**REPORT OF INDEPENDENT REGISTERED PUBLIC
ACCOUNTING FIRM**

To the Board of Directors of
The Securities Center, Inc.
Chula Vista, California

We have audited the accompanying financial statements of The Securities Center, Inc. (the "Company") (a California corporation), which comprise the statement of financial condition as of June 30, 2015, and the related statements of operations, changes in stockholder's equity, and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements and supplementary information. The Company's management is responsible for these financial statements. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of the Company as of June 30, 2015, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The supplementary information listed in the accompanying table of contents has been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The supplementary information is the responsibility of the Company's management. Our audit procedures included determining whether the supplementary information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplementary information. In forming our opinion on the supplementary information, we evaluated whether the supplementary information, including its form and content, is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934. In our opinion, the supplementary information is fairly stated, in all material respects, in relation to the financial statements as a whole.

THE SECURITIES CENTER, INC.

Notes to Financial Statements

June 30, 2015

1. THE COMPANY AND ITS SIGNIFICANT ACCOUNTING POLICIES

The Company. The Securities Center, Inc. (the "Company") is a registered broker-dealer licensed by the Securities and Exchange Commission ("SEC") and a member of the Financial Industry Regulatory Authority and the Securities Investor Protection Corporation. The Company provides broker-dealer services as an introducing broker-dealer clearing customer transactions through another broker-dealer on a fully disclosed basis.

Basis of Accounting. The financial statements of the Company have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("US GAAP") and in the format prescribed by Rule 17a-5 under the Securities Exchange Act of 1934 for broker/dealers in securities.

Accounting Estimates. The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results may differ from those estimates.

Cash Equivalents. For purposes of the statement of cash flows, the Company has defined cash equivalents as highly liquid investments with original maturities of less than three months that are not held for sale in the ordinary course of business.

Revenue and Income Recognition. Commission revenue is recognized on a trade date basis. Fee income is recognized as earned.

The Company records its marketable securities transactions on a trade-date basis. Realized gains or losses are recorded upon disposition of investments are calculated based upon the difference between the proceeds and the cost basis determined using the specific identification method. Other changes in the valuation of marketable securities held at the date of the financial statements are included as net investment income (loss) in the statements of operations. Dividend income and expense is recorded on the ex-dividend date and interest income and expense is recorded on the accrual basis.

Advertising Costs. Advertising and promotion costs are expensed as incurred.

Income Taxes. Income taxes are accounted for using the liability method whereby deferred tax asset and liability account balances are calculated at the date of the statement of financial condition using the current tax laws and rates in effect.

The Company is potentially subject to income tax examinations by major taxing authorities during the tax year ends June 30, 2011 to 2015. The Company's management believes that there are no significant uncertain tax positions taken by the Company.

The Company has elected to carryforward its \$24,000 (federal) and \$22,000 (California) net operating losses for the tax year ended June 30, 2015. They will expire in 2035. The Company also has \$30,000 in capital loss carryforwards that begin to expire in tax year ending June 30, 2016.

See accompanying independent registered public accounting firm's report.

THE SECURITIES CENTER, INC.

Notes to Financial Statements

June 30, 2015

1. THE COMPANY AND ITS SIGNIFICANT ACCOUNTING POLICIES (Continued)

Concentrations. The Company maintains cash balances with various financial institutions. Management performs periodic evaluations of the relative credit standing of these institutions. The Company has not sustained any material credit losses from these instruments.

Receivables are due primarily from financial institutions such as investment companies, insurance companies, and clearing broker/dealers. These entities are geographically dispersed across the United States. The Company maintains individually significant receivable balances with major financial institutions. If the financial condition and operations of these institutions deteriorate substantially, the Company's operating results could be adversely affected. No allowance for doubtful accounts was considered necessary at June 30, 2015.

Marketable Securities. The Company's marketable securities are recorded at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 2 for discussion of fair value measurements on marketable securities.

Other Financial Instruments. Management believes that the carrying values of other financial instruments, including cash equivalents, receivables, and accounts payable and accrued liabilities, reflected in the statement of financial condition at June 30, 2015 reasonably approximate their fair values.

Subsequent Events. The Company has evaluated events subsequent to the date of the statement of financial condition for items requiring recording or disclosure in the financial statements. The evaluation was performed through the date of the report of independent registered public accounting firm, which is the date the financial statements were available to be issued. Based upon this review, the Company has determined that there were no events which took place that would have a material impact on its financial statements.

2. FAIR VALUE OF MARKETABLE SECURITIES

The Company follows a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

- Level 1 inputs are unadjusted quoted prices for identical assets or liabilities in active markets that the Company has the ability to access.
- Level 2 inputs are inputs (other than quoted prices included with level 1) that are observable for the asset or liability, either directly or indirectly.
- Level 3 are unobservable inputs for the asset or liability and rely on management's own assumptions about the assumptions that market participants would use in pricing the asset or liability.

See accompanying independent registered public accounting firm's report.

THE SECURITIES CENTER, INC.

Notes to Financial Statements

June 30, 2015

2. FAIR VALUE OF MARKETABLE SECURITIES (Continued)

The following is a description of the valuation methodologies used for assets measured at fair value.

- Equity securities and mutual funds (marketable securities): Valued at quoted market prices.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Company believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Company's marketable securities at fair value as of June 30, 2015:

	<i>Level 1</i>	<i>Level 2</i>	<i>Level 3</i>	<i>Total</i>
Equity securities and mutual funds (marketable securities)	<u>\$156,524</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$156,524</u>

3. NET CAPITAL REQUIREMENTS

Under Rule 15c3-1 of the Securities Exchange Act of 1934, the Company is required to maintain a minimum net capital (as defined) and a ratio of aggregate indebtedness to net capital (as defined) not exceeding 15 to 1.

The Company's ratio at June 30, 2015 was 0.5449 to 1. The basic concept of the requirement is liquidity, its object being to require a broker-dealer in securities to have at all times sufficient liquid assets to cover its current indebtedness. At June 30, 2015, the Company had net capital of \$174,580 which was \$168,238 in excess of the amount required by the SEC.

4. COMPUTATION FOR DETERMINATION OF RESERVE REQUIREMENTS AND INFORMATION RELATING TO THE POSSESSION AND CONTROL REQUIREMENTS UNDER SEC RULE 15c3-3

The Company relies on Section (k) (2) (ii) of the SEC Rule 15c3-3 to exempt them from the provisions of these rules.

See accompanying independent registered public accounting firm's report.

THE SECURITIES CENTER, INC.

Notes to Financial Statements

June 30, 2015

5. COMMITMENTS AND CONTINGENCIES

Lease Commitment. The Company leases its facilities on a short-term basis. Rent expense was \$22,200 for the year ended June 30, 2015.

Off Balance Sheet Risk. As discussed in Note 1, the Company does not hold customer segregated cash or securities balances. Transactions are processed by a clearing firm on a fully disclosed basis. In conjunction with this arrangement, the Company is contingently liable for any unsecured debit balances in the customer accounts introduced by the Company. These customer activities may expose the Company to off-balance-sheet credit risk in the event the introduced customer is unable to fulfill its contracted obligations. The Company seeks to control such credit risk by monitoring its exposure to the risk of loss daily, on an account-by-account basis. At June 30, 2015, the Company was not responsible for any unsecured debits and did not have any open positions in its trading accounts.

6. EMPLOYEE BENEFIT – SEP-IRA

The Company has established a simplified employee pension – individual retirement accounts contribution agreement (“SEP-IRA”) for eligible employees. Eligibility begins after an employee has attained age twenty-one and has three years of service during the immediately preceding five years. Under the arrangement, the amount of the employer’s contribution is discretionary and is determined by the Company each year. During the year ended June 30, 2015, the employer contribution made to the SEP-IRA accounts was \$45,210.

See accompanying independent registered public accounting firm’s report.

**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM ON
EXEMPTION REPORT REQUIRED BY SEC RULE 15c3-3**

To the Board of Directors of
The Securities Center, Inc.
Chula Vista, California

We have reviewed management's statements, included in the accompanying Exemption Report dated August 4, 2015, in which (1) The Securities Center, Inc. (the "Company") identified the following provisions of 17 C.F.R. §15c3-3(k) under which the Company claimed an exemption from 17 C.F.R. §240.15c3-3: (2) ii (the "exemption provisions"), and (2) the Company stated that the Company met the identified exemption provision throughout the most recent fiscal year without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.

Re: SEC Rule 17a-5(d)(4) Exemption Report

Dear Sirs:

Pursuant to the referenced rule we are applying for an exemption under the provisions of Rule 15c3-3. Our firm is an introducing broker or dealer who clears substantially all of our securities transactions through Wedbush Securities, Inc., the clearing broker or dealer which carries the accounts of our customers and maintains and preserves such books and records pertaining thereto pursuant to the requirements of 240.17a-3 and 240.17a-4, as are customarily made and kept by a clearing broker or dealer. Our agreement and arrangements have been in place with Wedbush Securities, Inc. since 1984 and certainly for the most recent fiscal year.

Our firm also maintains contractual relationships with several recognized mutual fund companies who hold our customer funds outside of the Wedbush Securities, Inc. relationship. Those fund companies carry the customer accounts and maintain and preserve books and records pertaining thereto pursuant to the same requirements of 240.17a-3 and 240.17a-4.

With respect to any and all customer funds/checks that we are presented, all checks are payable to either Wedbush Securities, Inc. or the respective mutual fund company, not to The Securities Center, Inc. or any other entity or person, and we send those checks directly to the respective company by overnight delivery regardless of size.

We do not accept/receive customer stock certificates under any circumstance and we do not prepare or provide any kind of statements to or for our customers.

Further, we have engaged, since July 13, 2015, the certified auditing firm of Lavine, Lofgren, Morris & Engelberg, LLP, 4180 La Jolla Village Drive, Suite 300, La Jolla, CA 92037 as our PCAOB qualified firm to prepare each year's financial audit including this year's June 30, 2015 audit that will be filed by the end of this month.

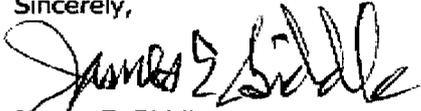

MEMBER: Securities Investor Protection Corporation

See accompanying independent registered public accounting firm's exemption report.

The foregoing statements are true to the best of my belief and knowledge.

Thank you for your consideration.

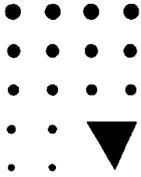

Sincerely,

**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING
FIRM'S AGREED-UPON PROCEDURES REPORT ON SCHEDULE
OF ASSESSMENT AND PAYMENTS (FORM SIPC-7)**

To the Board of Directors of
The Securities Center, Inc.
Chula Vista, California

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments ("Form SIPC-7") to the Securities Investor Protection Corporation ("SIPC") for the year ended June 30, 2015, which were agreed to by The Securities Center, Inc., (the "Company") and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC, solely to assist you and the other specified parties in evaluating the Company's compliance with the applicable instructions of Form SIPC-7. The Company's management is responsible for the Company's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the Public Company Accounting Oversight Board (United States). The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries, noting no differences;
2. Compared the amounts reported on the audited Form X-17A-5 for the year ended June 30, 2015, as applicable, with the amounts reported in Form SIPC-7 for the year ended June 30, 2015, noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers, noting no differences;

Independent Registered Accounting Firm's Agreed-Upon Procedures Report (Continued)

4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments, noting no differences; and
5. Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed, noting no differences (if applicable).

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
