REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To The Stockholder
Peter R. Mack & Co., Inc.

Report on the Financial Statements

We have audited the accompanying statement of Peter R. Mack & Co., Inc. (the Company), which comprise the statement of financial condition as of December 31, 2014 that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on this financial statement based on our audit. We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on the auditor's judgment, the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statement referred to above presents fairly, in all material respects, the financial position of Peter R. Mack & Co., Inc. as of December 31, 2014 in accordance with accounting principles generally accepted in the United States of America.

PETER R. MACK & CO., INC.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2014

1. General

Peter R. Mack & Co., Inc. (the "Company") is a securities broker-dealer and is registered with the Securities and Exchange Commission and a member of the Financial Industry Authority and Securities Investor Protection.

The Company operates principally under a clearance with another broker, whereby such broker assumes and maintains the Company's customer accounts. The Company is responsible for payment of certain customer accounts (unsecured debts) as defined in the agreement.

2. Summary of Significant Accounting Policies

Revenue Recognition

Securities transactions and the related revenue and expenses are recorded on a settlement date basis. The recording of securities transactions on a trade date was considered, and the difference was deemed immaterial.

Financial Instruments

Securities owned are carried at quoted market value, and the resulting difference between cost and market is included in income.

Financial instruments are recorded at fair value in accordance with Statement of Financial Accounting Standards ("SFAS") No. 157, Fair Value Measurements.

Property and Equipment

Property and Equipment are stated at cost less accumulated depreciation. Depreciation is computed using accelerated methods over the estimated useful lives of the related assets, ranging from five to seven years.

Income Taxes

The Company has elected to be treated as an S Corporation under the provisions of the Internal Revenue Code. Accordingly, the Company is not subject to federal income tax.

The stockholder is required to report separately his distributive share of the Company's income or loss to Federal authorities. The Company has not elected "S" Corporation status for Connecticut and is therefore, taxed at regular corporation tax rates.

PETER R. MACK & CO., INC.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2014

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Actual results could differ from those estimates.

3. Fair Value Measurements

SFAS No. 157, "Fair Value Measurements," defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy which prioritizes the inputs to valuation techniques. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. Valuation techniques that are consistent with the market, income or cost approach, as specified by SFAS No. 157, are used to measure fair value.

Fair Value Measurements - Continued

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities the Company has the ability to access at the measurement date. An active market for the asset or liability is a market in which transactions for the asset or liability occur with sufficient frequency and volume to provide pricing information on an ongoing.
- Level 2 inputs are inputs (other than quoted prices included within Level 1) that are observable for the asset or liability, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data, such as matrix pricing of fixed income securities.
- Level 3 are unobservable inputs for the asset or liability and rely on management's own assumptions about the assumptions that market participants would use in pricing the asset or liability. Unobservable inputs are developed based on the best information available in the circumstances and may include the Company's own data.

The following table summarizes the valuation of the Company's investments by the SFAS NO. 157 fair value hierarchy as described above as of December 31, 2014:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Securities owned:				
Stocks	<u>\$ 27,157</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 27,157</u>

PETER R. MACK & CO., INC.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2014

4. Receivable from Broker-Dealer

The Company has entered into an agreement with another broker (clearing broker) to execute and clear, on a fully disclosed basis, customer accounts of the Company. As part of the agreement, the clearing broker executes orders, settles contracts and transactions in securities purchased, sold, borrowed or loaned and the receipt and distribution of interest and principal payments. In addition, the Company has agreed to maintain a "Direct Account" that shall at all times contain cash or appropriate collateral in the amount of \$50,000.

5. Loans Receivable, Stockholder

The Company has made advances to its sole shareholder/officer totaling \$44,061. The advances are non-interest bearing and due on demand.

6. Lease

In December 2012, the Company signed a lease for office space on a month to month basis in Westport, Connecticut, commencing January 1, 2013. Rental payments are \$1,170 per month.

7. Off-Balance-Sheet risk and Concentration of Credit Risk

The Company, as an introducing broker, clears all transactions with and for customers on a fully disclosed basis with a clearing broker and promptly transmits all customer funds and securities to the clearing broker who carries all of the accounts of such customers. These activities may expose the Company to off-balance sheet risk in the event that the customer and/or clearing broker is unable to fulfill its obligations.

The Company seeks to control off-balance-sheet risks by market value of securities held in compliance with regulatory and internal guidelines.

The Company transacts its business with customers located throughout the United States.

PETER R. MACK & CO., INC.
NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2014

8. Net capital

The Company, is subject to the Securities & Exchange Commission Uniform Net Capital Rule 15C3-1, which requires maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital and defined, shall not exceed 15 to 1. At December 31, 2014 the Company had net capital and aggregate indebtedness of \$115,685 and \$10,370, respectively. The net capital ratio was .8964 or 8.96% compared to a maximum allowable percentage of 1,500%. Net capital exceeded requirements by \$110,685.

9. Annual report

Pursuant to the Securities & Exchanges Commissions Rule 17a-5, the Statement of Financial Condition is available for examination at the Company's principal place of business, 191 Post Road West, Westport, CT. 06880 and at the regional office of the Securities & Exchange Commission located at 33 Arch Street, 23rd Floor, Boston, MA. 02110-1424.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM ON INTERNAL CONTROL REQUIRED BY
RULE 17a-5(g) (1)

To The Stockholder
Peter R. Mack & Co., Inc.

In planning and performing our audit of the financial statements of Peter R. Mack & Co., Inc. (the Company), as of and for the year ended December 31, 2014 in accordance with the standards of the Public Company Accounting Oversight Board (United States), we considered the Company's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purposes of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g) (1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3(e). Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System
3. Obtaining and maintaining physical possession or control of all fully paid and excess margin securities of customers as required by Rule 15c3-3

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls, and of the practices and procedures referred to in the preceding paragraph, and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control system and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A significant deficiency, or combination of control deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A material weakness, is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Company's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control activities for safeguarding securities that we consider to be material weaknesses, as defined previously.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2014 to meet the SEC's objectives.

This report is intended solely for the information and use of management, the SEC, the Financial Industry Regulatory Authority, and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
