INDEPENDENT AUDITOR'S REPORT

To the Shareholder
and Board of Directors
Eventurelink Securities, Inc.

I have audited the accompanying statement of financial condition of Eventurelink Securities, Inc. (the "Company") as of December 31, 2014, and the related statements of operations, changes in stockholder's equity, changes in liabilities subordinated to claims of general creditors, and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair representation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error.

Auditor's responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted the audit in accordance with auditing standards of the Public Company Accounting Oversight Board (United States). Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that that the audit evidence that I obtained is sufficient and appropriate to provide a reasonable basis for my audit opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2014, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

This audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information contained in the Supplemental Schedules required by Rule 17a-5 under the Securities and Exchange Act of 1934 is presented for the purpose of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards of the Public Company Accounting Oversight Board (United States). In my opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Note 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General

Herman, Alexis & Co., Inc. (the "Company") was incorporated in the State of Delaware in February 1994, under the name Herman, Alexis & Co., Inc. The Company changed its name to Solomon, David, Herman, Alexis & Co., Inc. on April 4, 2002. On December 27, 2004, the Company changed the name back to Herman, Alexis & Co., Inc. The current name under which the Company operates, Eventurelink Securities, Inc. was changed on March 29, 2012. The Company is a fully disclosed broker/dealer, whereby it does not hold customer funder or securities, and is registered under the Securities and Exchange Act of 1934, as amended. The Company is a member of the Financial Industry Regulatory Agency ("FINRA") and the Securities Investor Protection Corporation ("SIPC"). The Company's primary business is reverse merger consultation.

Under its membership agreement with FINRA and pursuant to Rule 15c3-3(k)(2)(ii), the Company conducts business on a fully disclosed basis and does not execute or clear securities transactions for customers. Accordingly, the Company is exempt from the requirement of Rule 15c3-3 under the Securities Exchange Act of 1934 pertaining to the possession or control of customer assets and reverse requirements.

Summary of Significant Accounting Policies

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reported period. Actual results could differ from the those estimates.

With the consent of its shareholders, the Company has elected to be treated as an S Corporation under subchapter S of the Internal Revenue Code. Subchapter S of the Code provides that in lieu of corporate income taxes, the stockholders are individually taxed on the Company's taxable income; therefore, no provision or liability for Federal Income Taxes is included in these financial statements. The State of California has similar regulations, although there exists a provision for a minimum franchise tax and a tax rate of 1.5% over the minimum franchise fee of \$800.

The Company has evaluated events subsequent to the balance sheet date for items requiring recording or disclosure in the financial statements. The evaluation was performed through the date the financial statements were available to be issued. Based upon this review, the Company has determined that there were no events which took place that would have a material impact on its financial statements.

Note 2: INCOME TAXES

As discussed in Note 1, the Company has elected the S Corporate tax status; therefore, no federal income tax provision is included in these financial statements. The tax provisions reported is the California minimum franchise tax of \$800.

The Company is required to file income tax returns in both federal and state tax jurisdictions. The Company's tax returns are subject to examination by taxing authorities in the jurisdictions in which it operates in accordance with the normal statutes of limitations in the applicable jurisdiction. For federal purposes, the statute of limitations is three years. Accordingly, the company is no longer subject to examination of federal returns filed more than three years prior to the date of these financial statements. The statute of limitations for state purposes is generally three years, but may exceed this limitation depending upon the jurisdiction involved. Returns that were filed within the applicable statute remain subject to examination. As of December 31, 2014, the IRS has not proposed any adjustment to the Company's tax position. However, see Note 3 regarding action taken by the State of California.

Note 3: COMMITMENTS AND CONTINGENCIES

Going-Concern

The Company had little activity for the year end December 31, 2014. This inactivity has resulted in substantial operating losses which bring into question the company's ability to continue as a going concern. To provide needed liquidity, the shareholder will continue to capitalize the company to fund its continuing operations.

Note 4: RECENTLY ISSUED ACCOUNTING STANDARDS

The Financial Accounting Standards Board (the "FASB") has established the Accounting Standards Codification ("Codification" of "ASC") as the authoritative source of generally accepted accounting principles ("GAAP") recognized by the FASB. The principles embodied in the Codification are to be applied by nongovernmental entities in the preparation of financial statements in accordance with GAAP in the United States. New accounting pronouncements are incorporated in the ASC through the issuance of Accounting Standards Updates ("ASUs").

For the year ending on December 31, 2014, various ASU's issued by the FASB were either newly issued or had effective implementation dates that would require their provisions to be reflected in the financial statements for the year then ended. The Company has reviewed the following ASU releases to determine relevance to the Company's operations:

The Company had either evaluated or is currently evaluating the implications, if any, of each of these pronouncements and the possible impact they may have on the Company's financial statements. In most cases, management has determined that the pronouncement has either limited or no application to the company and, in all cases, implementation would not have a material impact on the financial statements taken as a whole.

Note 5: NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. Net capital and aggregate indebtedness change day to day, but on December 31, 2014, the Company had net capital of \$7,332 which was \$2,332 in excess of its required net capital of \$5,000; and the Company's ratio of aggregate indebtedness to net capital was 6.67 to1, which is less than the 15 to 1 maximum allowed.

Note 6: SUBSEQUENT EVENTS

Management has reviewed the results of operations for the period of time from its year ended December 31, 2014, through February 24, 2015, the date the financial statements were available to be issued and has determined that no adjustments are necessary to the amounts reported in the accompanying combined financial statements nor have any subsequent events occurred, the nature of which would require disclosure.

Statement Related to Uniform Net Capital Rule

The Company is a member of the FINRA and is subject to the SEC Uniform Net Capital Rule 15c3-1. This rule requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 1500% (15 to 1), or, during its first year of operations, 800% (8:1). Net capital and the related net capital ratio may fluctuate on a daily basis. At December 31st, 2014, the Company had net capital of \$7,332 which was \$2,331.59 in excess of its required net capital of \$5,000.00. The Company's net capital ratio was 87%. The Company has elected to use the basic computation method, as is permitted by the rule, which requires that the Company maintain minimum Net Capital pursuant to a fixed dollar amount or 6-2/3% percent of total aggregate indebtedness, as defined, whichever is greater, and does not, therefore, calculate its net capital requirement under the alternative reserve requirement method.

Statement Related to Exemptive Provision (Possession and Control)

The Company does not have possession or control of customer's funds or securities. There were no material inadequacies in the procedures followed in adhering to the exemptive provisions of SEA Rule 15c3-3(k)(2)(ii); All customer transactions cleared through another broker-dealer on a fully disclosed basis .

Statement Related to Material Inadequacies

This audit did not disclose any material inadequacies since the previous audit of the financial statements contained within the audit report of the Computation of Minimum Net Capital Requirement as reported in the Supplemental Schedules contained within the audit report or the filed Financial and Operational Combined Uniform Single Report filed pursuant to SEA Rule 15c3-1. The firm is exempt from 15c3-3; it does not maintain customer funds or securities and therefore does not maintain customer funds to segregate nor does it maintain separate accounts for customers.

Statement Related to SIPC Reconciliation

SEA Rule 17a-5(e)(4) requires a registered broker-dealer to file a supplemental report which includes procedures related to the broker-dealers SIPC annual general assessment reconciliation or exclusion from membership forms. In circumstances where the broker-dealer reports \$500,000 or less in gross revenue they are not required to file the supplemental SIPC report. The Company is exempt from filing the supplemental report under SEA Rule 17a-5(e)(4) because it is reporting less than \$500,000 in gross revenue.

EXEMPTION REVIEW REPORT

February 24, 2015

Mark H. Rhynes
Eventurelink Securities, Inc.
1522 W. Manchester Avenue
Los Angeles, CA 90047

Dear Mr. Rhynes:

We have reviewed management's statements, included in the accompanying Representation Letter of Exemptions, in which Eventurelink Securities, Inc. identified the following provisions of 17 C.F.R. § 15c3-3(k) under which Eventurelink Securities, Inc. claimed an exemption from SEA Rule 15c3-3 pursuant to the (k)(2)(ii) exemptive provisions "all customer transactions cleared through another broker-dealer on a fully disclosed basis." Eventurelink Securities, Inc. stated that Eventurelink Securities, Inc. met the identified exemption provisions throughout the most recent fiscal year without exception. Eventurelink Securities, Inc.'s management is responsible for compliance with the exemption provisions and its statements. Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Eventurelink Securities, Inc.'s compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion. Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of
