REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Member of
Foreside Investment Services, LLC
(A Wholly-Owned Subsidiary of Foreside Financial Group, LLC)

We have audited the accompanying statement of financial condition of Foreside Investment Services, LLC as of September 30, 2015 that is filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements. Foreside Investment Services, LLC's management is responsible for this financial statement. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial condition, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall statement of financial position presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial condition of Foreside Investment Services, LLC as of September 30, 2015 in accordance with accounting principles generally accepted in the United States of America.

FORESIDE INVESTMENT SERVICES, LLC
(A Wholly-Owned Subsidiary of Foreside Financial Group, LLC)

NOTES TO FINANCIAL STATEMENT

SEPTEMBER 30, 2015

NOTE 1 - ORGANIZATION

Foreside Investment Services, LLC (the “Company”), a limited liability company, is an indirect wholly-owned subsidiary of Foreside Financial Group, LLC (“Foreside”) and a direct subsidiary of Foreside Distributors, LLC (the “Parent”). The Company is registered with the Securities and Exchange Commission (“SEC”) as a broker-dealer and is a member of both the Financial Industry Regulatory Authority (“FINRA”) and the Securities Investor Protection Corporation (“SIPC”).

The Company is approved by FINRA to engage in certain activities, including the wholesaling and marketing of private placements of securities in addition to providing FINRA Series 79 registration and related services to the investment banking industry.

The limited liability company operating agreement provides for the Company to exist into perpetuity.

The accompanying financial statement has been prepared from the separate records maintained by the Company and, due to certain transactions and agreements with affiliated entities, may not necessarily be indicative of the financial condition that would have existed, or the results that would have been obtained from operations, had the Company operated as an unaffiliated entity.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

USE OF ESTIMATES

The preparation of the financial statement in conformity with U.S. generally accepted accounting principles (“GAAP”) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and disclosures of contingent assets and liabilities at the date of the financial statement. Actual results could differ from those amounts.

CASH EQUIVALENTS

The Company considers all highly liquid temporary cash investments with an original maturity of three months or less when purchased to be cash equivalents.

At September 30, 2015, the Company had no cash equivalents.

NOTES TO FINANCIAL STATEMENT

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

RECEIVABLES

The Company extends unsecured credit in the normal course of business to its clients. The determination of the amount of uncollectible accounts is based on the amount of credit extended and the length of time each receivable has been outstanding. The allowance for uncollectible amounts reflects the amount of loss that can be reasonably estimated by management. As of September 30, 2015, the Company had not recorded an allowance for any potential non-collection.

INCOME TAXES

The Company is a disregarded entity for federal income tax purposes and is, therefore, required to be treated as a division of Foreside. The earnings and losses of the Company are included in the tax return of Foreside. The Company is not subject to income taxes in any jurisdiction. Foreside's members are responsible for the tax liability, if any, related to their proportionate share of the Company's taxable income. Accordingly, no provision for income taxes is reflected in the accompanying financial statement. Management has concluded that the Company is a pass-through entity and there are no uncertain tax positions that would require recognition in the financial statement. If the Company were to incur an income tax liability in the future, interest on any income tax liability would be reported as interest expense and penalties on any income tax liability would be reported as income taxes. For the year ended September 30, 2015, no interest or penalties were required to be recorded.

Management's conclusions regarding uncertain tax positions may be subject to review and adjustment at a later date based upon ongoing analyses of tax laws, regulations and interpretations thereof as well as other factors. The Company does not expect any changes in its unrecognized tax benefits in the next year.

NOTE 3 - FAIR VALUE

The Company defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The standard establishes the following hierarchy used in fair value measurements and expands the required disclosures of assets and liabilities measured at fair value:

- Level 1 - Inputs use quoted unadjusted prices in active markets for identical assets or liabilities that the Company has the ability to access.

(A Wholly-Owned Subsidiary of Foreside Financial Group, LLC)

NOTES TO FINANCIAL STATEMENT

NOTE 3 - FAIR VALUE (CONTINUED)

- Level 2 - Fair value measurements use other inputs that are observable, either directly or indirectly. These inputs include quoted prices for similar assets and liabilities in active markets as well as other inputs such as interest rates and yield curves that are observable at commonly quoted intervals.
- Level 3 - Inputs that are unobservable inputs, including inputs that are available in situations where there is little, if any, market activity for the related asset or liability.

The inputs or methodology used for valuing assets and liabilities are not necessarily an indication of the risk associated with investing in those assets and liabilities.

As of September 30, 2015, the Company had no financial instruments that required to be fair valued.

There were no transfers between Levels 1, 2, and 3 as of September 30, 2015.

At September 30, 2015, the Company did not hold any Level 2 or Level 3 assets or liabilities.

NOTE 4 - RELATED PARTY TRANSACTIONS

The financial statement has been prepared from the separate records maintained by the Company. The Company shares office space and equipment with affiliates, which are under common control of Foreside. Accordingly, the Company has been allocated a portion of such shared costs. Also, the Parent provides administrative, legal, human resource and other general support services, the cost of which is allocated to the Company. For the year ended September 30, 2015, these allocated expenses totaled \$85,403. At September 30, 2015, amounts due to the related party totaled \$9,567, which is included in "Due to related party" on the Statement of Financial Condition.

The Parent agrees to financially assist the Company and is committed to provide such funds, as needed, to operate the business.

During the year ended September 30, 2015, the Company received capital contributions from its Parent totaling \$165,000.

NOTES TO FINANCIAL STATEMENT

SEPTEMBER 30, 2015

NOTE 5 - NET CAPITAL REQUIREMENT

The Company is subject to the SEC's Uniform Net Capital Rule 15c3-1, which requires the maintenance of minimum net capital and the ratio of aggregate indebtedness to net capital not to exceed 15 to 1. The rule also provides that equity capital may not be withdrawn, or cash distributions paid, if the resulting net capital ratio would exceed 10 to 1. At September 30, 2015, the Company had net capital of \$126,459, which was \$101,459 in excess of its minimum required net capital of \$25,000. The Company's ratio of aggregate indebtedness to net capital at September 30, 2015 was 0.21 to 1.

NOTE 6 - REGULATORY COMPLIANCE

The Company claims exemption under the exemptive provisions of Rule 15c3-3 under subparagraph (k)(2)(i) - the Company has no customers, carries no accounts and does not otherwise hold funds or securities.

NOTE 7 - COMMITMENTS AND CONTINGENCIES

INDEMNIFICATIONS

The Company provides representations and warranties to counterparties in connection with a variety of commercial transactions and occasionally indemnifies them against potential losses caused by the breach of those representations and warranties. These indemnifications generally are standard contractual terms and are entered into in the normal course of business. The Company's maximum exposure under these arrangements cannot be known; however, the Company expects any risk of loss to be remote.

CREDIT RISK

The Company maintains a checking account in a financial institution. The account is insured by the Federal Deposit Insurance Corporation ("FDIC"). At times, cash may be uninsured or in deposit accounts that exceed the FDIC insurance limit. The Company has not experienced any losses in the account. The Company believes it is not exposed to any significant risk on cash. Management periodically assesses the financial condition of the bank and believes that any potential credit loss is minimal.

The Company has entered into a Business Advisory Agreement with each client; each having various terms and conditions outlined within each agreement. The Company has also entered into a Securities and Services Agreement (“SASA”) with some clients, which, if not terminated, shall continue for successive one-year terms, provided such continuation is approved at least annually in accordance with the terms of the SASA.

NOTE 9 - SUBSEQUENT EVENTS

Management has evaluated the impact of all events and transactions occurring after period end through the date this financial statement was issued, and has determined that there were no subsequent events requiring recognition or disclosure.
