REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Board of Members
The Spartan Group LLC
Pasadena, California

I have audited the accompanying statement of financial condition of The Spartan Group LLC as of December 31, 2014 and the related statements of income, changes in members' equity, and cash flows for the year then ended. These financial statements are the responsibility of The Spartan Group LLC's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit included examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Spartan Group LLC as of December 31, 2014 and the results of its operations and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The supplemental information for the year ended December 31, 2014 (Schedule I, Statement of Net Capital Under Rule 15c3-1, Schedule II, Determination of Determination of Reserve Requirements Under Rule 15c3-3 (exemption), and Schedule III, Information for Possession or Control Requirements Under Rule 15c3-3 (exemption)) has been subjected to audit procedures performed in conjunction with the audit of The Spartan Group LLC's financial statements. The supplemental information is the responsibility of The Spartan Group LLC's management. My audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming my opinion on supplemental information, I evaluated whether the supplemental information, including the form and content is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934. In my opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

This opinion is intended solely for the information and use of the board of members, the Securities and Exchange Commission, and other regulatory agencies which rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

**REPORT OF INDEPENDENT REGISTERED PUBLIC
ACCOUNTING FIRM**

Board of Members
The Spartan Group LLC
Pasadena, California

I have reviewed management's statements, included in the accompanying Exemption Report in which (1) The Spartan Group LLC, identified the following provisions of 17 C.F.R. §15c3-3(k) under which The Spartan Group LLC claimed an exemption from 17 C.F.R. §240.15c3-3: (k) (2) (i) (the "exemption provision") and (2) The Spartan Group LLC, stated that The Spartan Group LLC, met the identified exemption provision throughout the most recent fiscal year without exception. The Spartan Group LLC's management is responsible for compliance with the exemption provision and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and accordingly, included inquiries and other required procedures to obtain evidence about The Spartan Group LLC's compliance with the exemption provision. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.

Board of Members
The Spartan Group LLC
Pasadena, California

In accordance with Rule 17a-5 (e)(4) under the Securities Exchange Act of 1934, I have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments [General Assessment Reconciliation (Form SIPC-7)] to the Securities Investor Protection Corporation (SIPC) for the Year Ended December 31, 2014, which were agreed to by The Spartan Group LLC and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC, solely to assist you and the other specified parties in evaluating The Spartan Group LLC's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). The Spartan Group LLC's management is responsible for The Spartan Group LLC's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, I make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures I performed and my findings are as follows:

1. Compared the listed assessment payment in Form SIPC-7 with respective cash disbursement records entries from the cash disbursements journal and related bank statements and reconciliations, noting no differences;
2. Compared the amounts reported on the audited Form X-17a-5 for the year ended December 31, 2014, as applicable, with the amounts reported in Form SIPC-7 for the year ended December 31, 2014, noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers, such as clearing firms records supporting securities revenues, noting no differences;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers, such as revenues from third party support and bank records supporting the adjustments, noting no differences.

I was not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, I do not express such an opinion. Had I performed additional procedures, other matters might have come to my attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.

Note 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General

The Spartan Group LLC (the "Company") is a Limited Liability Company operating as a registered broker/dealer in securities under the Securities and Exchange Act of 1934. The Company is a member of the Financial Industry Regulatory Authority ("FINRA") and the Securities Investor Protection Corporation ("SIPC").

The Company raises capital for corporate clients as a placement agent on a best-efforts basis and provides consulting advice for mergers and acquisitions. For the year ended December 31, 2014, the Company earned revenue from fewer than 10 clients, with the top three customers comprising about 95% of sales.

Under its membership agreement with FINRA and pursuant to Rule 15c3-3(k)(2)(i), the Company conducts business on a fully disclosed basis and does not execute or clear securities transactions for customers. Accordingly, the Company is exempt from the requirement of Rule 15c3-3 under the Securities Exchange Act of 1934 pertaining to the possession or control of customer assets and reserve requirements.

Summary of Significant Accounting Policies

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Accounts receivable are stated at face amount with no allowance for doubtful accounts. An allowance for doubtful accounts is not considered necessary because probable uncollectible accounts are immaterial.

The Company receives fees in accordance with terms stipulated in its engagement contracts. Fees are recognized as earned. The Company also receives success fees when transactions are completed. Success fees are recognized when earned, the Company has no further continuing obligations, and collection is reasonably assured.

Note 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(Continued)

The Company, with the consent of its Members, has elected to be a California Limited Liability Company. For tax purposes the Company is treated like a partnership, therefore in lieu of business income taxes, the Members are taxed on the Company's taxable income. Accordingly, no provision or liability for Federal Income Taxes is included in these financial statements.

The Company has evaluated events subsequent to the balance sheet date for items requiring recording or disclosure in the financial statements. The evaluation was performed through the date the financial statements were available to be issued. Based upon this review, the Company has determined that there were no events which took place that would have a material impact on its financial statements. Management has reviewed subsequent events through January 20, 2015.

FASB ASC 820 defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy which prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or liability occurs on a principal market, or in the absence of a principal market, on the most advantageous market for the asset or liability. Valuation techniques that are consistent with the market, income or cost approach, as specified by FASB ASC 820 are used to measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities the Company has the ability to access.
- Level 2 inputs are inputs (other than quoted prices included within Level 1) that are observable for the asset or liability, either directly or indirectly.
- Level 3 inputs are unobservable inputs for the asset or liability and rely on management's own assumptions that market participants would use in pricing the asset or liability. (The unobservable inputs should be developed based on the best information available under the circumstances and may include the Company's own data.)

Note 2: INCOME TAXES

As discussed in the Summary of Significant Accounting Policies (Note 1), the Company operates as a limited liability company treated as a partnership for tax purposes. As such, the Company is subject to a limited liability company gross receipts tax, with a minimum franchise tax. As of December 31, 2014, the income tax provision consists of the following:

Franchise tax	\$ 2,400
Gross receipts tax	<u>900</u>
Total income tax provision	<u>\$ 3,300</u>

The Company is required to file income tax returns in both federal and state tax jurisdictions. The Company's tax returns are subject to examination by taxing authorities in the jurisdictions in which it operates in accordance with the normal statutes of limitations in the applicable jurisdiction. For federal purposes, the statute of limitations is three years. Accordingly, the company is no longer subject to examination of federal returns filed more than three years prior to the date of these financial statements. The statute of limitations for state purposes is generally three years, but may exceed this limitation depending upon the jurisdiction involved. Returns that were filed within the applicable statute remain subject to examination. As of December 31, 2014, the IRS has not proposed any adjustment to the Company's tax position.

Note 3: OCCUPANCY

The Company currently has a month-to-month lease for its office space and parking. During the year ended December 31, 2014, the Company incurred \$40,420 in occupancy expense.

Note 4: NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. Net capital and aggregate indebtedness change day to day, but on December 31, 2014, the Company had net capital of \$29,914 which was \$24,914 in excess of its required net capital of \$5,000; and the Company's ratio of aggregate indebtedness (\$702) to net capital was 0.02 to 1, which is less than the 15 to 1 maximum allowed.
