## Independent Auditor's Report

Board of Directors  
KW Securities Corporation  
One Market, Landmark  
San Francisco , CA 94105

### Report on the Financial Statements

I have audited the accompanying statement of financial condition of KW Securities Corporation as of March 31, 2015 and the related statements of income, changes in stockholder's equity, changes in liabilities to claims of general creditors, and cash flows for the year ended. These financial statements are the responsibility of KW Securities Corporation management. My responsibility is to express an opinion on these financial statements based on my audit.

### Auditor's Responsibility

I conducted this audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

### Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of KW Securities Corporation as of March 31, 2015, and results of its operations and its cash flows to the year then ended in conformity with accounting principles generally accepted in the United States.

### Other Matters

The Supplemental Information has been subjected to audit procedures performed with audit of KW Securities Corporation financial statements. Supplemental Information is the responsibility of KW Securities Corporation's management. My audit procedures included determining whether the Supplemental Information reconciles to the financial statements or the underlying accounting and other records as applicable, and performing procedures to test the completeness and accuracy of the information presented in the Supplemental Information . In forming my opinion on the Supplemental Information, I evaluated whether the Supplemental Information, including its form and content is presented in conformity with the standards of the Public Company Accounting Oversight Board (United States). In my opinion, the Supplemental Information is fairly stated, in all material respects, in relation

to the financial statements as a whole.

1. Summary of Business and Significant Accounting Policies

Business

KW Securities Corporation (the "Company") is a California corporation formed in 1980. The Company is registered with the Securities and Exchange Commission ("SEC") as a securities broker-dealer and is a member of the Financial Industry Regulatory Authority, Inc. ("FINRA"). RBC Dain Correspondent Services (the "Clearing Broker") provides clearing services to the Company.

Method of Accounting

The Company has prepared these financial statements in conformity with accounting principles generally accepted in the United States, and uses the cash method of accounting for income tax purposes.

Cash

The Company maintains its cash in bank deposit accounts which at times may exceed federally insured limits. The Company has not experienced any losses in such accounts.

Commissions Receivable

The Company clears securities transactions through the Clearing Broker who collects commissions earned and remits to the Company its share of commissions collected. Commission receivable represent amounts due from the Clearing Broker.

Revenue Recognition

Commission revenue and related expenses arising from securities transactions are recorded on a trade-date basis as reported by the Clearing Broker or the mutual fund or the variable annuity sponsor. Commission revenues primarily include commissions from customer securities transactions executed and cleared through the Clearing Broker and commissions and fees earned from registered investment companies and life insurance companies for sales of mutual fund shares and variable annuities.

KW Securities Corporation  
Notes to the Financial Statements  
March 31, 2015

---

1. Summary of Significant Accounting Policies (continued)

Income Taxes

The Company is a wholly-owned subsidiary of KW Financial Services, Inc. and is included in the consolidated income tax returns filed by its parent company. A portion of the consolidated income tax liability is allocated to the Company, as if the Company had filed separate income tax returns. There was no liability allocated to the Company for the year ended March 31, 2015.

The Company believes that it does not have unrecognized tax benefits in accordance with FASB ASC 740, "Income Taxes". Under that guidance, the Company assesses the likelihood, based on their technical merit, that tax positions will be sustained upon examination based on the facts, circumstances and information available at the end of each year. The measurement of unrecognized tax benefits is adjusted when new information is available, or when an event occurs that requires a change. With few exceptions, the Company is no longer subject to examination by tax authorities for years before 2009.

Use of Estimates

The process of preparing financial statements in conformity with accounting principles generally accepted in the United States of America requires the use of estimates and assumptions regarding certain types of assets, liabilities, revenues and expenses. Such estimates primarily relate to unsettled transactions and events as of the date of the financial statements. Accordingly, upon settlement, actual results may differ from estimated amounts.

2. Indemnifications

The Company enters into contracts that contain a variety of indemnifications for which the maximum exposure is unknown. The Company has no current claims or losses pursuant such contracts.

KW Securities Corporation  
Notes to the Financial Statements  
March 31, 2015

---

3. Net Capital Requirements

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At March 31, 2015, the Company had net capital of \$57,989 which was \$32,989 in excess of its required net capital of \$25,000. The Company's aggregate indebtedness to net capital ratio was 2.853 to 1.

4. Related Party Transactions

The Company is a wholly-owned subsidiary of KW Financial Services, Inc. (the "Parent") and has entered into an expense-sharing agreement with the Parent whereby the Company reimburses the Parent for a pro-rata share of overhead expenses allocable to its operations. During the year ended March 31, 2015, the Company paid a net of \$40,873 (\$86,000 less \$45,127 in allocated expenses) as a reimbursement to the Parent for its share of expenses; such payments are reported as "management fees" in the accompanying statement of operations. As of March 31, 2015, the Company had \$8,000 payable to the Parent for management fees, which is recorded as "due to parent" in the accompanying statement of financial condition.

5. Deposit with Clearing-Broker

Under the Company's clearing agreement, a good faith deposit of \$50,000 is required to be held at the Clearing Broker. As of March 31, 2015, the Company had \$50,000 on deposit with the Clearing Broker.

6. SIPC Reconciliation

SEA Rule 17a-5(e)(4) requires a registered broker-dealer to file a supplemental report which includes procedures related to the broker-dealers SIPC annual general assessment reconciliation or exclusion-from-membership forms. In circumstances where the broker-dealer reports \$500,000 or less in gross revenues, they are not required to file the supplemental SIPC report. The Company is exempt from filing the supplemental report under SEA Rule 17a-5(e)(4) because it is reporting less than \$500,000 in gross revenues.

7. Subsequent Event

The Company has evaluated events subsequent to the balance sheet date for items requiring recording or disclosure in the financial statements. The evaluation was performed through May 22, 2015, which is the date the financial statements were available to be issued. Based upon this review, the Company has determined that there were no events which took place that would have a material impact on its financial statements.

Computation per respondent	\$ 54,006	\$ 6,000	12.35%
Adjustments:			
12b-1 fees receivable - NA	<u>(5,441)</u>	<u>-</u>	
Computation per Schedule I (audited)	<u>\$ 48,565</u>	<u>\$ 6,000</u>	12.35%

2. Reconciliation of Computation of Reserve Requirements to Respondent's Computations

The Company claims an exemption under Rule 15c3-3(k)(2)(ii) and therefore is not subject to the reserve requirements of Rule 15c3-3.

## **INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL REQUIRED BY SEC RULE 17a-5(g)(1)**

To the Board of Directors of  
KW Securities Corporation

In planning and performing our audit of the financial statements of KW Securities Corporation (the "Company"), as of and for the year ended March 31, 2015 in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting ("internal control") as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission ("SEC"), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Company's financial statements will not be prevented or detected and corrected on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined previously.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at March 31, 2015, to meet the SEC's objectives.

This report is intended solely for the information and use of management, the SEC, FINRA, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

May 22, 2015

To the Board of Directors  
K W Securities Corporation  
100 Larkspur Landing Circle  
Suite 200  
Larkspur, CA 94939

I have reviewed management's statements, included in the accompanying Representation Letter of Exemptions, in which (1) K W Securities Corporation identified the following provisions of 17 C.F.R. § 15c3-3(k) under which K W Securities Corporation claimed an exemption from 17 C.F.R. § 15c3-3(k)(2)(ii), and (2) K W Securities Corporation stated that K W Securities Corporation met the identified exemption provisions throughout the most recent fiscal year without exception. K W Securities Corporation's management is responsible for compliance with the exemption provisions and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about K W Securities Corporation's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I'm not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.
