**NELKIN CAPITAL MANAGEMENT, INC.**  
NOTES TO FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2014

**Note 1: Nature of Business**

Nelkin Capital Management, Inc. (the "Company") is a New York State corporation formed on January 27, 1987, beginning operations on August 4, 1987, for the purpose of conducting business as a broker/dealer in securities.

The Company operates under the provisions of Paragraph (k) (2) (ii) of the Rule 15c3-3 of the Securities and Exchange Commission and, accordingly, is exempt from the remaining provisions of that rule. Essentially, the requirements of the Paragraph (k) (2) (ii) provide that the Company clears all transactions on behalf of customers on a fully disclosed basis with a clearing broker/dealer, and promptly transmits all customer funds and securities to the clearing broker/dealer. The clearing broker/dealer carries all of the accounts of the customers and maintains and preserves all related books and records as are customarily kept by a clearing broker/dealer.

**Note 2: Summary of Significant Accounting Policies**

*Revenue Recognition*

Securities transactions (and the recognition of related income and expense) are recorded on a trade date basis. Securities owned by the Company are valued at market.

*Income Tax*

The Company has elected to be treated as an "S" corporation under the provisions of the Internal Revenue Code and New York State Tax regulations. The Company does not pay Federal or State Corporate Income Taxes on its taxable income. Instead, the stockholders are liable for individual income taxes on their respective share of the company's taxable income.

*Cash and Cash Equivalents*

For purposes of the statement of cash flows, the Company has defined cash equivalents as short-term, highly liquid debt instruments purchased with a maturity of three months or less, other than securities held for sale in the ordinary course of business.

*Depreciation*

Depreciation is computed by the modified accelerated cost recovery method over the estimated useful lives of the assets, which does not differ materially from generally accepted accounting depreciation methods.

*Use of Estimates*

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, and the reported amounts of revenues and expenses.

**NELKIN CAPITAL MANAGEMENT, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED DECEMBER 31, 2014**

Note 2: (cont)

*Subsequent Events*

The Company has evaluated events and transactions that occurred between January 1, 2015 and January 16, 2015, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements.

Note 3:           **Commitments and Contingencies**

*Office Lease*

At December 31, 2014, the Company has no lease, and is renting its premises on a month-to-month basis. At present, the minimum monthly rental commitment before escalations is \$4,003.

Note 4:           **Financial Instruments with Off-Balance-Sheet Credit Risk**

As a securities broker, the Company is engaged in buying and selling securities for a diverse group individual investors. The Company introduces these transactions for clearance to another broker/dealer on a fully disclosed basis.

The Company's exposure to credit risk associated with non-performance of customers in fulfilling their contractual obligations pursuant to securities transactions can be directly impacted by volatile trading markets. This may impair a customer's ability to satisfy their obligations to the Company and the company's ability to liquidate the collateral at an amount equal to the original contracted amount. The agreement between the Company and its clearing broker provides that the Company is obligated to assume any exposure related to such non-performance by its customers.

The Company seeks to control the aforementioned risks by requiring customers to maintain margin collateral in compliance with various regulatory requirements and the clearing broker's internal guideline. The Company monitors its customer activity by reviewing information it receives from its clearing broker on a daily basis, and requiring customer to deposit additional collateral, or reduce positions when necessary.

Note 5:           **Net Capital Requirement**

The Company is subject to the Securities and Exchange Commission's Uniform Net Capital Rule 15c3-1, which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 1500%. At December 31, 2014, the Company had net capital of \$367,675, which was \$362,675 in excess of its required net capital of \$5,000. The Company's capital ratio was 5.25%.

---

A copy of the Company's Statement of Financial Condition as of December 31, 2014, pursuant to the Securities and Exchange Commission Rule 17a-5, is available for examination at the Company's office and at the regional office of the Securities and Exchange Commission.

**INDEPENDENT AUDITORS' REPORT**

To the Stockholders of  
Nelkin Capital Management, Inc.  
111 Great Neck Road—Suite 304  
Great Neck, NY 11021

We have audited the accompanying statement of financial condition of Nelkin Capital Management, Inc. (the Company) as of December 31, 2014. This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on this financial statement based on our audit.

Management is responsible for the preparation and fair presentation of the statement of financial condition in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the statement of financial condition that is free from material misstatement, whether due to fraud or error.

We conducted our audit in accordance with the standards of Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial position of Nelkin Capital Management, Inc. as of December 31, 2014 in conformity with accounting principles generally accepted in the United States.
