Report of Independent Registered Public Accounting Firm

To the Board of Directors and Shareholder
Pacific Financial Associates, NV
Hallandale Beach, FL

I have audited the accompanying statement of financial condition of Pacific Financial Associates, NV (the “Company”), a Nevada corporation, which comprise the statement of financial condition as of June 30, 2015, and the related statements of income (loss), changes in shareholder’s equity, and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements and supplemental information. The Company’s management is responsible for these financial statements. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Company is not required to have, nor was I engaged to perform, an audit of its internal control over financial reporting. My audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company’s internal control over financial reporting. Accordingly, I express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of the Company as of June 30, 2015, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The information contained in Schedules I, II and III, (the “supplemental information”) has been subjected to audit procedures performed in conjunction with the audit of the Company’s financial statements. The supplemental information is the responsibility of the Company’s management. My audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information.

In forming my opinion on the supplemental information, I evaluated whether the supplemental information, including its form and content, is presented in conformity with 17a-5 of the Securities Exchange Act of 1934. In my opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

To the Board of Directors and Stockholder
of Pacific Financial Associates, NV

I have reviewed management's statements, included in the accompanying Pacific Financial Associates, NV Exemption Report in which (1) Pacific Financial Associates, NV identified the following provisions of 17C.F.R. 15c3-3(k) under which Pacific Financial Associates, NV claimed an exemption from 17 C.F.R. 240.15c3-3: ((k) (1)) (the "exemption provisions") and (2) Pacific Financial Associates, NV stated that Pacific Financial Associates, NV met the identified exemption provisions throughout the most recent fiscal year without exception. My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Pacific Financial Associates, NV's compliance with the exemption provisions.
