Board of Directors
Insight Securities, Inc.

We have audited the accompanying statement of financial condition of Insight Securities, Inc. (a Delaware corporation) (the Company) as of June 30, 2015, and the related statements of operations, changes in shareholder's equity and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. We were not engaged to perform an audit of the Company's internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Insight Securities, Inc. as of June 30, 2015, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The information contained on page 14 and 15 has been subjected to audit procedures performed in conjunction with the audit of Company's basic financial statements. Such supplementary information is the responsibility of the Company's management. Our audit procedures included determining whether the information reconciles to the basic financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented on pages 14 and 15. In forming our

opinion on the supplementary information, we evaluated whether the information, including its form and content, is presented in conformity with Rule 17a-5 under the Securities Exchange Act of 1934. In our opinion, the supplementary information referred to above is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

Insight Securities, Inc.
NOTES TO FINANCIAL STATEMENTS
June 30, 2015

NOTE A - NATURE OF BUSINESS

Insight Securities, Inc. (the Company), a wholly owned subsidiary of Intelligenics, Inc. (the Parent Company), acts as an introducing broker/dealer in the purchase and sale of securities and options, and as a registered investment adviser to certain customers on a fee basis. The Company is a broker/dealer registered with the U.S. Securities and Exchange Commission and a member of the Financial Industry Regulatory Authority, Inc.

The Company has agreements with clearing brokers to clear securities transactions, carry customer accounts on a fully disclosed basis and perform record-keeping functions. Accordingly, the Company operates under the exemptive provisions of U.S. Securities and Exchange Commission Rule 15c3-3(k)(2)(ii).

The Company has 21 branches located in Alabama, California, Colorado, Florida, Illinois, Iowa, Massachusetts, Nevada, New York, Pennsylvania and Texas, and has customers, primarily individuals, in numerous states in which the Company is registered.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements are maintained in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Revenue Recognition

All customer security transactions are cleared on a fully disclosed basis with clearing brokers. Commission revenues and related expenses arising from such transactions are recorded on a trade-date basis. Investment advisory fees are accrued and recognized monthly, based on quarterly period-end balances. Insurance commissions are recognized after review of the insurance policy to ensure that the policy's outlined terms were agreed upon with the agent and policy holder. Unrealized gains or losses are recognized as the differences between cost and fair value of securities positions.

Investments

Proprietary securities transactions are recorded on the trade date, as if they had settled. In the normal course of business, the Company, like other firms in the industry, purchases and sells securities as both principal and agent. If another party to the transaction fails to perform as agreed, the Company may incur a loss if the market value of the security is different from the contract amount of the transaction. Amounts receivable and payable for securities transactions that have not reached their contractual settlement date are recorded on the statement of financial condition.

Securities are financial instruments and are recorded at fair value.

Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions in determining the reported amounts of assets and liabilities, disclosure of

Insight Securities, Inc.
NOTES TO FINANCIAL STATEMENTS - CONTINUED
June 30, 2015

contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents include cash, money market funds and highly liquid debt instruments purchased with an original or remaining maturity of three months or less from the acquisition date. At times, the Company maintains cash balances at financial institutions in excess of federally insured limits. The Company monitors this credit risk and has not experienced any losses related to this risk.

NOTE C - NET CAPITAL REQUIREMENTS

As a broker/dealer, the Company is subject to the U.S. Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. As of June 30, 2015, the net capital ratio was 2.46 to 1 and the net capital was \$ 372,482, which was \$ 272,482 in excess of its required net capital of \$100,000. Net capital and the related net capital ratio may fluctuate on a day-to-day basis.

NOTE D - ACCOUNTS PAYABLE AND ACCRUED EXPENSES

Accounts payable and accrued expenses consist of the following at June 30, 2015:

Accrued commissions	\$696,290
Due to clearing broker	50,781
Due for seminar	12,250
Other	<u>157,325</u>
Total	<u>\$916,646</u>

NOTE E - INCOME TAXES

The Company is included in the consolidated income tax returns filed by the Parent Company. For financial reporting purposes, the provisions for federal and state income taxes are calculated on a separate-company basis.

Income taxes are computed using an asset and liability approach that requires the recognition of deferred tax assets and liabilities for the expected future tax consequences of events that have been recognized in the Company's financial statement or tax returns. At June 30, 2015, the Company had no deferred tax assets or liabilities.

The differences between the income tax expense computed at the U.S. statutory income tax rate and the Company's income tax expense at June 30, 2015, were not significant.

Insight Securities, Inc.
NOTES TO FINANCIAL STATEMENTS - CONTINUED
June 30, 2015

A tax position is recognized as a benefit only if it is more likely than not that the tax position would be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount of tax benefit that has a greater than 50% likelihood of being realized on examination. The Company applied this accounting policy to the 2012, 2013 and 2014 tax positions, all open tax years. As of June 30, 2015, the Company had no material unrecognized federal or state tax benefits. There have been no material changes in unrecognized tax benefits during the current year. The Company did not have any material amounts accrued for interest and penalties at June 30, 2015. Interest or penalties on income taxes, if incurred, are recognized on the statement of operations.

NOTE F - RELATED-PARTY TRANSACTIONS

The Company leases equipment on a month-to-month basis from an affiliate related through common ownership. Rent expense under this arrangement for the year ended June 30, 2015, was \$97,000, and is included within other operating expenses.

In addition, the Company began leasing building space in November 2006 from the Parent Company on a month-to-month basis. Rent expense under this arrangement for the year ended June 30, 2015, was \$115,243, and is included within occupancy and other office expenses on the accompanying statement of operations.

NOTE G - COMMITMENTS, CONTINGENCIES AND GUARANTEES

Clearing Agreement

In conjunction with its agreement with the clearing brokers, the Company has agreed to (1) indemnify and hold the clearing brokers harmless against any loss, liability, damage, claim, cost or expense; and (2) maintain a balance with the brokers of cash and/or securities of not less than \$150,000 and \$200,000, respectively. Accordingly, the Company is subject to credit risk if the clearing brokers are unable to repay the balance on their accounts.

Financial Instruments with Off-balance Sheet Risk

This agreement provides the clearing brokers with a lien on all cash and cash equivalents, securities and receivables held by the clearing brokers. These liens secure the liabilities and obligations of the Company to the clearing brokers.

At June 30, 2015, the Company had cash of \$220,103 on deposit with one of the clearing brokers, and \$200,109 of cash with a second clearing broker. These balances are included within cash and cash equivalents on the accompanying statement of financial condition.

In the normal course of business, the Company executes, both as agent and principal, transactions on behalf of its customers. Pursuant to the clearing agreement, the clearing brokers act as the principal in agency transactions. If the agency transactions do not settle due to failure to perform by either the customer or the counterparty, the Company may be obligated to discharge the obligation of the non-performing party and, as

Insight Securities, Inc.
NOTES TO FINANCIAL STATEMENTS - CONTINUED
June 30, 2015

a result, may incur a loss if the market value of the securities differs from the contract amount. The Company's risk is normally limited to differences in market values of the securities from their contract amounts.

The Company does not anticipate non-performance by customers or counterparties. The Company's policy is to monitor its market exposure and counterparty risk. In addition, the Company has a policy of reviewing, as considered necessary, the credit standing of each counterparty and customer with which it conducts business.

From time to time, the Company may sell securities short, which involves an obligation to purchase such securities at a future date. The Company's risk of loss is normally limited to increases in fair values of uncovered positions. There were no such transactions outstanding at June 30, 2015.

Litigation and Arbitration

In the normal course of business, the Company is subject to various litigation and arbitration matters. These matters are vigorously defended and management believes numerous meritorious defenses exist. Management does not believe the eventual outcome of any pending litigation in the aggregate will have an additional material adverse effect on the Company's financial statements.

NOTE H - SUBSEQUENT EVENTS

Company management has determined that no additional material events or transactions occurred subsequent to June 30, 2015, and through August 28, 2015, the date Company's financial statements were available for issuance, which would require adjustments to and/or additional disclosure in the Company's financial statements.

Board of Directors
Insight Securities, Inc.

We have reviewed management's statements, included in the accompanying Exemption Report, in which (1) Insight Securities, Inc. (a Delaware corporation) (the Company) identified the following provisions of 17 C.F.R. §15c3-3(k) under which the Company claimed an exemption from 17 C.F.R. §240.15c3-3: (k)(2)(ii) (the exemption provisions) and (2) the Company stated that the Company met the identified exemption provisions throughout the most recent fiscal year without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.

The Company's management is responsible for the Company's compliance with those requirements.

This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

2. Compared the amounts reported on the audited Form X-17A-5 for the year ended June 30, 2015, as applicable, with the amounts reported in Form SIPC-7 for the year ended June 30, 2015, noting no differences.

4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments, noting no differences.

We were not engaged to and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be, and should not be, used by anyone other than these specified parties.
