**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

To the Board of Directors of Curbstone Financial Management Corporation,

***Introductory Paragraph***

We have audited the accompanying financial statements of Curbstone Financial Management Corporation, (a New Hampshire corporation), which comprise the statements of *financial condition* as of March 31, 2015 and 2014, and the related statements of *income, changes in stockholder's equity, and cash flows* for the years then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements and supplemental information. Curbstone Financial Management Corporation's management is responsible for these financial statements. Our responsibility is to express an opinion on these financial statements based on our audit.

***Audit Scope Paragraph***

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

***Opinion Paragraph***

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of Curbstone Financial Management Corporation as of March 31, 2015 and 2014, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

**Notes to the Financial Statements**

**For The Years Ended March 31, 2015 and 2014**

**NOTE 1 - Summary of Significant Accounting Policies:**

The following is a summary of significant accounting policies followed in the preparation of the financial statements. The policies conform to accounting principles generally accepted in the United States of America, and have been consistently applied.

**A. Nature of Business:**

Curbstone Financial Management Corporation (hereafter "Company") was incorporated in the State of New Hampshire on February 9, 1983. The Company's principal and singular line of business is that of an investment management firm and financial advisor. The Company is an introducing (non-carrying) broker-dealer registered with the SEC and is a member of various exchanges and the Financial Industry Regulatory Authority (FINRA). The Company's customers consist of individuals, Pension Plans, Estates and Trusts located in the State of New Hampshire. The Company's singular office is in Manchester, New Hampshire.

**B. Basis of Accounting:**

The Company's policy is to prepare its financial statements on the accrual basis of accounting. Revenues are recognized when earned rather than when received, and expenses are recognized when accrued rather than when cash is disbursed.

**C. Cash and Cash Equivalents:**

For purposes of the statements of cash flows, the Company considers all short-term debt securities purchased with a maturity of three months or less to be cash equivalents.

**D. Accounts Receivable and Uncollectible Accounts:**

Accounts receivables are recorded at net realizable value. The Company's history indicates full collections on their accounts receivables. Further, accounts receivable has historically been an immaterial balance sheet item. The Company had no uncollectible accounts for the fiscal years ended March 31, 2015 and 2014.

**E. Estimates Used in the Preparation of Financial Statements:**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual amounts could differ from those estimates, and changes would most likely be reported in future periods. Management believes that the estimates and assumptions used are reasonable.

**F. Fixed Assets and Depreciation:**

The Company records its fixed assets on a historical cost basis. Depreciation is calculated using the straight-line method over the estimated useful lives of the assets. Repairs and maintenance are charged to operations as incurred, whereas major betterments are capitalized. Depreciation expense for the years ended March 31, 2015 and 2014 were \$5,673 and \$6,181, respectively. Fixed assets and accumulated depreciation at March 31, 2015 consist of the following:

<u>Description</u>	<u>Cost Basis</u>	<u>Accumulated Depreciation</u>	<u>Undepreciated Cost</u>
Office Furniture & Equipment	\$ 6,513	\$ 6,456	57
Computer Equipment	111,743	106,930	4,813
Totals	<u>\$ 118,256</u>	<u>\$ 113,386</u>	<u>\$ 4,870</u>

**G. Income Taxes:**

According to FASB ASC 740 and FIN 48 - *Implementation Guidance on Accounting for Uncertainty in Income Taxes and Disclosure Amendments for Nonpublic Entities* the Company is required to evaluate all significant tax positions. As of March 31, 2015, the Company does not believe that it has taken any tax positions that would require the recording of any additional tax liability nor does it believe that there are any unrealized tax benefits that would either increase or decrease within the next twelve months. The Company's income tax returns are subject to examination by the appropriate taxing jurisdictions. As of March 31, 2015, the Company's federal and various state tax returns generally remain open for the last three years. The fiscal years that remain open as of the date of these financial statements are: March 31, 2014, March 31, 2013, and March 31, 2012. Income taxes are provided for the tax effects of transactions reported in the financial statements and consist of taxes currently due, plus deferred taxes related primarily to differences between the bases of assets for financial and income tax reporting. The deferred tax assets represent the future tax return consequences of those differences, which will be deductible when the assets are recovered.

Income taxes are provided for the tax effects of transactions reported in the financial statements and consist of taxes currently due plus deferred taxes. Deferred taxes are recognized for differences between the basis of assets and liabilities for financial statement and income tax purposes. The differences relate primarily to depreciable assets (use of different depreciation methods and lives for financial statement and income tax purposes). The deferred tax assets and liabilities represent the future tax return consequences of those differences, which will either be deductible or taxable when the assets and liabilities are recovered or settled. Deferred taxes also are recognized for operating losses and tax credits that are available to offset future taxable income.

Fair value estimates, methods, and assumptions are set forth below for the Company's financial instruments. The carrying amounts of cash, other current assets, accounts payable, accrued liabilities approximate fair value because of the short maturity of those instruments. The Company carries its security investments at market value and unrealized gains and losses are reflected in income.

**I. Advertising Costs:**

**INDEPENDENT REGISTERED AUDITOR'S REPORT ON INTERNAL CONTROL  
STRUCTURE**

To the Board of Directors of  
**Curbstone Financial Management Corporation**  
Manchester, NH

In planning and performing our audit of the financial statements of Curbstone Financial Management Corporation, as of and for the year ended March 31, 2015 (on which we have issued our report dated May 28, 2015), in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of compliance with such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g). Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13.
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's previously mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

*-Continued on Next Page-*

**INDEPENDENT REGISTERED AUDITOR'S REPORT ON INTERNAL CONTROL  
STRUCTURE - Continued**

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

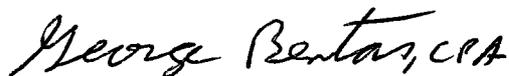

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the company's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined previously.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at March 31, 2015, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

**Independent Registered Public Accounting Firm's Review Report on Company's  
Exemption Report Pursuant to SEC Rule 15c3-3**

To the Board of Directors of **Curbstone Financial Management Corporation**  
Manchester, NH

***Introductory Paragraph***

We have reviewed management's statements, included in the accompanying *Company's Exemption Report Pursuant to SEC Rule 15c3-3*, in which (1) Curbstone Financial Management Corporation (the "Company") identified the following provisions of 17 C.F.R. § 15c3-3(k) under which the Company claimed an exemption from 17 C.F.R. § 240.15c3-3: (k)(2)(ii) (the "exemption provisions") and (2) Curbstone Financial Management Corporation stated that the Company met the identified exemption provisions throughout the fiscal year ended March 31, 2015 without exception. Curbstone Financial Management Corporation's management is responsible for compliance with the exemption provisions and its statements.

***Scope Paragraph***

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Curbstone Financial Management Corporation's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

***Review Results Paragraph***

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.
