PAUL M. STUTTS, CPA, PA
CERTIFIED PUBLIC ACCOUNTANT

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Shareholder of
McMillion Securities, Inc.

I have audited the accompanying statements of financial condition of McMillion Securities, Inc. (a North Carolina corporation and wholly owned subsidiary of McMillion Associates, Inc.), as of March 31, 2015 and 2014, and the related statements of income, retained earnings, and changes in shareholder's equity and cash flows for the years then ended. These financial statements are the responsibility of the Company's management. My responsibility is to express an opinion on these financial statements based on my audits.

I conducted my audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audits provide a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of McMillion Securities, Inc. as of March 31, 2015 and 2014, and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

The supplemental information in Schedules I and II has been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The supplemental information is the responsibility of the Company's management. My audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming my opinion on the supplemental information, I evaluated whether the supplemental information, including its form and content is presented in conformity with 17 C.F.R. §240.17a-5. In my opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED MARCH 31, 2015 AND 2014

1. NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

NATURE OF OPERATIONS AND BASIS OF ACCOUNTING

The Company, which is a wholly owned subsidiary of McMillion Associates, Inc., is a securities broker/dealer that is engaged in the general securities business and places orders through a national clearing agent on a fully disclosed basis. Commission revenues and expenses on orders placed through the clearing agent are recorded as of the trade date. The Company does not maintain an inventory of securities, carry customer or margin accounts, or hold securities on behalf of customers. The Company uses the accrual method of accounting.

ACCOUNTS RECEIVABLE AND BAD DEBTS

Accounts receivable are recorded at the amount expected to be received in cash and bad debts are accounted for under the reserve method. At March 31, 2015 and 2014, the reserve was \$0 as all uncollectible accounts had been written off.

USE OF ESTIMATES

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses.

2. INCOME TAXES:

The results of the Company's operations are included in the consolidated federal income tax return of the parent. The federal income tax effects related to the Company's operations are absorbed by the parent.

The Company files separate state income tax returns and is responsible for the related taxes.

In management's opinion, there are no uncertain tax positions for the years ended March 31, 2015. The years currently open and subject to an IRS audit are 2013, 2014, and 2015.

3. NET CAPITAL REQUIREMENTS:

As a security broker/dealer, the Company must comply with certain net capital requirements prescribed by the regulations of the Securities and Exchange Commission (SEC) (Rule 15c3-1), which can limit the scope of operations, including the payment of dividends. The Company's net capital, as defined in the regulations, was \$8,135 in 2015 and \$8,141 in 2014, as compared to the minimum requirement of \$5,000.

5. CONCENTRATION OF CREDIT RISK:

Concentration of credit risk arises principally for advances to parent.

6. CASH AND CASH EQUIVALENTS:

For purposes of the financial statements, cash and cash equivalents include cash, deposits in interest-bearing accounts and other financial instruments with original maturities of less than three months.

7. SUBSEQUENT EVENTS:

REVIEW REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Shareholder of
McMillion Securities, Inc.

I have reviewed management's statements, included in the accompanying Exemption Statement, in which (1) McMillion Securities, Inc. (the "Company") identified the following provisions of 17 C.F.R. § 15c3-3(k) under which the Company claimed an exemption from 17 C.F.R. § 240.15c3-3: (2)(ii) and (2) the Company stated that the Company met the identified exemption provisions throughout the most recent fiscal year without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.
