida and the Southeastern United States. Certain officers of the Company are officers of the General Partner of Fund I, and are also investors in the fund. Pursuant to its management agreement with Fund I, the Company received \$64,832 in advisory fees for the year ended December 31, 2014.

ALLEN C. EWING & CO.
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2014

5. Related Party Transactions (Continued)

The Company manages a second investment fund, Ewing Emerging Financial Institution Fund III, LP (Fund III) with similar investment criteria and objectives as Fund I. Certain officers of the Company are officers of the General Partner of Fund III. Pursuant to its management agreement with Fund III, the Company received \$100,000 in advisory fees for the year ended December 31, 2014.

The General Partner of both Fund I and Fund III is Ewing Emerging Financial Institution Fund GP, LLC. The sole member of the General Partner is the Company.

During 2014, the Company charged ERE and ELA \$77,826 in consulting fees for management services rendered.

During 2014, the Company pays payroll and benefits amounts for employees who perform services for IES and ELA. IES and ELA pay the Company for its proportionate share of these expenses, which totaled approximately \$428,000 in 2014.

During 2014, the Company charged Income Enhancement Strategies, LLC (IES), an affiliate through common ownership, \$101,000 for IES's proportionate share of the rent and overhead costs for shared facilities in the Charlotte office.

6. Commitments and Contingencies

Concentrations of Credit Risk

Financial instruments which potentially subject the Company to a concentration of credit risk consist principally of cash. Cash balances are exposed to credit risk since the Company periodically maintains balances in excess of federally insured limits. The Company does not believe it is exposed to any significant credit risk on these deposits.

During the year ended December 31, 2014, the Company generated revenues from one customer comprising 16 percent of total revenues.

Leases

The Company leases certain equipment and facilities under non-cancelable operating lease agreements that expire at various dates through 2019. The lease expense was \$139,111 for the year ended December 31, 2014.

Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.
