1. Summary of Business and Significant Accounting Policies

Business

SF Sentry Securities, Inc. (the "Company") was incorporated on June 25, 1990 in the state of California. In November 1990, the Company registered with the Securities and Exchange Commission as a broker-dealer in securities pursuant to Section 15 (B) of the Securities Exchange Act of 1934. In April 1991, the Company became a member of the Financial Industry Regulatory Authority, Inc. (FINRA), formerly known as the National Association of Securities Dealers (NASD). The Company commenced securities transactions in June 1991, and earns income primarily through commissions on the brokerage of securities and private placement fees. JPMorgan Chase Bank, N.A. provides clearing services to the Company.

Cash

The Company maintains its cash in bank deposit accounts which at times may exceed federally insured limits. The Company has not experienced any losses in such accounts.

Revenue Recognition

Securities commission revenue and related expenses arising from securities transactions are also recorded on a trade-date basis as reported by the clearing broker. Private placement fee revenue is recognized as per the terms of respective agreements at the completion of the transaction. Profit and losses arising from transactions entered into for the account and risk of the Company are recorded on a trade date basis.

Income Taxes

The Company uses the asset and liability method of accounting to record income taxes. Accordingly, deferred income taxes reflect the net tax effects of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for federal and state income tax purposes.

The Company believes that it does not have unrecognized tax benefits in accordance with FASB ASC 740, "Income Taxes". Management evaluates the recognition and measurement of any uncertain tax positions taken on the Company's income tax returns in the current year as well as in all past years that are still open to examination by tax authorities. Management's conclusion regarding uncertain tax positions may be subject to review and adjustment at a later date based on upon ongoing analysis of tax laws, regulations and interpretations thereof as well as other factors. Income tax returns for the years from 2011 are open to examination by tax authorities.

1. Summary of Business and Significant Accounting Policies (continued)

Use of Estimates

The process of preparing financial statements in conformity with accounting principles generally accepted in the United States of America requires the use of estimates and assumptions regarding certain types of assets, liabilities, revenues and expenses. Such estimates primarily relate to unsettled transactions and events as of the date of the financial statements. Accordingly, upon settlement, actual results may differ from estimated amounts.

2. Indemnification

The Company enters into contracts that contain a variety of indemnifications for which the maximum exposure is unknown. The Company has no current claims or losses pursuant such contracts.

For the year ended May 31, 2015, the affiliates allocated the Company expenses totaling \$159,484 which are included in the office expenses and employee compensation and benefits lines in the accompanying statement of operations.

4. Pension Plan

## REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Shareholders of  
SF Sentry Securities, Inc.

We have reviewed management's statements, included in the accompanying Exemption Report, in which (1) SF Sentry Securities, Inc. (the "Company") identified the following provisions of 17 C.F.R. §15c3-3(k) under which the Company claimed an exemption from 17 C.F.R. §240.15c3-3: (2)(ii), (the "exemption provisions") and (2) the Company stated that it met the identified exemption provisions throughout the most recent fiscal year without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.
