**DECEMBER 31, 2014**

**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

**To the Board of Directors  
Lee Financial Securities, Inc.  
Honolulu, Hawaii**

We have audited the accompanying financial statements of Lee Financial Securities, Inc. (a Hawaii corporation), which comprise the statement of financial condition as of December 31, 2014, and the related statements of income, changes in stockholder's equity, and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements and supplemental information. Lee Financial Securities, Inc.'s management is responsible for these financial statements. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of Lee Financial Securities, Inc. as of December 31, 2014, and the results of its operations, its changes in stockholder's equity, and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The supplemental information on pages 3, 4, 6, and 7 has been subjected to audit procedures performed in conjunction with the audit of Lee Financial Securities, Inc.'s financial statements. The supplemental information is the responsibility of Lee Financial Securities, Inc.'s management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

#### *NATURE OF ORGANIZATION*

Lee Financial Securities, Inc. (the “*Company*”), a Hawaii Corporation, was formed on May 13, 1988, and is a wholly-owned subsidiary of Lee Financial Group Hawaii, Inc. (formerly, Lee Financial Group Inc.), an investment management services organization. The Company is registered as a general securities broker-dealer with the Securities and Exchange Commission.

The Company has a distribution agreement with Lee Financial Mutual Fund, Inc. (formerly, First Pacific Mutual Fund, Inc.) (the “*Fund*”), a non-diversified, open-end, management investment company. Pursuant to Rule 12b-1 of the Investment Company Act of 1940, a distribution plan adopted by the Fund reimburses the Company for certain expenses incurred in distributing the Fund’s shares.

#### *INCOME TAXES*

The Company is included in the consolidated federal and state income tax returns of its parent. Income taxes are provided for on a separate return basis only to the extent that income tax expense (credit) is incurred by the consolidated group. Although income tax expense was incurred by the consolidated group for the year ended December 31, 2014, no provision was allocated, due to the net loss incurred by the Company for the year.

Management has analyzed the Company’s tax positions and has concluded that no liability for unrecognized tax benefits should be recorded related to uncertain tax positions taken on federal, state and local income tax returns for open years (2011 – 2013) or expected to be taken on the Company’s 2014 tax return.

#### *USE OF ESTIMATES*

In preparing financial statements in conformity with accounting principles generally accepted in the United States of America, management makes estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, as well as the reported amounts of income and expenses during the reported period. Actual results could differ from those estimates.

#### *FAIR VALUE OF FINANCIAL INSTRUMENTS*

The carrying amounts of cash, commissions receivable, and accrued expenses approximate fair value because of the short maturity of these items.

#### *SUBSEQUENT EVENTS*

Subsequent events after the balance sheet date through the date that the financial statements were issued have been evaluated in the preparation of the financial statements.

#### *OTHER*

Customers’ securities transactions are reported on a settlement date basis with related commission income and expenses reported on a trade date basis.
