Report of Independent Registered Public Accounting Firm

To the Board of Directors
GCMi Securities Corp.
Irvine, CA 92612

I have audited the accompanying statement of financial condition of GCMi Securities Corp. (the “Company”), a California corporation, as of December 31, 2014 and the related statements of income (loss), changes in stockholder’s equity, and changes in financial condition for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements and supplemental information. The Company’s management is responsible for these financial statements. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of the Company as of December 31, 2014, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The information contained in Schedules I, II and III (the “supplemental information”) has been subjected to audit procedures performed in conjunction with the audit of the Company’s financial statements. The supplemental information is the responsibility of the Company’s management. My audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming my opinion on the supplemental information, I evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. § 240.17a-5. In my opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

GCMC Securities Corp.
Notes to Financial Statements
December 31, 2014

Note 1 – Organization and Nature of Business

GCMC Securities Corp. (Company) was incorporated in the State of California on December 14, 2005. The Company is a registered broker-dealer with the Securities and Exchange Commission (SEC), the Financial Industry Regulatory Authority (“FINRA”) and the Securities Investor Protection Corporation (“SIPC”).

Note 2 – Significant Accounting Policies

Basis of Presentation - The Company conducts business limited to investment banking and financial advising.

Under its membership agreement with FINRA and pursuant to Rule 15c3-3(k)(2)(i), the Company conducts business on a fully disclosed basis and does not execute or clear securities transactions for customers. Accordingly, the Company is exempt from the requirement of Rule 15c3-3 and the Securities Exchange Act of 1934 pertaining to the possession or control of customer assets and reserve requirements.

Use of Estimates – The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Revenue Recognition – Investment banking fees are contingent on, and are recognized upon, the successful completion of a project. Investment banking fees are generated from services related to a limited number of transactions. Due to the nature of the Company’s business, the size of any one transaction may be significant to the Company’s operations for the period.

Income Taxes - The Company elected to be taxed as a qualified subchapter S subsidiary (Q Sub) with its parent reporting as an S Corporation for Federal and California state income tax purposes.

As a Q Sub, the Company’s asset, liability, income and expense items are treated as though they were owned, held or incurred by the parent S Corporation. As provided by its tax and expense sharing agreement, all taxes are paid by the parent company, Global Capital Markets, Inc.

Note 3 – Fair Value

FASB ASC 820 defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy which prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market, income or cost approach, as specified by FASB ASC 820, are used to measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities the Company has the ability to access.
- Level 2 inputs are inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 inputs are unobservable inputs for the asset or liability and rely on management's own assumptions about the assumptions that market participants would use in pricing the asset or liability. (The unobservable inputs should be developed based on the best information available in the circumstances and may include the Company's own data.)

The following table presents the Company's fair value hierarchy for those assets and liabilities measured at fair value on a recurring basis as of December 31, 2014.

Fair Value Measurements on a Recurring Basis
As of December 31, 2014

Assets	Level 1	Level 2	Level 3	Total
Cash	\$139,610	\$ -	\$ -	\$139,610

Note 4 – Related Party

GCMC Securities Corp. and its parent company, Global Capital Markets, Inc. have entered into an expense sharing agreement whereby the Company agrees to pay the parent \$1,000 per month for office expenses. During the year ending December 31, 2014 the Company paid its parent \$12,000.

In addition, the Company has a fee sharing agreement with its parent whereby 70 percent of the fees generated from joint efforts are shared with Global Capital Markets, Inc. During the year ending December 31, 2014, the fees paid to the parent were \$376,250.

It is possible that the terms of certain of the related party transactions are not the same as those that would result from transactions among wholly unrelated parties.

GCMI Securities Corp.
Notes to Financial Statements
December 31, 2014

Note 5 - Concentration of Credit Risk

The Company is engaged in various activities in which counter-parties primarily include broker-dealers, banks, and other financial institutions. In the event counter-parties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counter-party or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counter-party.

Note 6 – Net Capital Requirement

The Company is subject to the SEC Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. At December 31, 2014, the Company had net capital of \$139,610 which was \$134,610 in excess of its required net capital of \$5,000. The Company's net capital ratio was 0 to 1.

Note 7 – Income Taxes

As discussed in Note 2 - Significant Accounting Policies, the Company elected to be taxed as a qualified subchapter S subsidiary (Q Sub) with its parent reporting as an S Corporation for Federal and California state income tax purposes. As a Q Sub, the Company's asset, liability, income and expense items are treated as though they were owned, held or incurred by the parent S Corporation. As provided by its tax and expense sharing agreement, all taxes are paid by the parent company, Global Capital Markets, Inc.

Note 8 – Exemption from the SEC Rule 15c3-3

Rule 15c3-3(k)(2)(i) provides an exemption from the SEC's so-called "customer protection rule" for firms that: carry no margin accounts; promptly transmit all customer funds and deliver all securities received in connection with their broker-dealer activities; do not otherwise hold funds or securities for, or owe money or securities to, customers; and effectuate all financial transactions with customers through one or more bank accounts designated as "Special Account for the Exclusive Benefit of Customers" of the Company.

Note 9 – Subsequent Events

Management has reviewed the results of operations for the period of time from its year-end December 31, 2014 through February 3, 2015, the date the financial statements were available to be issued, and has determined that no adjustments are necessary to the amounts reported in the accompanying combined financial statements nor have any subsequent events occurred, the nature of which would require disclosure.

Report of Independent Registered Public Accounting Firm

To the Board of Directors
GCMi Securities Corp.

I have reviewed management's statements, included in the accompanying GCMi Securities Corp. (the "Company") Exemption Report in which (1) the Company identified the following provisions of 17C.F.R. §15c3-3(k) under which the Company claimed an exemption from 17 C.F.R. §240.15c3-3: ((k) (2) (i)) (the "exemption provisions") from June 1, 2014 to December 31, 2014, and (2) the Company stated that they met the identified exemption provisions from June 1, 2014 to December 31, 2014 (the Company's fiscal year end) without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k) (2) (i) of Rule 15c3-3 under the Securities Exchange Act of 1934 for the periods noted in paragraph 1 above.
