**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

To the Members of  
Arjent LLC

We have audited the accompanying financial statements of Arjent LLC (the "Company"), which comprise the statement of financial condition as of December 31, 2013, and the related statement of operations, changes in members' equity, and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements.

**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United State of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Arjent LLC at December 31, 2013, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

**Supplementary Information**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information contained in Schedules I, II and III is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTES TO STATEMENT OF FINANCIAL CONDITION

December 31, 2013

Note 1 – Nature of Business Operations

Arjent LLC (the Company) is a Delaware limited liability company located in Manhattan, New York. The Company is a broker dealer registered with the SEC and is a member of the Financial Industry Regulatory Authority – FINRA, and Securities Investor Protection Corporation – SIPC.

The Company clears all customer transactions on a fully disclosed basis through an independent clearing firm, and does not hold customer funds or safe keep customer securities. Accordingly, the Company claims exemption from the requirements of Rule 15c3-3 under Section (K)(2)(ii) of the Rule.

Note 2 – Accounting Policies

Basis of presentation

The financial statements and accompanying notes are prepared in accordance with accounting principles generally accepted in the United States of America (US GAAP) Unless otherwise disclosed. The Company is engaged as a securities broker-dealer, which comprises several classes of services, including agency transactions, investment banking, and third party marketing.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Management believes that the estimates utilized in preparing its financial statements are reasonable and prudent; however, actual results could differ from those estimates.

Cash and Cash Equivalents

All unrestricted highly liquid investments with initial or remaining maturities of less than 90 days at the time of purchase are considered cash and cash equivalents. The Company's cash is held by major financial institutions. At times, such amount may exceed the Federal Deposit Insurance Corporation ("FDIC") limit. At December 31, 2013, the Company's cash exceeded the limit by \$55,811. At December 31, 2013, the Company did not have any cash equivalents.

ARJENT LLC  
Notes to Statement of Financial Condition  
December 31, 2013

**Note 2 – Accounting Policies (continued)**

**Fixed Assets**

Fixed assets are stated at cost, net of accumulated depreciation. Furniture, fixtures and equipment are depreciated on a straight-line basis using their estimated lives.

Maintenance, repairs and renewals that neither materially add to the value of the property nor appreciably prolong its life are charged to expense as incurred. Gains and losses on disposition of property and equipment are included in income.

**Receivables from Clearing Broker**

Receivables from clearing <sup>48</sup>broker on the statement of financial condition consist of commissions earned by the Company that are held with the clearing broker.

**Other Assets**

Other assets consist primarily of loans to brokers. Loans to brokers are considered to be part of the brokers contract with the company and are valued at cost.

**Revenue Recognition**

The Company earns commission revenue from effecting trades in US and non US equity securities. Commissions and related clearing expenses are recorded on a trade date basis as security transactions occur.

Investment banking revenue includes gains, losses and fees, net of syndicate expenses, arising from securities offerings in which the Company acts as an agent.

Other income includes other fee income and third party marketing fees where the Company raises capital from institutional investors for its clients. (See Notes 9 & 12).

**Income Taxes**

The Company operates as a limited liability company for tax purposes and files as a partnership. All income and losses are reported by the members on the partnership tax return. Therefore, all income taxes are the responsibility of the members based on their percentages according to the operating agreement.

ARJENT LLC  
Notes to Statement of Financial Condition  
December 31, 2013

Note 2 – Accounting Policies - Income Tax (continued)

Income taxes are accounted for under Accounting Standards Codification Income Taxes, ("ASC 740"). Deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement carrying amount of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in income in the period that includes the enactment date. To the extent that it is more likely than not that deferred tax assets will not be recognized, a valuation allowance would be established to offset their benefit.

Fair Value of Financial Instruments

The Company estimates that the fair value of financial instruments recognized on the statement of financial condition approximates their carrying value, as such financial instruments are short term in nature. Other assets and liabilities with short and intermediate-term maturities and defined settlement amounts, including receivables, payables, and accrued expenses are reported at their contractual amounts, which approximate fair value.

Significant Credit Risk

The responsibility for processing customer activity rests with the Company's clearing firm, Sterne Agee. The Company's clearing and execution agreement provides that credit losses relating to unsecured margin accounts receivable of the Company's customers are charged back to the Company.

In accordance with industry practice, Sterne Agee records customer transactions on a trade date basis. Sterne Agee is therefore exposed to risk of loss on these transactions. In the event of the customer's inability to meet the terms of its contracts, Sterne Agee may have to purchase or sell the underlying financial instruments at prevailing market prices in order to satisfy its customer-related obligations. Any losses incurred by Sterne Agee are charged back to the Company.

ARJENT LLC  
Notes to Statement of Financial Condition  
December 31, 2013

**Note 2 – Accounting Policies - Significant Credit Risk (continued)**

The Company, in conjunction with Sterne Agee, controls off balance sheet risk by monitoring the market value and marking securities to market on a daily basis and by requiring adjustments of collateral levels. Sterne Agee establishes margin requirements and overall credit limits for such activities and monitors compliance with applicable limits and industry regulations on a daily basis.

**Note 3 - Financial Instruments**

The Financial Accounting Standards Board ("FASB") issued under Topic 820 under the FASB Accounting Standards Codification which defines fair value, establishes a framework for measuring fair value, and expands disclosures about fair value measurements. The standard provides a consistent definition of fair value, which focuses on an exit price between market participants in an orderly transaction. The standard also prioritizes, within the measurement of fair value, the use of market based information over entity-specific information and establishes a three-level hierarchy for fair value measurements based on the transparency of information used in the valuation of an asset or liability as of the measurement date. Assets and liabilities (subject to the standard, measured and reported at fair value) are classified and disclosed in one of the following categories:

Level 1 – Inputs that reflect quoted prices are available in active markets for identical assets or liabilities that the Company has the ability to access at the measurement date.

Level 2 – Inputs other than quoted prices included in Level 1 that are observable for the assets or liability either directly or indirectly, including inputs in markets that are not considered to be active.

Level 3 – Inputs are unobservable for the assets or liabilities and include situations where there is little, if any, market activity for the asset or liability.

**Note 4 – Deposits with Clearing Broker**

The Company maintains cash deposited with Sterne Agee pursuant to a fully disclosed clearing agreement ("Clearing Agreement") entered into on April 10, 2012, which is meant to assure the Company's performance, including but not limited to the indemnification obligations specified in the Clearing Agreement. At December 31, 2013, the Company had \$75,000 deposited with Sterne Agee which is disclosed on the Statement of Financial Condition within the "Deposit for Clearing Broker" line. The deposit does not represent an ownership interest in Sterne Agee.

ARJENT LLC  
Notes to Statement of Financial Condition  
December 31, 2013.

**Note 5 - Regulatory requirements**

The Company, as a registered broker-dealer in securities, is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c-3-1). The Company has elected to operate under that portion of the Rule which requires that the Company maintain "net capital" equal to the greater of \$50,000 or 6 2/3% of aggregate indebtedness, as those terms are defined in the Rule. At December 31, 2013, the Company had net capital of \$491,746, which was \$441,746 in excess of regulatory requirement net capital of \$50,000. The Company had an AI/NC ratio of .23 to 1.

Advances to affiliates, contributions, distributions and other withdrawals are subject to certain notification and other requirements of Rule 15c3-1 and other regulatory rules.

The Company is exempt from the provisions of Rule 15c3-3 under the Securities Exchange Act of 1934. The Company relies on its SEC Rule 15c3-3(k)(2)(ii) exempt with respect to its activities in US securities which are cleared on a fully disclosed basis through its clearing broker, Sterne Agco.

The Company is registered with FINRA as a broker dealer exempt from SEC Rule 15c3-3 under Section (k)(2)(ii). Therefore it is not subject to possession or control requirements under SEC Rule 15c3-3 and not required to compute 15c3-3 Reserve requirements.

The Company has elected an exemption from Rule 15c3-3 based on section (2)(ii), which states "All customer transactions be cleared through another broker dealer on a fully disclosed basis".

**Note 6- Financial Instruments with Off-Balance Sheet Credit Risk**

As a securities broker, the Company is engaged in arranging for the buying and selling of securities for a diverse group of investors. The Company's transactions are executed on behalf of customers and introduced to a clearing broker for a split of the commission.

The Company's exposure to credit risk associated with non-performance of customers in fulfilling their contractual obligations pursuant to securities transactions can be directly impacted by volatile trading markets which may impair the customers' ability to satisfy their obligations to the Company and the Company's ability to liquidate the collateral at an amount equal to the original contracted amount. The Company seeks to control the aforementioned risks by monitoring all transactions entered into on a daily basis and insuring that no incorrect trades are recorded.

**Note 11 – Guarantees (continued)**

accounts introduced by the Company. In accordance with applicable margin lending practices, customer balances are typically collateralized by customer securities or supported by other recourse provisions. At December 31, 2013, no amounts were recorded under such agreement as no loss existed. Under FASB ASC 460, Guarantees, the Company has a yearly minimum fee to its clearing firm of \$60,000.

**Note 12 – Related Party Transactions**

The Company leases office space from Q-Media, Inc. a related party.

The Company has elected to amortize the value of certain brokerage customer accounts purchased from a related party in 2010 for \$600,000 at \$120,000 a year.

In 2013, the Company sold its CRM Software to Arjent Ltd (UK) as a software usage fee for \$250,000. The Chairman and Principal shareholder of Arjent LLC is also Chairman and a shareholder of Arjent Ltd (UK).

**Note 13 – New Accounting Pronouncements**

On July 30, 2013, the SEC released the final amendment to Rule 17a-5, Reports to Be Made by Certain Brokers and Dealers. The rule requires a broker-dealer that claims an exemption from Rule 15c3-3 throughout the most recent fiscal year to file an annual exemption report. The exemption report will include statements where the broker-dealer indicates that it has met the identified exemption provision throughout the most recent fiscal year without exception and if applicable, identifies each exception and briefly describes the nature of each exception. All broker-dealers will also be required to file Form Custody that will provide information on whether a broker-dealer maintains custody of customer and non-customer assets.

**Note 14 – Subsequent Events**

We have evaluated all events or transactions that occurred from December 31, 2013 through the date of these financial statements and determined that no other subsequent events have occurred that would require disclosure in the financial statements or accompanying notes.

RECONCILIATION WITH COMPANY'S NET CAPITAL COMPUTATION

The difference between the net capital computation as reported on Arjent LLC FOCUS report - Part IIA as of December 31, 2013 results from adjustments made to year end expenses to properly record fixed assets, commissions payable, depreciation expense, and other minor differences as of December 31, 2013

These differences have been reconciled and there is no material difference between the audit and the FOCUS filing as amended.

ARJENT LLC

Supplementary Information  
Pursuant to Rule 17a-5 of the Securities Exchange Act of 1934  
Schedule III

As of December 31, 2013

The accompanying schedules are prepared in accordance with the requirements and general format of FOCUS form X-17A-5.

The Company is a broker-dealer and is exempt from the provision of SEC Rule 15c3-3, subparagraph (k)(3)(i). The conditions of exemption are being maintained.

**SUPPLEMENTARY REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM ON  
INTERNAL CONTROL REQUIRED BY SEC  
RULE 17a-5(g)(1)**

To the Members of  
Arjent LLC

In planning and performing our audit of the financial statements of Arjent LLC (the "Company"), as of and for the year ended December 31, 2013 in accordance with the auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives state in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debts) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System
