Report of Independent Registered Public Accounting Firm

To the Board of Directors
Western Financial Corporation
San Diego, CA 92101

I have audited the accompanying financial statements of Western Financial Corporation (the “Company”), a California corporation, which comprise the statement of financial condition as of September 30, 2015 and the related statements of income (loss), changes in stockholders’ equity, changes in liabilities subordinated to the claims of general creditors and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements and supplemental information. The Company’s management is responsible for these financial statements. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Company is not required to have, nor was I engaged to perform, an audit of its internal control over financial reporting. My audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company’s internal control over financial reporting. Accordingly, I express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of the Company as of September 30, 2015, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The information contained in Schedules I, II and III (the “supplemental information”) has been subjected to audit procedures performed in conjunction with the audit of the Company’s financial statements. The supplemental information is the responsibility of the Company’s management. My audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information.

Western Financial Corporation

In forming my opinion on the supplemental information, I evaluated whether the supplemental information, including its form and content, is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934. In my opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Notes to Financial Statements

Note 1 – Organization and Nature of Business

Western Financial Corporation (the “Company”) was incorporated in the State of California on October 7, 1971 under the name of JB Financial. On April 16, 1974, the Company changed the name to Western Financial Corporation. The Company is a registered broker-dealer in securities under the Securities and Exchange Act of 1934, a member of the Financial Industry Regulatory Authority (“FINRA”), Municipal Securities Rulemaking Board (“MSRB”), and the Securities Investor Protection Corporation (“SIPC”).

Note 2 – Significant Accounting Policies

Basis of Presentation – The Company conducts the following types of business as a securities broker-dealer, which comprises several classes of services, including:

- Broker or dealer retailing corporate equity securities over-the-counter
- Broker or dealer selling corporate debt securities
- Mutual fund retailer
- U.S. government securities broker
- Municipal securities dealer
- Put and call broker or dealer or option writer
- Non-exchange member arranging for transactions in listed securities by exchange member
- Private placements of securities

Under its membership agreement with FINRA and pursuant to Rule 15c3 (k) (2) (ii), the Company conducts business on a fully disclosed basis and does not execute or clear securities transactions for customers. Accordingly, the Company is exempt from the requirement of Rule 15c3-3 under the Securities Exchange Act of 1934 pertaining to the possession or control of customer assets and reserve requirements.

Use of Estimates - The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Commissions – Commissions and related clearing expenses are recorded on a trade-date basis as securities transactions occur.

Investment Banking – Investment banking revenues include fees arising from securities offerings in which the Company acts as an agent. Investment banking revenues also include fees earned from providing merger and acquisition and financial restructuring advisory services. Note 2 – Significant Accounting Policies (continued)

Income Taxes – The amount of current and deferred taxes payable or refundable is recognized as of the date of the financial statements, utilizing currently enacted tax laws and rates. Deferred tax expenses or benefits are recognized in the financial statements for the changes in deferred tax liabilities or assets between years.

The Company recognizes and measures its unrecognized tax benefits in accordance with FASB ASC 740, *Income Taxes*. Under that guidance the Company assesses the likelihood, based on their technical merit, that tax positions will be sustained upon examination based on the facts, circumstances and information available at the end of each period. The measurement of unrecognized tax benefits is adjusted when new information is available, or when an event occurs that requires a change.

The accounting principles generally accepted in the United States of America provides accounting and disclosure guidance about positions taken by an organization in its tax returns that might be uncertain. Management has considered its tax positions and believes that all of the positions taken by the Company in its Federal and State organization tax returns are more likely than not to be sustained upon examination. The Company is subject to examinations by U.S. Federal and State tax authorities from 2012 to the present, generally for three years after they are filed.

Statement of Cash Flows - The Company has defined cash equivalents as highly liquid investments, with original maturities of less than three months that are not held for sale in the ordinary course of business.

Note 8 – Concentration of Credit Risk

The Company is engaged in various trading and brokerage activities in which counter-parties primarily include broker-dealers, banks, and other financial institutions. In the event counter-parties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counter-party or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counter-party.

Note 9 – Net Capital Requirements

Under a SIMPLE IRA plan, employees may choose to make salary reduction contributions and the employer makes matching or non-elective contributions. All contributions are made directly to an Individual Retirement Account or Individual Retirement Annuity (IRA) set up for each employee (a SIMPLE IRA). SIMPLE IRA plans are maintained on a calendar-year basis. The SIMPLE IRA plan was established to cover all full-time employees who elect to participate in the plan. The Company matches each employee's salary reduction contribution on a dollar-for-dollar basis up to 3% of the employee's compensation. During the year ended September 30, 2015 there were employer contributions made for eligible participants of the SIMPLE IRA plan in the amount of \$25,981.

Note 14 – Subsequent Events

Management has reviewed the results of operations for the period of time from its year end September 30, 2015 through November 12, 2015, the date the financial statements were available to be issued, and has determined that no adjustments are necessary to the amounts reported in the accompanying financial statements nor have any subsequent events occurred, the nature of which would require disclosure.

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, I have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments (Form SIPC-7) to the Securities Investor Protection Corporation (SIPC) for the year ended September 30, 2015, which were agreed to by Western Financial Corporation (the "Company") and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc. and SIPC solely to assist you and the other specified parties in evaluating the Company's compliance with the applicable instructions of the Form SIPC-7. The Company's management is responsible for the Company's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the Public Company Accounting Oversight Board (United States). The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, I make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures I performed and my findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries, (copy of check number 3389, dated 10/16/15), noting no differences;
2. Compared the amounts reported on the audited Form X-17A-5 for the year ended September 30, 2015, as applicable, with the amounts reported in Form SIPC-7 for the year ended September 30, 2015, noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers (Statement of Income (Loss) and FOCUS Reports), noting no differences;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers (Statement of Income (Loss) and FOCUS Reports) supporting the adjustments, noting no differences; and

Had I performed additional procedures, other matters might have come to my attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.

Part III
Report of Independent Registered Public Accounting Firm

To the Board of Directors and Stockholders
of Western Financial Corporation

I have reviewed management's statements, included in the accompanying Western Financial Corporation (the "Company") Exemption Report in which (1) the Company identified the following provisions of 17C.F.R. §15c3-3(k) under which the Company claimed an exemption from 17 C.F.R. §240.15c3-3: ((k) (2) (ii)) (the "exemption provisions") and (2) the Company stated that they met the identified exemption provisions from October 1, 2014 to September 30, 2015 (the Company's fiscal year end) without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k) (2) (ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.
