To the Board of Directors
Investment Bank Services, Inc.

Report on the Financial Statements

We have audited the accompanying financial statements of Investment Bank Services, Inc. (a Kentucky corporation and wholly-owned subsidiary of Professional Bank Services, Inc.) (“the Company”), which comprise the statements of financial condition as of December 31, 2014 and 2013, and the related statements of operations, changes in stockholder’s equity and cash flows for the years then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements and supplemental information. The Company’s management is responsible for these financial statements. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audits included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company’s internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of Investment Bank Services, Inc. as of December 31, 2014 and 2013, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report of Independent Registered Public Accounting Firm (Continued)

The supplementary information contained in Schedule I has been subjected to audit procedures performed in conjunction with the audit of Investment Bank Services, Inc.'s financial statements. The supplemental information is the responsibility of Investment Bank Services, Inc.'s management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Investment Bank Services, Inc.
Notes to Financial Statements
December 31, 2014 and 2013

Note A - Nature of Organization and Operations

Investment Bank Services, Inc. ("the Company"), a Kentucky S-corporation located in Louisville, Kentucky, is a wholly-owned subsidiary of Professional Bank Services, Inc. ("the Parent Company"). The Company is registered as a securities broker/dealer under the Securities Exchange Act of 1934 and is registered with the Financial Industry Regulatory Authority. The Company is primarily engaged in providing advice regarding the purchase and sale of financial institutions to investors, assisting thrift institutions in converting from a mutual to a stock form of ownership, and assisting financial institutions in raising new capital for multiple purposes. The financial statements include only the activity of the Company.

Note B - Summary of Significant Accounting Policies

1. Basis of Accounting: The financial statements of the Company are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP"). The Accounting Standards Codification ("ASC") as produced by the Financial Accounting Standards Board ("FASB") is the sole source of authoritative GAAP.
2. Accounting Estimates: The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and the accompanying notes. Actual results could differ from those estimates.
3. Subsequent Events: Subsequent events for the Company have been considered through the date of the Report of Independent Registered Public Accounting Firm which represents the date the financial statements were available to be issued.
4. Cash and Cash Equivalents: The Company considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents.
5. Revenue and Cost Recognition: Revenue associated with the sale or conversion of financial institutions is recognized as services are performed and earned per the contract. The contract generally requires an upfront non-refundable retainer, a payment when the definitive agreement is signed and the balance due upon closing. Expenses associated with service activities, such as consultant fees (see Notes C and F), are recognized concurrently with the revenues.

Revenue from consulting is generally recognized when the related service has been performed by the Company.

6. Income Taxes: The Company's parent, with the consent of its stockholders, has elected under the Internal Revenue Code to be taxed as an S corporation. In lieu of corporation income taxes, the stockholders of an S corporation are taxed on their proportionate share of the Company's taxable income. Therefore, no provision or liability or benefit for income taxes has been included in the accompanying financial statements.

The Company recognizes uncertain income tax positions using the "more-likely-than-not" approach as defined in the ASC. No liability for uncertain tax positions has been recorded in the accompanying financial statements. The Company's 2011 – 2014 tax years remain open and subject to examination

Notes to Financial Statements (Continued)
December 31, 2014 and 2013

Note C - Related Party Transactions

The Company and its parent, Professional Bank Services, Inc., engage in various related party transactions in the normal course of business. Many of the customers of the Company are also customers of the Parent Company. The distinction lies in the nature of the services provided by the Company and the Parent Company. The Parent Company generally provides on-going consulting and professional services to these customers, while the Company is involved primarily in negotiating merger and acquisition agreements, providing advice regarding the purchase or sale of financial institutions, and raising new capital.

The Company has no employees of its own, but often contracts with the Parent Company under a consultant arrangement to provide the resources to staff its engagement needs. The consulting fees are judgmentally established by the Parent Company. Consultant fee expense to the Parent Company under this arrangement was \$229,965 and \$41,000 during the years ended December 31, 2014 and 2013, respectively.

The Parent Company provides general administrative and related services to the Company with no allocation of costs.

Note D - Net Capital Requirements

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum "net capital," as defined by the rule. At December 31, 2014 and 2013, the Company has net capital, as defined, of \$31,019 and \$29,142, respectively, which is in excess of the minimum requirement for the Company of \$5,000.

Note E - Concentrations of Risk

One engagement represented 68% of total revenues for the year ended December 31, 2014. Two engagements represented 98% of total revenues for the year ended December 31, 2013.

Additionally, the Company is dependent on the Parent Company for administrative support and staffing for engagements.

Note F - Consulting Agreement

The Company has an agreement with an unrelated party to provide services to the Company in connection with financial institution transactions. The agreement is cancellable with thirty days written notice, and payments are due upon collection of fees by the Company. Consultant fee expenses under this agreement were \$849,276 and \$591,841, during the years ended December 31, 2014 and 2013, respectively.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(1) of Rule 15c3-3 under the Securities Exchange Act of 1934.
