REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Members
of Centenium Advisors, LLC

We have audited the accompanying statement of financial condition of Centenium Advisors, LLC (a limited liability company) as of December 31, 2014, that is filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements. Centenium Advisors, LLC's management is responsible for this financial statement. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. The company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial position, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall statement of financial position presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial condition of Centenium Advisors, LLC as of December 31, 2014 in accordance with accounting principles generally accepted in the United States of America.

Notes to Financial Statement

1. Organization and Business

Centenium Advisors, LLC (the “Company”), a New York limited liability company, is a broker-dealer registered with the Securities and Exchange Commission (the “SEC”) and a member of the Financial Industry Regulatory Authority (“FINRA”).

The Company’s securities business is limited to acting as a third party selling agent or “finder” for private collective investment vehicles (individually a “Fund”, and collectively, the “Funds”). The Company is compensated for such activity on a fully disclosed basis by receiving from a Fund a referral fee consisting of a portion of the fees generated by investors introduced to such Fund by the Company.

2. Summary of Significant Accounting Policies

Basis of Presentation

This statement of financial condition were prepared in conformity with accounting principles generally accepted in the United States of America which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the statement of financial condition and the amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

Revenue

All revenues are recorded as earned.

Cash

All cash deposits are held by one financial institution and therefore are subject to the credit risk at that financial institution. The Company has not experienced any losses in such accounts and does not believe there to be any significant credit risk with respect to these deposits.

Income Taxes

The Company does not record a provision for income taxes because the partners report their share of the Partnership's income or loss on their income tax returns. The financial statements reflect the Partnership's transactions without adjustment, if any, required for income tax purposes.

The Company is liable for New York City Unincorporated Business Tax. The Company is on the cash basis for income tax purposes

The Company is required to determine whether a tax position of the Company is more likely than not to be sustained upon examination by the applicable taxing authority, including resolution of any related appeals or litigation processes, based on the technical merits of the position. The tax benefit to be recognized is measured as the largest amount of benefit that is greater than fifty percent likely of being realized upon ultimate settlement. De-recognition of a tax benefit previously recognized could result in the Company recording a tax liability that would reduce net assets.
