Independent Auditor's Report

The Members,
Pharus Securities, LLC

We have audited the accompanying financial statements of Pharus Securities, LLC., which comprise the balance sheet at December 31, 2014 and the related statements of operations, changes in member equity, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to error or fraud.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements presented are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Pharus Securities, LLC. as of December 31, 2014 and the results of their operations and their cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Please see the notes to the financial statements.

Pharus Securities, LLC
Notes to the Financial Statements
For the Year Ended December 31, 2014

1. Organization

Pharus Securities, LLC (the Company) is a privately held limited liability company formed in Delaware in 2007 for the purpose of conducting business, beginning in 2008, as a securities broker dealer (BD). As a BD, the Company is registered with the Financial Industry Regulatory Authority (FINRA) to market investments in registered securities.

2. Summary of Significant Accounting Policies

Use of Estimates- The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make reasonable estimates and assumptions that affect the reported amounts of the assets and liabilities and disclosure of contingent assets and liabilities and the reported amounts of revenues and expenses at the date of the financial statements and for the period they include. Actual results may differ from these estimates.

Revenues- Revenues and related fees are recorded when they become due and are earned and the Company is reasonably assured of their collection.

Cash- For the purpose of calculating changes in cash flows, cash includes all cash balances and highly liquid short-term investments with original maturity date of three months or less.

Income taxes- The Company's taxable income is reported by the individual members and therefore, no provision for federal income taxes has been included in these financial statements.

3. Fair Value of Financial Instruments

Fair Value Measurements under generally accepted accounting principles clarifies the principle that fair value should be based on the assumptions market participants would use when pricing an asset or liability and establishes a fair value hierarchy that prioritizes the information used to develop those assumptions. Under the standard, fair value measurements are separately disclosed by level within the fair value hierarchy as follows.

Level 1 - Quoted prices in active markets for identical assets or liabilities.

Level 2 - Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets with insufficient volume or infrequent transactions (less active markets); or model-derived valuations in which all significant inputs are observable or can be derived principally from or corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs to the valuation methodology that are significant to the measurement of fair value of assets or liabilities.

To the extent that valuation is based on models or inputs that are less observable or unobservable in the market, the determination of fair value requires more judgment. In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the level in the fair value hierarchy within which the fair value measurement is disclosed and is determined based on the lowest level input that is significant to the fair value measurement.

Cash, accounts receivable, prepaid expenses, and accounts payable and accrued expenses in the balance sheet are estimated to approximate fair market value at December 31, 2014 because of their short term nature.

4. Net Capital Requirement

As a BD, the Company is subject to Rule 15c3-1 of the Security Exchange Act of 1934 which requires the Company to maintain a minimum net capital, as defined under the provisions, of \$5,000. The computation of net capital pursuant to Uniform Net Capital Rule 15c3-1 is as follows.

CREDIT:

Members' equity	\$88,360
-----------------	----------

DEBITS:

Nonallowable assets:	
Accounts receivable	(1,811)
Prepaid expenses	<u>(13,155)</u>

NET CAPITAL	\$73,394
--------------------	-----------------

Less haircuts on securities	<u>0</u>
-----------------------------	----------

ADJUSTED NET CAPITAL	\$73,394
-----------------------------	-----------------

Minimum requirements of 6-2/3% of aggregate indebtedness or \$5,000, whichever is greater.	<u>5,000</u>
---	--------------

EXCESS NET CAPITAL	<u>\$68,394</u>
---------------------------	------------------------

AGGREGATE INDEBTEDNESS:	\$600
--------------------------------	--------------

AGGREGATE INDEBTEDNESS TO NET CAPITAL	0.82%
--	--------------

Excess net capital previously reported	\$68,394
---	-----------------

Adjustments	<u>0</u>
--------------------	----------

Excess net capital per audited report	<u>\$68,394</u>
--	------------------------

The above computation of net capital under rule 15c3-1 does not differ materially from the computation as of December 31, 2014, included in the Company's unaudited Form X-17A-5, Part IIA.

5. Related Party Transactions

The Company has entered into an agreement to share various administrative expenses with a company related to the Company through common ownership. Under the terms of the agreement, the Company is obliged to pay the related party for administrative costs as defined by the agreement.

6. Subsequent Events

The Company has made a review of material subsequent events from December 31, 2014 through the date of this report and found no material subsequent events occurring during this period.

Rule 15c3-3 Exemption Report

This is to certify that, to the best of my knowledge and belief:

Pharus Securities, LLC is exempt from Rule 15c3-3 reporting pursuant to provision 15c-3(k)(1)(iii) of SEC Rule 15c3-3 (the "exemption provisions").

Pharus Securities, LLC met the identified provision throughout the most recent fiscal year without exceptions as the company is a non-carrying broker-dealer which promptly transmits all funds and delivers all securities received in connection with our activities as a broker dealer, and does not otherwise hold funds or securities for, or owe money or securities to, customers.

Thank you.

Ken Harrell

Report of Independent Registered Public Accounting Firm

We have reviewed management's statements included in the accompanying exemption report in which Pharus Securities, LLC. identified the provisions of SEC Rule 15c3-3 paragraph k(1)(iii) under which the Company claimed an exemption from SEC Rule 15c3-3 and the Company stated that it has met the identified exemption provisions through the fiscal year ending December 31, 2014, without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is an expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph k(1)(iii) of SEC Rule 15c3-3.
