REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Managing Member
Headwaters BD, LLC
Denver, Colorado

We have audited the accompanying financial statement of Headwaters BD, LLC (the "Company"), a Delaware corporation, which is comprised of the statement of financial condition as of December 31, 2014, which is filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statement. The Company's management is responsible for this financial statement. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the financial condition of Headwaters BD, LLC as of December 31, 2014, in conformity with accounting principles generally accepted in the United States of America.

Notes to Financial Statement

Note 1 - Description of Business and Summary of Significant Accounting Policies

Organization

Headwaters BD, LLC (the "Company") was formed in December 2005 as a Delaware limited liability company and began operations January 1, 2006. The Company, headquartered in Denver, Colorado, is licensed as a broker-dealer with the SEC and is a registered member of the Financial Industry Regulatory Authority. The Company offers its clients a variety of investment banking services, including mergers and acquisitions, capital raising, and financial advisory services. The Company is engaged in a single line of business as a securities broker-dealer. The Company is exempt from Rule 15c3-3 under Subsection (K) and does not hold, nor does it plan to hold, any customers' securities or funds. Under this exemption, *Computation for Determination of Reserve Requirements* and *Information Relating to Possession or Control Requirements* are not required.

The Company is a wholly owned subsidiary of Headwaters MB, LLC (the "Parent"). Accordingly, this affiliation should be taken into consideration in reviewing the accompanying financial statements. The operating results could vary from those that would have been obtained had the Company operated with unaffiliated parties.

Cash and Cash Equivalents

The Company reports all highly liquid short-term investments purchased with original maturities of three months or less as cash equivalents. As of the balance sheet date, and periodically throughout the year, the Company has maintained balances in various operating accounts in excess of federally insured limits. At December 31, 2014, the amount in excess of federally insured limits was approximately \$5,231,000.

Concentrations of Credit Risk

The Company grants credit in the normal course of business to customers. The Company assesses the financial condition of its customers to reduce credit risk.

Fair Value of Financial Instruments

The carrying amounts of financial instruments, including cash and cash equivalents, receivables, prepaids, and accrued expenses, approximated fair value as of December 31, 2014 because of the relatively short maturity of these instruments.

Advisory and Other Fees Receivable

Advisory and other fees receivable are non-interest-bearing and are recorded as earned by the Company. An allowance for uncollectible amounts is established to cover future losses based on management's best estimate of uncollectible amounts. Uncollectible receivables are charged against the reserve when identified. As of December 31, 2014, the Company determined that no allowance was necessary.

HEADWATERS BD, LLC

Notes to Financial Statement

Note 1 - Description of Business and Summary of Significant Accounting Policies (continued)

Property and Equipment

Property and equipment are stated at cost. Depreciation and amortization is provided utilizing the straight-line method over the estimated useful life for owned assets, which is estimated to be three years, or the related lease terms for leasehold improvements.

Deferred Rent

The Company has entered into an operating lease agreement for its corporate office, which contains provisions for future rent increases, free rent, and landlord-provided leasehold improvements. The Company records monthly rent expense on a straight-line basis. The difference between rent expense recorded and the amount paid is credited or charged to deferred rent obligation, which is reflected as a separate line item in the accompanying statement of financial condition.

Income Taxes

The Company has elected to be treated as a limited liability company for income tax purposes. Accordingly, all taxable income and losses are reported on the income tax return of the managing member, and no provision for income taxes has been recorded in the accompanying financial statement.

The Company applies guidance of Accounting Standards Codification Topic 740, *Accounting for Uncertainty in Income Taxes*. Under this guidance, if taxing authorities were to disallow any tax positions taken by the Company, the additional income taxes, if any, would be imposed on the managing member rather than the Company. Accordingly, there would be no effect on the Company's financial statement.

The Company's information returns for tax years subject to examination by tax authorities include 2010 and 2011 through the current period for state and federal tax reporting purposes, respectively.

Use of Estimates

The preparation of the financial statement in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statement. Actual results could differ from those estimates.

Subsequent Events

The Company has evaluated all subsequent events through the auditors' report date, which is the date the financial statement was available to be issued. There were no material subsequent events that required recognition or disclosure in the financial statement.

HEADWATERS BD, LLC

Notes to Financial Statement

Note 2 - Net Capital Requirement

The Company is subject to the SEC Uniform Net Capital Rule ("SEC Rule 15c3-1"), which requires the maintenance of minimum net capital of the greater of \$5,000 or 6 2/3% of aggregate indebtedness. The Company's net capital at December 31, 2014 was \$2,572,873, which exceeded the minimum net capital requirement. Net capital may fluctuate on a daily basis. Additionally, SEC Rule 15c3-1 requires that the aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 and that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. The Company's net capital ratio was 1.39 to 1 as of December 31, 2014.

Note 3 - Property and Equipment

Property and equipment consist of the following at December 31, 2014:

Furniture and fixtures	\$ 55,424
Computer equipment	127,237
Software	4,303
Leasehold improvements	<u>226,019</u>
	412,983
Less accumulated depreciation and amortization	<u>(218,892)</u>
	<u>\$ 194,091</u>

Note 4 - Member's Equity

Effective April 5, 2013, the Parent adopted an Amended and Restated Operating Agreement (the "Agreement"). The Agreement converted Class A Preferred shares under the prior operating agreement into Class B Common shares. The Agreement converted Class B Preferred shares under the prior operating agreement into Class C Common shares.

The second amended and restated operating agreement included a 2010 Equity Incentive Plan (the "2010 Plan"). The 2010 Plan allowed for the Parent to grant profit interests to employees and affiliates for performing services to or for the benefit of the Company.

The original operating agreement included a 2001 Equity Incentive Plan (the "2001 Plan"), which offered Class B share options. Under the Agreement, the outstanding options from the 2001 Plan allowed holders of the Class B share options to exercise the options for an equal number of Class C Common shares under the Agreement. The converted shares contain the same rights and privileges of the options prior to conversion.

HEADWATERS BD, LLC

Notes to Financial Statement

Note 4 - Member's Equity (continued)

Profit Interests

Periodically, the Parent may issue Class A Common shares profit interests to the Company's employees and affiliates. As of December 31, 2014, there were 365,000 Class A Common shares profit interests outstanding.

The profit interests were 100% vested upon issuance and allow the holder to participate in the profits and losses and distributions of the Parent from the date of grant in proportion to their percentage interest. The holder does not receive an initial capital account. The Company determined that the profit interests should be reported as equity instruments; however, a value could not be reasonably estimated at the grant date. Therefore, distributions to the profit interests will be recognized in equity during the year of distribution.

Share Options

As of December 31, 2014, there were 736,041 share options outstanding.

Note 5 - Commitments and Contingencies

Operating Leases

The Company leases office space and facilities under non-cancelable operating leases expiring through December 31, 2018.

Future minimum lease payments under the leases are approximately as follows:

Year Ending December 31,

2015	\$	274,331
2016		225,836
2017		192,174
2018		<u>195,026</u>
	\$	<u>887,367</u>

EXEMPTION REPORT**

Managing Member
Headwaters BD, LLC
Denver, Colorado

We have reviewed management's statements, included in the accompanying Headwaters BD Exemption Report, in which (1) Headwaters BD, LLC (the "Company") identified the following provisions of 17 C.F.R. §15c3-3(k) under which the Company claimed an exemption from 17 C.F.R. §240.15c3-3: paragraph (k)(2)(i) (the "exemption provisions") and (2) the Company stated that it met the identified exemption provisions throughout the most recent fiscal year without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
