**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

To the Board of Directors and Members of  
Dunn Rush & Co., LLC

We have audited the accompanying financial statement of Dunn Rush & Co., LLC (a Massachusetts limited liability company) (the "Company") which comprises the statement of financial condition as of December 31, 2014, that is filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statement. The Company's management is responsible for this financial statement. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the financial condition of Dunn Rush & Co., LLC as of December 31, 2014 in accordance with accounting principles generally accepted in the United States of America

Note 1

**Organization and nature of business**

Dunn Rush & Co., LLC (the "Company") was formed in 2009 and is a Massachusetts limited liability company. The Company offers merger and acquisition, financial advisory, and private placement services in accordance with the management agreement with the Financial Industry Regulatory Authority ("FINRA"). The Company is a registered broker under the Securities Exchange Act of 1934 and is a member of FINRA and the Securities Investor Protection Corporation ("SIPC").

All member units are restricted from transfer, unless transferred to permitted transferee's as defined in the agreement, without the Company and members being offered the first right to repurchase the units. Note 2

**Summary of significant accounting policies**

**Income taxes**

The members of the Company have elected to have the Company taxed as a partnership for income tax purposes. Accordingly, the Company is not subject to federal or state income taxes. All taxable income/loss and tax credits are reflected on the income tax returns of the members.

**Income tax positions**

The Financial Accounting Standards Board ("FASB") has issued a standard that clarifies the accounting and recognition of income tax positions taken or expected to be taken in the Company's income tax returns. The Company has analyzed tax positions taken for filing with the Internal Revenue Service and all state jurisdictions where it operates. The Company believes that income tax positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse affect on the Company's financial condition, results of operations or cash flows. Accordingly, the Company has not recorded any reserves or related accruals for interest and penalties for uncertain income tax positions. The Company is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**Fair value of financial instruments**

The carrying amounts of financial instruments, including cash, prepaid expenses, deposit, and accounts payable and accrued expenses, approximates fair value due to the short term maturities of these assets and liabilities.

**Use of estimates**

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amount of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from those estimates.
