## Report of Independent Registered Public Accounting Firm

Board of Directors and Stockholders  
Beaconsfield Financial Services, Inc.  
Canonsburg, Pennsylvania

We have audited the accompanying financial statements of Beaconsfield Financial Services, Inc. (a Pennsylvania corporation), which comprise the statement of financial condition as of December 31, 2014, and the related statements of income and comprehensive income, changes in stockholders' equity, and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements and supplementary information. Beaconsfield Financial Services, Inc.'s management is responsible for these financial statements. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of Beaconsfield Financial Services, Inc. as of December 31, 2014, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The Computations of Net Capital and Aggregate Indebtedness and Schedule of Operating and General and Administrative Expenses have been subjected to audit procedures performed in conjunction with the audit of Beaconsfield Financial Services, Inc.'s financial statements. This supplementary information is the responsibility of Beaconsfield Financial Services, Inc.'s management. Our audit procedures included determining whether the supplementary information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplementary information. In forming our opinion on the supplementary information, we evaluated whether the supplementary information, including its form and content, is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934. In our opinion, the supplementary information is fairly stated, in all material respects, in relation to the financial statements as a whole.

### **Notes to Financial Statements**

**Year Ended  
December 31, 2014**

#### **A. Organization and Nature of Operations**

Beaconsfield Financial Services, Inc. (Company) was organized on October 25, 1983 and incorporated under the laws of Pennsylvania. The Company is a full-service brokerage and investment management firm headquartered in Canonsburg, Pennsylvania. The Company is a member of the Financial Industry Regulatory Authority (FINRA), and the Securities Investors Protection Corporation (SIPC).

#### **B. Summary of Significant Accounting Policies**

The summary of significant accounting policies is presented to assist in understanding these financial statements. The financial statements and notes are representations of management, who is responsible for their integrity and objectivity. The accounting policies used conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of these financial statements.

*Method of Accounting.* These financial statements have been prepared using the accrual method of accounting, recognizing income when earned and expenses when incurred. Securities transactions and related commission revenues are recorded on a settlement date basis, generally the third business day after the trade date.

*Fully Disclosed Basis.* The Company is associated with RBC Correspondent Services, a division of RBC Capital Markets, LLC (RBC) (Clearing Broker), a member of the New York Stock Exchange, Inc., on a fully disclosed basis in connection with the execution and clearance of the securities transactions effected by the Company. In accordance with the Clearing Agreement, the Company is required to provide a clearing deposit in the amount of \$25,000 as of December 31, 2014, upon which the Clearing Broker pays interest at prevailing rates. As of December 31, 2014, the clearing deposit account amounted to \$25,000.00, and is listed separately on the statement of financial condition.

*Use of Estimates.* The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

*Date of Management's Review.* The Company has evaluated subsequent events through February 17, 2015, which is the date the financial statements were available to be issued.

### **Notes to Financial Statements**

**Year Ended  
December 31, 2014**

#### **B. Summary of Significant Accounting Policies (Continued)**

*Cash Equivalents.* For purposes of the statement of cash flows, the Company considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

*Accounts Receivable.* Accounts receivable are stated at the amount management expects to collect from outstanding balances. The Company accounts for bad debts using the direct charge-off method, directly expensing receivables which management deems uncollectible, or realizable at less than full value. The direct charge-off method provides results similar to the reserve method in all material respects. Based on management's assessment of the credit history with its customers having outstanding balances and current relationships with them, it has concluded that realization losses on balances outstanding at year end will be immaterial.

*Marketable Securities.* Equity securities are classified as "available-for-sale" and are reported at their fair values based upon quoted market prices. Unrealized gains and losses are excluded from earnings and reported as a separate component of stockholders' equity. Realized gains and losses are computed based on specific identification of the securities sold.

*Capitalization and Depreciation.* Equipment and fixtures is recorded at acquisition cost and depreciated over the estimated useful lives of the related assets using the straight-line and accelerated method for financial and tax reporting, respectively. Maintenance and repairs, which extend the life of such assets, are also capitalized and depreciated over the estimated remaining useful lives.

*Advertising.* The Company expenses the cost of advertising as incurred. Advertising expense was \$8,971 for the year ended December 31, 2014.

*Compensated Absences.* The Company has a vacation policy allowing for paid time off based on years of service. The vacation policy does not allow for the accumulation or carryover of unused vacation to future periods. Accordingly, the Company recognizes the costs of compensated absences when actually paid to employees and has not accrued a liability for unused vacation time at December 31, 2014.

*Income Taxes.* Income taxes are provided for the tax effects of transactions reported in the financial statements and consist of taxes currently due plus deferred taxes. Deferred taxes are recognized for differences (described in Note G) between the basis of asset and liabilities for financial statement and income tax purposes. The deferred tax liability represents future tax consequences of these differences, which will be taxable when the liabilities are recovered or settled. It is the Company's policy not to take uncertain tax positions.

### Notes to Financial Statements

Year Ended  
December 31, 2014

#### C. Concentration of Credit Risk

The Company maintains their cash in bank deposit accounts at high quality financial institutions. The balances, at times, may exceed federally insured limits. At December 31, 2014, the Company did not exceed the insured limit.

#### D. Net Capital Requirements

The Company is subject to the net capital rule of the Securities and Exchange Commission, Rule 15c3-1 (Rule). Under the computation, the Company is required to maintain net capital equal to the greater of \$50,000 or 6 2/3% of aggregate indebtedness and not to permit its aggregate indebtedness to exceed 1,500% of its net capital, as those terms are defined in the Rule. At December 31, 2014, the Company had net capital of \$132,344, and a net capital ratio (aggregate indebtedness divided by net capital) of 1.75 to 1.

Pursuant to Rule 17a-5, the Company is required to file a computation of net capital as of the audit date. Rule 17a-5(d)(4) requires reporting on any material differences between the audited computation and the Company's computation. At December 31, 2014, there were no material differences.

#### E. Marketable Securities

Marketable securities consist of shares of American Century Quantitative Disciplined Growth Fund, shares of NASDAQ OMX Group, Inc. common stock, shares of MFS SER TR VI Utilities Fund and shares of Allianz GI NFJ International Value A Fund and are classified by the Company as "available-for-sale". Cost, unrealized gain, and fair value, as of December 31, 2014, are as follows:

Marketable securities, at cost	\$ 86,952
Net unrealized gains	<u>41,107</u>
Fair value	<u>\$ 128,059</u>

The unrealized gains are reported, net of tax (\$9,700 in 2014), as accumulated other comprehensive income in stockholders' equity. The marketable securities are included in current assets on the statements of financial condition. During the year ended December 31, 2014, 120 shares of ESB Financial corporation common stock were sold for \$1,507, resulting in a gross realized gain of \$866 and 200 shares of NASDAQ OMX Group, Inc. were sold for \$7,718, resulting in a gross realized gain of \$4,105.

#### F. Regulatory Filings

The statement of financial condition filed pursuant to Rule 17a-5 of the Securities and Exchange Commission is available for inspection at the principal office of the Corporation and at the Washington D.C. and Regional Office of the Commission.

#### G. Income Taxes

The Company accounts for deferred taxes using the asset and liability method. The objective of the asset and liability method is to establish deferred tax assets and liabilities for the temporary differences between the financial reporting basis and the tax basis of the Company's assets and liabilities at enacted tax rates expected to be in effect when such amounts are realized or settled. The asset and liability as computed for these financial statements assumes that the current tax rates and regulations will be in effect for the year the temporary differences reverse. Accordingly, adjustments to the asset will be necessary in the future should the tax laws change.

Current standards require companies to recognize, measure, present, and disclose uncertain tax positions that have been or are expected to be taken. As such, financial statements will reflect expected future tax consequences of uncertain tax positions presuming the tax authorities' full knowledge of the position and all relevant facts. It is the Company's policy not to take uncertain tax positions. The Company's federal and state income tax returns are subject to possible examination by the taxing authorities until expiration of the related statutes of limitations on those tax returns. As of December 31, 2014, the Company's open audit periods are 2011 through 2014 for both federal and state purposes. In evaluating the Company's tax provisions and accruals, future taxable income, and the reversal of temporary differences, interpretations and tax planning strategies are considered. The Company believes their estimates are appropriate based on current facts and circumstances.

Differences in total income tax expense and the amount of income tax that would result from applying statutory rates to pretax income are due to permanent differences, primarily meals and entertainment, which are only 50% deductible for Federal and state income tax purposes.

The provision for income taxes in the statement of operations for the year ended December 31, 2014, consists of the following components:

Currently payable	\$	1,511
Deferred		200
		<hr/>
	\$	1,711
		<hr/>

## Beaconsfield Financial Services, Inc.

### Notes to Financial Statements

Year Ended  
December 31, 2014

#### G. Income Taxes (Continued)

At December 31, 2014, a long-term deferred tax liability was recognized for a taxable temporary difference totaling \$2,600. This difference relates to using different depreciation methods (modified accelerated cost recovery system for tax purposes versus straight-line method for financial statement reporting).

At December 31, 2014, a current deferred tax liability of \$9,700, was recorded for a taxable temporary difference due to an unrealized holding gain on marketable securities and netted with accumulated other comprehensive income in stockholders' equity on the statement of financial condition.

#### H. Pension Plan

The Company has a SEP retirement plan which covers all of its employees. Total pension expense amounted to \$105,133 for the year ended December 31, 2014.

#### I. Lease Commitments

The Company leases office space under a non-cancellable operating lease, which was extended for an additional five-year term beginning in June 2013 and provides for monthly lease payments of \$2,744. The lease is renewable for an additional five years following the May 31, 2018 termination date, at a lease rate mutually agreeable. For the year ended December 31, 2014, rent expense under this lease amounted to \$25,728.

During 2014, the Company was reimbursed \$7,200, by Summit Advisors LLC, an entity controlled by the shareholders of the Company, for use of its office space.

The future minimum lease payments required by this office lease are as follows:

Year ending December 31	
2015	\$ 32,929
2016	32,929
2017	32,929
2018	13,721

#### M. Fair Value Measurements

FASB ASC820 defines fair value, established a framework for measuring fair value, and established a fair value hierarchy which prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market, income or cost approach, as specified by FASB ASC 820, are used to measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

- \* Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities the Company has the ability to access.
- \* Level 2 inputs are inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly or indirectly.
- \* Level 3 are unobservable inputs for the asset or liability and rely on management's own assumptions about the assumptions that market participants would use in pricing the asset or liability. The unobservable inputs should be developed based on the best information available in the circumstances and may include the Company's own data.

The following table presents the Company's fair value hierarch for those securities measured at fair value on a recurring basis as of December 31, 2014:

	Fair Value	Level 1	Level 2	Level 3
Securities owned:				
Mutual Funds:	\$ 65,711	\$ 65,711	\$ -	\$ -

We have reviewed management's statements, included in the accompanying Exemption Report, in which (1) Beaconsfield Financial Services, Inc. identified the following provisions of 17 C.F.R. §15c3-3(k) under which Beaconsfield Financial Services, Inc. claimed an exemption from 17 C.F.R § 240.15c3-3:(k)(2)(ii) - (the "exemption provisions") and (2) Beaconsfield Financial Services, Inc. stated that Beaconsfield Financial Services, Inc. met the identified exemption provisions throughout the most recent fiscal year without exception. Beaconsfield Financial Services, Inc.'s management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Beaconsfield Financial Services, Inc.'s compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.

**Independent Accountant's Agreed-Upon  
Procedures Report on Schedule of  
Assessment and Payments (Form SIPC-7)**

Board of Directors and Stockholders  
Beaconsfield Financial Services, Inc.  
Canonsburg, Pennsylvania

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments (Form SIPC-7) to the Securities Investor Protection Corporation (SIPC) for the year ended December 31, 2014, which were agreed to by Beaconsfield Financial Services, Inc. and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC, solely to assist you and the other specified parties in evaluating Beaconsfield Financial Services, Inc.'s compliance with the applicable instructions of Form SIPC-7. Beaconsfield Financial Services, Inc.'s management is responsible for Beaconsfield Financial Services, Inc.'s compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries, noting no differences;
2. Compared the amounts reported on the audited Form X-17A-5 for the year ended December 31, 2014, as applicable, with the amounts reported in Form SIPC-7 for the year ended December 31, 2014, noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers, noting no differences;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments, noting no differences; and
5. Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed, noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
