REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Shareholders
of First Commonwealth Securities Corp

We have audited the accompanying financial statements of First Commonwealth Securities Corp (a Louisiana corporation), which comprise the statement of financial condition as of December 31, 2014, and the related statements of income, changes in shareholders' equity, and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements and supplemental information. First Commonwealth Securities Corp's management is responsible for these financial statements. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of First Commonwealth Securities Corp as of December 31, 2014, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The Schedules I and II have been subjected to audit procedures performed in conjunction with the audit of First Commonwealth Securities Corp's financial statements. The supplemental information is the responsibility of First Commonwealth Securities Corp's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

FIRST COMMONWEALTH SECURITIES CORPORATION

NOTES TO FINANCIAL STATEMENTS (Continued)

DECEMBER 31, 2014

NOTE 3- NET CAPITAL

As a broker dealer, the Company is subject to the Securities and Exchange Commission's regulations and operating guidelines, which require the Company to maintain a specified amount of net capital, as defined, and a ratio of aggregate indebtedness to net capital, as derived, not exceeding 15 to 1. The Company's net capital, as computed under 15c3-1, was \$29,036 at December 31, 2014, which exceeded required net capital of \$5,000 by \$24,036. The Ratio of aggregate indebtedness to net capital at December 31, 2013, was 31.87%.

NOTE 4- CONCENTRATION OF CREDIT RISK

The Company is engaged in various trading and brokerage activities with counterparties. In the event counterparties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the credit worthiness of the counterparty or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counterparty with which it conducts business.

NOTE 5- RELATED PARTY TRANSACTIONS

The Company shares occupancy and office expenses with its sole shareholder. The company's share of occupancy and office expenses paid for 2014 was \$6,000. The Company's shareholder also paid for many of the company's expenses out of his personal accounts. These payments were considered capital contributions to the company. The total of the payments made by the officer during the year ended December 31, 2014 was \$6,090.

NOTE 6- GOING CONCERN

The Company's financial statements have been presented on the basis that it is a going concern, which contemplates the realization of assets and the satisfaction of liabilities in the normal course of business.

The Company incurred a net loss of \$3,553 for the year ended December 31, 2014. In each of the three prior years, the Company experienced net losses. These losses have reduced working capital and retained earnings to the extent that the Company may not be able to continue as a going concern. The shareholder has been providing working capital funds and management has reduced expenses as much as possible.

Management also has current plans to bring in revenue in the next year and the shareholder has agreed to contribute enough capital to keep the company going.

The ability of the Company to continue as a going concern is dependent upon the success of these actions and the ability of the shareholder to contribute capital. There can be no assurance that the Company will be successful in accomplishing its objectives. The financial statements do not include any adjustments that might be necessary should the Company be unable to continue as a going concern.

To the Board of Directors and Shareholders
of First Commonwealth Securities Corp

We have reviewed management's statements, included in the accompanying Exemption Attestation, in which (1) First Commonwealth Securities Corp identified the following provisions of 17 C.F.R. §15c3-3(k) under which First Commonwealth Securities Corp claimed an exemption from 17 C.F.R. §240.15c3-3: (2)(i) (the "exemption provisions") and (2) First Commonwealth Securities Corp stated that First Commonwealth Securities Corp met the identified exemption provisions throughout the most recent fiscal year without exception. First Commonwealth Securities Corp's management is responsible for compliance with the exemption provisions and its statements.
