REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors
of Don Alexander Investments, Inc.

We have audited the accompanying financial statements of Don Alexander Investments, Inc. (a Delaware corporation), which comprise the statement of financial condition as of December 31, 2014, and the related statements of income, changes in stockholders' equity, and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements and supplemental information. Don Alexander Investments, Inc.'s management is responsible for these financial statements. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of Don Alexander Investments, Inc. as of December 31, 2014, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The supplemental information has been subjected to audit procedures performed in conjunction with the audit of Don Alexander Investments, Inc.'s financial statements. The supplemental information is the responsibility of Don Alexander Investments, Inc.'s management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

DON ALEXANDER INVESTMENTS, INC.
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2014

(1) **Nature of Business and Significant Accounting Policies**

The Company was incorporated in Delaware on August 7, 1984. The Company is registered with the Securities and Exchange Commission and is a member of the Financial Industry Regulatory Authority, Inc. (FINRA). The Company's principal business activity is the sale of securities. Operations began approximately January 28, 1985.

The Company operates under the provisions of Paragraph (k)(2)(ii) of Rule 15c3-3 of the Securities Exchange Act of 1934 and, accordingly, is exempt from the remaining provisions of that rule. Essentially, the requirements of Paragraph (k)(2)(ii) provide that The Company clear all transactions on behalf of customers on a fully disclosed basis with a clearing broker-dealer, and promptly transmit all customer funds and securities to the clearing broker-dealer. The clearing broker-dealer carries all of the accounts of the customers to the clearing broker-dealer. The clearing broker-dealer carries all of the accounts of the customers and maintains and preserves all related books and records as are customarily kept by a clearing broker-dealer.

Significant accounting policies are as follows:

The preparation of financial statements in conformity with generally accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, as well as the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

Security transactions are recorded on a trade date basis and are recorded at fair value.

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In determining fair value, the Company may use various valuation approaches, including market, income and/or cost approaches. The fair value hierarchy requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. Fair value is a market-based measure considered from the perspective of a market participant. As such, even when market assumptions are not readily available, the Company's own assumptions reflect those that market participants would use in pricing the asset or liability at the measurement date. The fair value measurement accounting guidance describes the following three levels used to classify fair value measurements:

Level 1 – Quoted prices in active markets for identical assets or liabilities.

Level 2 – Quoted prices in markets that are not active or for which all significant inputs are observable, either directly or indirectly.

Level 3 – Unobservable inputs that are significant to the fair value of the assets or liabilities.

The availability of observable inputs can vary and in certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, the level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. The Company's assessment of the significance of a particular input to a

FOR THE YEAR ENDED DECEMBER 31, 2014

(1) **Nature of Business and Significant Accounting Policies** (cont'd)

fair value measurement requires judgment and consideration of factors specific to the asset or liability.

The Company classifies its investments as follows:

Level 1 – Exchange Traded Equities	\$ 42,025
Level 2 – Exchange Traded LP/MLP's	36,058
Total	<u>\$ 78,083</u>

Property and equipment items are stated at cost and are depreciated over their estimated useful lives using the accelerated and straight line depreciation methods.

Maintenance and repairs are charged to income as incurred. Expenditures which materially extend the original useful lives of assets are capitalized.

The Company's policy is to include cash on hand and amounts due from banks in reporting cash flows.

(2) **Net Capital Requirement**

The Company is a broker/dealer subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1). The Company is required to maintain "adjusted net capital" equivalent to \$5,000 or 6 2/3% of "aggregate indebtedness" [\$5,084], whichever is greater, as these terms are defined.

Adjusted net capital and aggregate indebtedness change from day to day, but at December 31, 2014, the Company had adjusted net capital and net capital requirements of \$94,963 and \$5,084 respectively. The net capital rule may effectively restrict the payment of cash dividends.

(3) **Lease Commitments and Contingencies**

Rent expense for the year ended was \$16,992.

The Company has entered into a lease for its office premises. The future minimum annual rental payments required under operating leases that have an initial or remaining noncancellable lease term, as of December 31, 2014, are as follows:

	<u>Minimum Rent</u>
2015	17,049
2016	17,459
2017	11,856
Thereafter	<u>-0-</u>
Total	<u>\$ 46,364</u>

DON ALEXANDER INVESTMENTS, INC.
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2014

(3) **Lease Commitments and Contingencies** (cont'd)

The Company may be obligated for additional amounts based upon increases in operating costs and real estate taxes over the term of this lease.

(4) **S Corporation**

Effective April 1, 1985, the Company elected S Corporation status for federal income tax purposes. Income taxes are therefore the responsibility of the individual shareholders of the Company.

(5) **401(k)/Profit Sharing Plan**

The Company has a 401(k)/profit sharing plan covering all full-time employees who have one year of service and are age 21 or older. Contributions to the profit sharing plan are determined each year by the Board of Directors.

Employer contributions to the profit sharing plan were \$33,826 for the year ended December 31, 2014. The accrued contribution payable at December 31, 2014 included with accounts payable and accrued expense was \$33,826.

(6) **Accounting For Uncertainty in Income Taxes**

The company recognizes and measures its unrecognized tax benefits in accordance with FASB ASC 740, *Income Taxes*. Under that guidance the Company assesses the likelihood, based on their technical merit, that tax positions will be sustained upon examination based on the facts, circumstances and information available at the end of each period. The measurement of unrecognized tax benefits is adjusted when new information is available, or when an event occurs that requires a change.

The Company believes that it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements. The earliest year that the Company is subject to examination by tax authorities is the year ended December 31, 2011.

(7) **Off-Balance-Sheet Risk**

The Company does not clear its own securities transactions and it has established an account with a clearing broker for this purpose. This can and often does result in a concentration of credit risk with the clearing firm. Such risk, however, is mitigated by the clearing broker's obligation to comply with rules and regulations of the SEC.

The Company's customers' securities transactions are introduced on a fully disclosed basis with its clearing broker-dealer. The clearing broker-dealer carries all of the accounts of the customers of the Company and are responsible for execution, collection and payment of funds and receipt and delivery of securities relative to customer transactions. Off-balance-sheet risk exists with respect to these transactions due to the possibility that customers may be unable to fulfill their contractual commitments wherein the clearing broker-dealer may charge any

(7) **Off-Balance-Sheet Risk** (cont'd)

losses it incurs to the Company. The Company seeks to minimize this risk through procedures designed to monitor the creditworthiness of its customers and that customer transactions are executed properly by the clearing broker-dealer.

The Company has agreed to indemnify its clearing broker for losses that the clearing broker may sustain from the customer accounts introduced by the Company. The maximum potential amount of future payments that the Company could be required to make under this indemnification cannot be estimated. However, the Company believes that it is unlikely it will have to make any significant payments under the agreement and has not recorded a contingent liability in the financial statements for the indemnification.

(8) **Subsequent Events**

In accordance with the provisions set forth in FASB ASC Topic 855, *Subsequent Events*, management has evaluated subsequent events through February 25, 2015, the date the financial statements were available for issuance. Management has determined that there are no material events that would require adjustment to or disclosure in the Company's financial statements.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors
of Don Alexander Investments, Inc.

We have reviewed management's statements, included in the accompanying exemption report of Don Alexander Investments, Inc. (the "Company"), in which (1) the Company identified the following provisions of 17 C.F.R. § 15c3-3(k) under which the Company claimed an exemption from 17 C.F.R. § 240.15c3-3: (2)(ii) (the "exemption provisions") and (2) the Company stated that the Company met the identified exemption provisions throughout the most recent fiscal year without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the conditions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.

Exemption Report

Don Alexander Investments, Inc. (the "Company") is a registered broker-dealer subject to Rule 17a-5 promulgated by the Securities and Exchange Commission (17 C.F.R. §240.17a-5, "Reports to be made by certain brokers and dealers"). This Exemption Report was prepared as required by 17 C.F.R. § 240.17a-5(d)(1) and (4). To the best of its knowledge and belief, the Company states the following:

(1) The Company claimed an exemption from 17 C.F.R. § 240.15c3-3 under the following provisions of 17 C.F.R. § 240.15c3-3 (k) (2) ii]

(2) The Company met the identified exemption provisions in 17 C.F.R. § 240.15c3-3 (k) (2) ii throughout the most recent fiscal year without exception.

Don Alexander Investments, Inc.

I, Donald Z. Alexander, swear (or affirm) that, to my best knowledge and belief, this Exemption Report is true and correct.
