INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Bank Fund Equities, Inc.
Abingdon, Virginia

Report on the Financial Statements

We have audited the accompanying financial statements of Bank Fund Equities, Inc. which comprise the balance sheets as of December 31, 2014 and 2013, and the related statements of income, retained earnings, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards of the **Public Accounting Oversight Board ("PCAOB")**. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Bank Fund Equities, Inc. as of December 31, 2014 and 2013, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained on pages 9 and 10 is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 under the Securities and Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Bank Fund Equities, Inc.
NOTES TO FINANCIAL STATEMENTS
December 31, 2014 and 2013

Note 1. Organization and Nature of Business

Bank Fund Equities, Inc. (the Company) is broker-dealer registered with the SEC and is a member of the Financial Industry Regulatory Authority (FINRA). The Company is a Minnesota Corporation currently operating in Virginia. The Company markets and sells primarily variable annuities and private placement oil and gas investments via independent brokers.

Note 2. Summary of Significant Accounting Policies

This summary of significant accounting policies of (the Company) is presented to assist in understanding the Company's financial statements. The financial statements and notes are representations of the Company's management, which is responsible for their integrity and objectivity. These accounting policies conform to generally accepted accounting principles.

Revenue Recognition -

Commission revenue and related expenses for mutual fund and securities transactions and variable annuity contract purchases are recorded on a trade-date basis.

Cash and Cash Equivalents -

The Company includes demand deposits in the category of cash and cash equivalents as presented in the cash flow statement.

Income Taxes -

The Company has elected, under Section 1372 of the Internal Revenue Code, to be taxed as a small business corporation (an "S-corp."). Income and losses of the Company are passed directly to the shareholders. Therefore, no provision for income taxes has been reflected in the accompanying financial statements.

Management has determined that the Company does not have any uncertain tax positions and associated unrecognized benefits that materially impact the financial statements or related disclosures.

Estimates -

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Concentrations of Credit Risk -

The Company does not believe that it is exposed to any significant credit risk in connection with the extension of credit to its customers. Historically, the Company has had no bad debt write offs.

Report of Independent Registered Public Accounting Firm

We have reviewed management's statements, included in the accompanying **Broker Dealer Exemption Report under Rule 15c3-3** as of December 31, 2014, in which (1) Bank Fund Equities, Inc. identified the following provisions of 17 C.F.R. § 15c3-3(k) under which Bank Fund Equities, Inc. claimed an exemption from 17 C.F.R. § 240.15c3-3:(2)(ii) (the "exemption provisions") and (2) Bank Fund Equities, Inc. stated that Bank Fund Equities, Inc. met the identified exemption provisions throughout the most recent fiscal year without exception. Bank Fund Equities' management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Bank Fund Equities, Inc.'s compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.

Bank Fund Equities, Inc.
REPORT OF EXEMPTION FROM RULE 15c3-3
December 31, 2014

The Company asserts the following regarding its exemption from Rule 15c3-3:

- The Company is exempt under paragraph (k)(2)(i) ("Special Account for the Exclusive Benefit of customers" maintained).
- The Company met the identified exemption provision throughout the entire fiscal year ended December 31, 2014.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL ACCOUNTING CONTROL
REQUIRED BY SEC RULE 17a-5**

To the Board of Directors
Bank Fund Equities, Inc.
Abingdon, Virginia

In planning and performing our audit of the financial statements of Bank Fund Equities, Inc. for the year ended December 31, 2014, we considered its internal control structure, including procedures for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control structure.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission, we have made a study of the practices and procedures followed by the Company, including tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g)(1) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making the quarterly securities examinations, counts, verifications and comparisons.
2. Recordation of differences required by rule 17a-13
3. Complying with the requirements for prompt payment for securities under section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining an internal control structure and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the Commission's above-mentioned objectives. Two of the objectives of an internal control structure and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit preparation of financial statements in conformity with generally accepted accounting principals. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in any internal control structure or the practices and procedures referred to above, errors or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving the control environment, and its operation that we consider to be a material weakness as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2014, to meet the Commission's objectives.

This report is intended solely for the use of the Board of Directors, management, the SEC and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
