To the Members' of  
Essex Securities, LLC

**Report on the Financial Statements**

We have audited the accompanying financial statements of Essex Securities, LLC, which comprise the statement of financial condition as of December 31, 2014, and the related statements of income, change in members' equity, and cash flows for the year then ended, that are filed pursuant to Rule 17A-5 under the Securities Exchange Act of 1934 and the related notes to the financial statements.

**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the auditing standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence that we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**AUDITOR'S REPORT**

## Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects the financial position, results of operations and cash flows of Essex Securities, LLC as of December 31, 2014 in accordance with accounting principles generally accepted in the United States of America.

## Other Matters

Our audit was performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental Schedules I, II and III are presented for the purpose of additional analysis and are not a required part of the basic financial statements but is supplementary information required by Rule 17a-5 of the Securities and Exchange Commission under the Securities Exchange Act of 1934. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information contained in the supplemental schedules has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

NOTES

Essex Securities, LLC  
Notes to Financial Statements  
December 31, 2014

**NOTE 1 - DESCRIPTION OF BUSINESS**

Essex Securities, LLC (the "Company"), is a broker-dealer registered with the Securities and Exchange Commission (SEC) and is a member of the Financial Industry Regulatory Authority (FINRA). The Company was organized under the laws of the State of Massachusetts on April 23, 1999 and is headquartered in Topsfield, Massachusetts. The company has two members of this LLC, one having 99% interest. The Company acts as a broker dealer in securities transactions for its customers and uses Sterne, Agee & Leach, LLC as its clearing broker. The company also has representatives who sell mutual funds, annuities, and alternative investments.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Cash and Cash Equivalents

The Company considers all highly liquid debt instruments with original maturities of three months or less to be cash equivalents. There were no cash equivalents at December 31, 2014.

Revenue Recognition

The Company earns revenue (commissions) from brokerage and trading which are recognized on the day of the trade - trade date basis.

Revenues are not concentrated in any particular region of the country or with any individual or group.

Managements Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates. Such estimates include useful lives and valuation of property and equipment.

Income Taxes

As a limited liability company, the Company is treated as a partnership for Federal and State income tax purposes. Under subchapter K of the Internal Revenue Code, each member is taxed separately on his distributive share of the Company's income whether or not that income is actually distributed. Accordingly, no provision for income taxes has been recorded in the accompanying statement of operations for the year ended December 31, 2014.

Furniture, Equipment, and Leasehold Improvements

Acquisitions of property and equipment are stated at cost. Any expenditure for repairs, maintenance, renewals, and betterments that enhance the useful lives of the assets are capitalized and depreciated. Depreciation is provided based on accelerated and straight-line methods over the estimated useful lives of the assets. The estimated useful lives of furniture and equipment are 5 to 7 years and 8 years for computers.

**NOTE 3 - Fair Value Measurements**

The "Fair Measurements and Disclosures" topic in the FASB Accounting Standards Codification establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3), defines fair value, establishes a framework for measuring

Essex Securities, LLC  
Notes to Financial Statements  
December 31, 2014

**Note 3 - Fair Value Measurements (continued)**

fair value, and establishes a fair value hierarchy which prioritizes the inputs to valuation techniques. FASB ASC 820 requires disclosures of the fair values of most financial instruments for which it is practicable to estimate that value. The scope of FASB ASC 820 excludes certain financial instruments such as trade receivables and payables when the carrying value approximates the fair value, employee benefit obligations and all non-financial instruments, such as fixed assets. The fair value of the Company's assets and liabilities which qualify as financial instruments under FASB ASC 820 approximate the carrying amounts presented in the Statement of Financial Condition.

The three levels of the fair value hierarchy under FAS 157 and its applicability to the Company are described:

- Level 1 - Pricing inputs are quoted prices available in active markets for identical assets or liabilities the Company has the ability to assess. As required by the FASB "Fair Value Measurements and Disclosures" topic, the Company does not adjust the quoted prices for these investments even in situations where the Company holds a large position and a sale could reasonably impact the quoted price.
- Level 2 - Pricing inputs are inputs (other than quoted prices included within level 1) that are observable for the asset or liability, either directly or indirectly for substantially the full term through corroborations with observable market data. Level 2 includes investments valued at quoted prices adjusted for legal or contractual restrictions specific to those investments.
- Level 3 - Pricing inputs are unobservable inputs for the asset or liability and rely on management's own assumptions about the assumptions that market participants would use in pricing the asset or liability. Level 3 includes investments that are supported by little or no market activity.

The Company did not have any assets or liabilities adjusted to fair value for the year ended December 31, 2014.

**NOTE 4 - DEPOSITS WITH CLEARING ORGANIZATIONS**

As required by its clearing organization, a deposit of \$25,000 exists at Sterne, Agee & Leach, LLC. Such amount is considered cash at December 31, 2014.

**NOTE 5 - EQUIPMENT AND FURNITURE**

Depreciation expense for the year ended December 31, 2014 was \$ 1,114. The Company uses the straight line method of depreciation.

**NOTE 6 - NET CAPITAL REQUIREMENTS**

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2014, the Company had net capital of \$114,674, which was \$ 108,764 in excess of its required net capital of \$5,910. The Company's ratio of aggregate indebtedness to net capital computed in accordance with Rule 15c3-1 was .77 to 1.

The Company qualifies under the exemptive provisions of Rule 15c3-3 under Section (k)(2)(ii) of the Rule, as it does not carry security accounts of customers or perform custodial functions related to customer securities.

Essex Securities, LLC  
Notes to Financial Statements  
December 31, 2014

**NOTE 7 - RELATED PARTY TRANSACTIONS**

The Chief Operating Officer, Financial Operations Manager and three other employees are on the payroll of Investors Marketing Services, Inc. (IMS), a company owned and controlled by the 99% member of the Company. IMS pays their salaries, payroll taxes and health insurance and the expenses are recorded as management fees on the Company's books. For the year ended December 31, 2014 the company paid \$218,975 in management fees to IMS.

**NOTE 8 - RECEIVABLE FROM AND PAYABLE TO CLEARING ORGANIZATIONS**

The Company clears all of its proprietary and customer securities transactions through another broker-dealer on a fully disclosed basis, or directly with Mutual Funds and Insurance Companies. At no time is the Company in possession of customer funds.

The Company has a \$5,511 receivable from their clearing organization at December 31, 2014 which consists primarily of the Company's net commissions due from customer trades. The balance of commission's receivable of \$28,972 is due from Mutual Funds and Insurance Companies.

**NOTE 9 - FACILITY LEASE**

The Company leases its facility under a five year agreement expiring August 31, 2017. The annual rental is \$27,716 paid in monthly installments of \$2,310. In addition the Company pays a \$440 monthly condominium fee.

The future minimum lease payments for the remaining term of the lease commitment are approximately:

2015	\$ 27,716
2016	27,716
2017	18,477

The facility is owned by the 99% member.

**NOTE 10 - CONCENTRATIONS OF CREDIT RISK**

The Company is engaged in various trading and brokerage activities in which counterparties primarily include broker-dealers, banks, and other financial institutions. In the event counterparties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counterparty or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each of the counterparties.

The Company maintains its cash in bank accounts at high credit quality financial institutions. The balances at times may exceed federally insured limits.

**Note 11 - Commitments and Contingencies**

From time to time the Company is subject to threatened and asserted claims in the ordinary course of business. Because litigation and arbitration are subject to inherent uncertainties and the outcome of such matters cannot be predicted with certainty, future developments could cause any one or more of these matters to have a material impact on the Company's financial condition, results of operations or liquidity in any future period.

The Company entered into an agreement with the former president to resolve certain compensation issues and settled for \$90,000. The company received payment in January 2015.

Essex Securities, LLC  
Notes to Financial Statements  
December 31, 2014

**NOTE 12 - SUBSEQUENT EVENTS**

Management has evaluated events and transactions occurring after the date of the Statement of Financial Condition through February 14, 2014, which is the date the financial statements were available to be issued. Management has determined that none of the events occurring after the date of the Statement of Financial Condition through the date of management's review substantially affect the amounts and disclosure of the accompanying financial statements except for the recording the settlement of \$90,000 less legal fees of \$15,000 shown as other income on the Statement of Income.

**NOTE 13 – RESTATEMENT OF BEGINNING BALANCE OF MEMBERS EQUITY**

The beginning balance of Members' Equity was adjusted to report errors and omission insurance expense and FINRA fees in the appropriate year.

**SUPPLEMENTALS**

**Essex Securities, Inc.**  
**Schedule I**  
**Computation of Net Capital Under**  
**Rule 15c3-1 of the Securities and**  
**Exchange Commission Act of 1934**

Exemption Letter

RE: Essex Securities, LLC., year end 2014 Certified Audit

Dear Mr. Alessandri,

Essex Securities, LLC, is operating under the k2-ii exemption of SEC Rule 15c3-3, "Customer Protection-Reserves and Custody of Securities". The firm is an introducing broker and has a clearing arrangement with Sterne, Agee & Leach, Inc. The broker dealer does not take custody of customer's securities or take custody of customer funds; therefore to our best knowledge and belief we have met the identified exemption provisions in 240.15c3-3(k) throughout the most recent fiscal year without exception and qualify for the exemption under the rule.

Karen Z Fischer  
Financial and Operations Principal

**ACCOUNTANT'S REPORT**

**Report of Independent Registered Public Accounting Firm  
on Internal Accounting Control Required by SEC Rule 17a-5  
for a Broker-Dealer claiming an exemption from SEC Rule 15c3-3**

To the Members' of  
Essex Securities, LLC  
Topsfield, Massachusetts

In planning and performing our audit of the financial statements of Essex Securities, LLC (Company) for the year ended December 31, 2014, we considered its internal control, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control structure. This report as it relates to Rule 15c3-3 is for the period January 1, 2014 through May 31, 2014.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including tests of compliance with such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debts) and net capital under Rule 17a-3(a)(11) and determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company related to the following: (1) making quarterly securities examinations, counts, verifications and comparisons, and the recordation of differences required by Rule 17a-13; (2) complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining an internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above

mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17(a)-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of the inherent limitations in any internal control or the practices and procedures referred to above, errors or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control.

Our consideration of the internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SES to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2014 to meet the SEC's objectives.

This report is intended solely for the use of the Board of Directors, Management, the Securities and Exchange Commission (designated self-regulatory organization), the Financial Industry Regulatory Authority and other regulatory agencies which rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties..

To the Members' of  
Essex Securities, LLC  
Topsfield, MA

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments (General Assessment Reconciliation - Form SIPC-7) to the Securities Investor Protections Corporation (SIPC) for the year ended December 31, 2014, which were agreed to by Essex Securities, LLC, and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., SIPC, solely to assist you and the other specified parties in evaluating Essex Securities, LLC's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). Essex Securities, LLC's management is responsible for the Essex Securities, LLC's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments with respective cash disbursement records entries noting no differences;
2. Compared the amounts reported on the audited Form X-17A-5 for the year ended December 31, 2014 as applicable, with the amounts reported in Form SIPC-7 for the year ended December 31, 2014, noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and workpapers noting no differences;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and workpapers supporting the adjustments noting no differences, and;
5. Compared the amounts of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion.

Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.

**Report of Independent Registered Public Accounting Firm  
required by SEC Rule 17a-5 for a Broker-Dealer  
claiming an exemption from SEC Rule 15c3-3**

To: Members of  
Essex Securities, LLC

We have reviewed management's statement, included in the accompanying "Financial and Operational Combined Uniform Single Report – Part IIA, Exemptive Provision under Rule 15c3-3" in which (1) Essex Securities, LLC identified the following provisions of 17 C.F.R. 15c3-3(k) under which Essex Securities, LLC claimed an exemption from 17 C.F.R. 240.15c3-3 (k)(2)(ii) (the "exemption provisions") and (2) Essex Securities, LLC stated that Essex Securities, LLC met the identified exemption provisions throughout the most recent fiscal year without exception. Essex Securities, LLC's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Essex Securities, LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the conditions set forth in (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.
