We have audited the accompanying statement of financial condition of Wescom Financial Services, LLC (the "Company") as of December 31, 2014. This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. **NOTE 1 – NATURE OF BUSINESS AND SIGNIFICANT ACCOUNTING POLICIES**

Nature of Business: Wescom Financial Services, LLC (“Company”) is a broker-dealer registered with the Securities and Exchange Commission and is a member of Financial Industry Reporting Authority, Inc. (“FINRA”). The Company was formed as a limited liability company on March 15, 2001. Its principal source of income is derived from commission fees. The Company is a wholly owned subsidiary of Wescom Holdings, LLC (“the Parent”). The Parent is the sole member of the limited liability company and as such, the member’s liability is limited to its capital investment. The company was established primarily to provide brokerage services to members of Wescom Credit Union.

The Company received approval from the National Association of Securities Dealers, Inc., predecessor to the FINRA, to operate as a registered broker-dealer on February 7, 2004.

The Company operates under the provisions of paragraph (k)(2)(ii) of Rule 15c3-3 of the Securities and Exchange Commission and accordingly, is exempt from the remaining provisions of that Rule. Essentially the requirements of paragraph (k)(2)(ii) provide that the company clear all transactions on behalf of customers on a fully disclosed basis with a clearing broker-dealer, and promptly transmit all customer funds and securities to the clearing broker-dealer. The clearing broker-dealer carries all of the accounts to the customer and maintains and preserves all related books and records as are customarily kept by a clearing broker-dealer.

Basis of Presentation: The accompanying financial statements of the Company have been prepared in conformity with accounting principles generally accepted in the United States of America (“U.S. GAAP”) and in the format prescribed by Rule 17a-5 under the Securities Exchange Act of 1934 for brokers and dealers in securities.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents: Cash and Cash Equivalents consist of non-term share deposits in Wescom Credit Union and Pershing LLC. At December 31, 2014, the Company has \$21,757 on deposit at Wescom Credit Union. The balances at Wescom Credit Union are insured by the National Credit Union Share Insurance Fund up to \$250,000. At December 31, 2014 the Company had \$480,104 on deposit at Pershing LLC. The balances at Pershing LLC are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. The Company’s deposits at Pershing, LLC are invested in funds at other FDIC insured institutions so that no single account is above the FDIC insurance limit.

Income Taxes: Wescom Financial Services, LLC is a single member limited liability company and as such is not subject to federal and state income tax. The Company is, however, subject to state taxes on gross receipts.

A tax position is recognized as a benefit only if it is “more likely than not” that the tax position would be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount of tax benefit that is greater than 50% likely of being realized on examination. For tax positions not meeting the “more likely than not” test, no tax benefit is recorded.

(Continued)

## **NOTE 1 – NATURE OF BUSINESS AND SIGNIFICANT ACCOUNTING POLICIES (Continued)**

The Company is subject to tax examination for U.S. federal income tax as well as income tax of the state of California. The Company is no longer subject to examination by taxing authorities for years before 2010.

Loss Contingencies: Loss contingencies, including claims and legal actions arising in the ordinary course of business, are recorded as liabilities when the likelihood of loss is probable and an amount or range of loss can be reasonably estimated. Management does not believe there now are such matters that will have a material effect on the financial statements.

Indemnification Obligation: In the normal course of its business, the Company indemnifies and guarantees certain service providers, such as clearing and custody agents, trustees and administrators, against specified potential losses in connection with their acting as an agent of, or providing services to, the Company or its affiliates. The Company also indemnifies some clients against potential losses incurred in the event specified third-party service providers, including sub custodians and third-party brokers, improperly executed transactions. The maximum potential amount of future payments that the Company could be required to make under these indemnifications cannot be estimated. However, the Company believes that it is unlikely it will have to make material payments under these arrangements and has not recorded any contingent liability in the financial statements for these indemnifications.

## **NOTE 2 – CUSO FINANCIAL SERVICES, LP**

The Company is a limited partner in CUSO Financial Services, LP, which provides broker-dealer and investment advisory services to credit union service organizations. The company owns 12 units, which approximates 4.71% ownership. The investment is accounted for under the equity method of accounting.

## **NOTE 3 – EMPLOYEE BENEFIT PLANS**

The Company participates in Wescom Credit Union's 401(k) pension plan that allows employees to defer a portion of their salary into the 401(k) plan. The Company matches a portion of employees' wage reductions.

## **NOTE 4 – NET CAPITAL REQUIREMENTS**

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital. The Company computes net capital requirements under the aggregate indebtedness method, which requires firms to maintain net capital, as defined, of not less than 6.67 percent of aggregate indebtedness, also as defined. At December 31, 2014, the Company had net capital of \$158,072, which was \$123,316 in excess of its required net capital of \$34,756. At December 31, 2014, the Company's aggregate indebtedness to net capital ratio was 3 to 1.

**NOTE 5 – RULE 15c3-3 EXEMPTION**

The Company is exempt from the provisions of Rule 15c3-3 (pursuant to paragraph (k) (2) (ii) of such Rule) under the Securities Exchange Act of 1934 as an introducing broker or dealer that carries no customers' accounts, promptly transmits any customer funds and customer securities to the clearing broker or dealer, and does not otherwise hold funds or securities of customers. Operating under such exemption, the Company is not required to prepare a determination of reserve requirements and the Company is not subject to the provisions of Rule 15c3-3 pertaining to the possession or control requirements for brokers or dealers under Rule 15c3-3.

**NOTE 6 - RELATED-PARTY TRANSACTIONS**

The Company has a payable of \$21,108 to Wescom Credit Union at December 31, 2014.
