Report of Independent Registered Public Accounting Firm

To Jeffrey R. Gibbs, President
C. R. Davis & Company

We have audited the accompanying financial statements of C. R. Davis & Company (an Illinois corporation), which comprise the statement of financial condition as of December 31, 2014, and the related statement of income, changes in stockholders' equity, and cash flows for the year then ended, that are filed pursuant to Rule 17A-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements and supplemental information. C. R. Davis & Company's management is responsible for these financial statements. Our responsibility is to express an opinion on these financial statements based on our audit. The financial statements of C. R. Davis & Company as of December 31, 2013, were audited by other auditors whose report dated February 24, 2014, expressed an unqualified opinion on those statements.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of C. R. Davis & Company as of December 31, 2014, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The Schedule I - Computation of Net Capital Under Rule 15c3-1 has been subjected to audit procedures performed in conjunction with the audit of C. R. Davis & Company's financial statements. The supplemental information is the responsibility of C. R. Davis & Company's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

NOTES TO FINANCIAL STATEMENTS

December 31, 2014 and 2013

NOTE A - SUMMARY OF ACCOUNTING POLICIES

A summary of the Company's significant accounting policies consistently applied in the preparation of the accompanying financial statements follows.

1. Nature of Operations

The Company's primary business activity is the purchase and sale of investment securities for individuals.

2. Security Transactions

Security transactions are recorded on the trade date.

3. Cash Equivalents

For purposes of the statement of cash flows, the Company considers all highly-liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

4. Accounts Receivable

The Company considers accounts receivable to be fully collectible; accordingly, no allowance for doubtful accounts is required. If amounts become uncollectible, they will be charged to operations when that determination is made.

5. Commissions

Securities commissions and related commissions to agents are recorded on a trade-date basis as securities transactions occur.

6. Trading Securities

The Company's securities are classified as trading securities and are valued at market as of December 31, 2014 and 2013. Accordingly, the financial statements reflect an unrealized gain (loss) of \$(3,492) and \$11,180 for the years ended December 31, 2014 and 2013, respectively, and an accumulated unrealized gain of \$17,957 and \$21,448 at December 31, 2014 and 2013, respectively.

C. R. Davis & Company

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2014 and 2013

NOTE A - SUMMARY OF ACCOUNTING POLICIES - Continued

7. Depreciation

Equipment is stated at cost. Depreciation on the equipment is provided for in amounts sufficient to relate the cost of depreciable assets to operations over estimated service lives, using straight-line methods for financial reporting and accelerated methods for tax reporting purposes. Estimated useful lives of the assets range from five to seven years.

8. Income Taxes

The Company provides for deferred income taxes arising from the differences in financial and tax accounting.

As of December 31, 2014 and 2013, the Company has recognized in the financial statements the effects of all tax positions and continually evaluates expiring statutes of limitations, audits, changes in tax law and new authoritative rulings. The Company is not aware of any circumstances or events that make it reasonable possible that unrecognized tax benefits may increase or decrease within 12 months of the statement of financial condition date. Penalties and interest assessed by taxing authorities are included in the provision for income taxes, if applicable. There were no penalties paid during 2014.

The Company files income tax returns in the U.S. federal jurisdiction and Illinois. The federal and state income tax returns prior to 2010 are closed.

9. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Although these estimates are based on management's knowledge of current events and actions it may undertake in the future, they may ultimately differ from actual results.

10. Subsequent Events

C. R. Davis & Company assessed events that have occurred subsequent to December 31, 2014 through February 23, 2015, the date the financial statements were available to be issued, for potential recognition and disclosure in the financial statements. No events have occurred that would require adjustment to or disclosure in the financial statements.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2014 and 2013

NOTE C - NET CAPITAL REQUIREMENT

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital of not less than \$5,000 at December 31, 2014 and 2013. It also requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2014 and 2013, respectively, the Company had net capital of \$70,736 and \$68,379, which were \$65,736 and \$63,379 in excess of its required net capital of \$5,000 for 2014 and 2013. The Company's aggregate indebtedness to net capital ratio was .72 to 1 and .63 to 1 at December 31, 2014 and 2013, respectively.

NOTE D - FAIR VALUE MEASUREMENTS

The Company follows requirements for *Fair Value Measurements* (as initially required by Statement of Financial Accounting Standards No. 157, and subsequently superseded by Accounting Standards Codification 820). The guidance defines fair value, establishes a framework for measuring fair value and expands disclosures about fair value measurements. ASC 820 defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value should be based on assumptions that market participants would use including a consideration of non-performance risk.

The Company assessed the inputs used to measure fair value using a three-tier hierarchy based on the extent to which inputs used in measuring fair value are observable in the market. Level 1 inputs include quoted prices for identical instruments and are the most observable. Level 2 inputs include quoted prices for similar assets and observable inputs such as interest rates, currency exchange rates, commodity rates, and yield curves. Level 3 inputs are not observable in the market and include management's judgments about the assumptions market participants would use in pricing the asset or liability.

C. R. Davis & Company

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2014 and 2013

NOTE D - FAIR VALUE MEASUREMENTS - Continued

Report of Independent Registered Public Accounting Firm

To Jeffrey R. Gibbs, President
C. R. Davis & Company

We have reviewed management's statements, included in the accompanying Exemption Report, in which (1) C. R. Davis & Company identified the following provisions of 17 C.F.R. § 15c3-3(k) under which C. R. Davis & Company claimed an exemption from 17 C.F.R. § 240.15c3-3: (k)(2)(ii) (the "exemption provisions") and (2) C. R. Davis & Company stated that C. R. Davis & Company met the identified exemption provisions throughout the most recent fiscal year without exception. C. R. Davis & Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about C. R. Davis & Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.

Exemption Report (Notice Pursuant to Rule 15c3-3)

SEC Registration Number: 8-00859
FINRA Registration Number: 1593

The Customer Protection Rule outlines exemptions that may be claimed, all limiting the degree of interaction that a broker-dealer may have with customer assets.

Although the exemptions may allow a broker-dealer to receive customer monies and securities, they all require the broker-dealer to promptly transmit such monies and securities that it may receive to third parties, such as clearing broker-dealers.

C. R. Davis & Company is exempt from Rule 15c3-3 because it meets the conditions set forth in paragraph (k)(2)(ii) of Rule 15c3-3.

C. R. Davis & Company met the identified exemption provisions in Rule 15c-3-(k)(2)(ii) throughout 2014 without exception.

All statements included in this Exemption Report are made to the best of my knowledge and belief, acting on behalf of C. R. Davis & Company.
