Report of Independent Registered Public Accounting Firm

The Board of Directors
Spectrum Asset Management, Inc.

We have audited the accompanying statements of financial condition of Spectrum Asset Management, Inc. as of December 31, 2014 and 2013, and the related statements of income, changes in stockholder's equity and cash flows for the years then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Spectrum Asset Management, Inc. at December 31, 2014 and 2013, and the results of its operations and its cash flows for the years then ended in conformity with U.S. generally accepted accounting principles.

The accompanying information contained in Schedules IIA has been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. Such information is the responsibility of the Company's management. Our audit procedures included determining whether the information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information. In forming our opinion on the information, we evaluated whether such information, including its form and content, is presented in conformity with Rule 17a-5 under the Securities Exchange Act of 1934. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Report of Independent Registered Public Accounting Firm

We have reviewed management's statements, included in the accompanying Spectrum Asset Management Inc.'s Exemption Report, in which (1) Spectrum Asset Management Inc. identified (the Company) the following provisions of 17 C.F.R. § 15c3-3(k) under which the Company claimed an exemption from 17 C.F.R. § 240.15c3-3: (2)(ii) and (2) the Company stated that the Company met the identified exemption provisions during the period from June 1, 2014 through December 31, 2014 without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the conditions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, FINRA, and other regulatory agencies that rely on Rule 17a-5 under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and other recipients specified by Rule 17a-5(d)(6) and is not intended to be and should not be used by anyone other than these specified parties.

Spectrum Asset Management, Inc.

Notes to Financial Statements

December 31, 2014

1. Organization

Organization and Nature of Business

Spectrum Asset Management, Inc. (the Company) is a registered investment advisor, broker-dealer, and commodity-introducing broker. The Company is a member of the Financial Industry Regulatory Authority (FINRA), providing investment management and security investment brokerage for institutional clients. The Company is also a manager of domestic investment portfolios for corporate, government, and mutual fund clients. The Company primarily specializes in the management of fixed-rate preferred stocks and cash. To minimize principal fluctuations, the Company uses its proprietary hedging strategy to establish a cross-hedge with U.S. Treasury futures. The derivative instruments are entered into by the Company's clients and are not reported in the financial statements of the Company. The Company clears its securities transactions on a fully disclosed basis through JP Morgan Clearing Corp.

The Company is a wholly owned subsidiary of Principal Global Investors, LLC (Principal Global). Principal Global is a wholly owned subsidiary of Principal Life Insurance Company (Principal Life). Principal Life is a wholly owned subsidiary of Principal Financial Services, Inc. (PFSI). PFSI is a wholly owned subsidiary of Principal Financial Group (PFG).

2. Summary of Significant Accounting Policies

Cash and Cash Equivalents

The Company considers all highly liquid investments with maturities of three months or less when purchased to be cash equivalents. The Company holds cash on deposit with JP Morgan Clearing Corp. (JPMCC) in order to continue to do business with JPMCC. The amounts held on deposit with JPMCC were \$303,282 and \$303,282 as of December 31, 2014 and 2013, respectively.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of income and expenses during the reporting period. It is possible that actual experience could differ from the estimates and assumptions utilized.

Spectrum Asset Management, Inc.

Notes to Financial Statements (continued)

2. Summary of Significant Accounting Policies (continued)

Fixed Assets

Fixed assets are comprised of furniture and equipment and leasehold improvements. Furniture and equipment are recorded at cost and are depreciated using the straight-line method over their estimated useful lives, which range from three to ten years. Additions and major renewals are capitalized. Maintenance, repairs, and minor renewals are expensed as incurred. Leasehold improvements are amortized over the shorter of their estimated useful lives or the term of the lease.

Revenue Recognition

The majority of the Company's revenues are derived from fees for investment management services provided to institutional and other clients. During 2014, 52% of the Company's revenues were derived from four unaffiliated customers. During 2013, 46% of the Company's revenues were derived from four unaffiliated customers. Investment management fees are generally a function of the overall fee rate charged to each account and the level of assets under management by the Company. Assets under management can be affected by the addition of new client accounts or client contributions to existing accounts, withdrawals of assets from or terminations of client accounts, and investment performance, which may depend on general market conditions. Investment management fees and brokerage commissions are accrued over the period in which services are performed.

Subsequent Events

The Company has evaluated subsequent events through the date that the financial statements were issued.

Income Taxes

The Company is taxed as a division of Principal Life at corporate rates based on existing tax laws. Current income taxes are charged or credited to operations based upon amounts estimated to be payable or recoverable as a result of taxable operations for the current year. Deferred income taxes are provided for the tax effect of temporary differences in the financial reporting and income tax basis of assets and liabilities and net operating losses using enacted income tax rates and laws. The effect on deferred income tax assets and deferred income tax liabilities of a change in tax rates is recognized in operations in the period in which the change is enacted.

Spectrum Asset Management, Inc.

Notes to Financial Statements (continued)

3. Fixed Assets

| | December 31 | |
|--|--------------------|-------------------|
| | 2014 | 2013 |
| Fixed assets consisted of the following: | | |
| Furniture and equipment and leasehold improvements | \$ 1,292,724 | \$ 1,136,855 |
| Less accumulated depreciation and amortization | <u>(1,063,520)</u> | <u>(911,345)</u> |
| | <u>\$ 229,204</u> | <u>\$ 225,510</u> |

4. Leases

As of December 31, 2014, future minimum rentals under capital and operating leases for office space and certain equipment that have initial or non-cancelable lease terms in excess of one year are as follows:

| | |
|------------|---------------------|
| 2015 | 310,132 |
| 2016 | 292,299 |
| 2017 | 259,830 |
| 2018 | 262,530 |
| Thereafter | 200,700 |
| | <u>\$ 1,325,491</u> |

Rent expense for 2014 and 2013 totaled \$269,640 and \$283,420, respectively.

5. Income Taxes

The Company's taxable income or loss is generally included in the consolidated income tax return filed by Principal Financial Group, Inc ("PFG"), the Company's ultimate parent.

PFG has adopted the policy of allocating income tax expense and benefits to members of its consolidated group based upon their pro rata contribution of taxable income or loss. The Company paid taxes of \$5,421,022 and \$6,278,100 during 2014 and 2013, respectively.

Spectrum Asset Management, Inc.

Notes to Financial Statements (continued)

5. Income Taxes (continued)

Our income tax expense (benefit) was as follows:

| | For the year ended December 31, | |
|--|--|---------------------|
| | <u>2014</u> | <u>2013</u> |
| Current income taxes (benefits): | | |
| U.S. federal | \$ 7,034,766 | \$ 5,844,639 |
| State | <u>382,486</u> | <u>312,080</u> |
| Total current income taxes (benefits) | 7,417,252 | 6,156,719 |
| Deferred income taxes (benefits) | | |
| U.S. federal | \$ (1,136,907) | \$ (32,099) |
| State | <u>(66,292)</u> | <u>(1,872)</u> |
| Total deferred income taxes (benefits) | <u>(1,203,199)</u> | <u>(33,971)</u> |
| Total income taxes | <u>\$ 6,214,053</u> | <u>\$ 6,122,748</u> |

The effective tax rate for 2014 and 2013 is higher than the U.S. statutory rate of 35% primarily due to state income taxes partially offset by amortization of goodwill recorded for income tax purposes.

The amount of unrecognized tax benefits calculated for the Company as of December 31, 2014 and 2013 is not material to the Company's financial position. Therefore, the total amount of unrecognized tax benefits, that if recognized, would affect the effective income tax rate is immaterial. The Company recognizes interest expense and penalties related to income taxes in operating expenses. The Company recognized no accumulated pre-tax interest and penalties related to unrecognized tax benefits in 2014 and 2013.

We do not believe there is a reasonable possibility that the total amount of unrecognized tax benefits will significantly increase or decrease in the next twelve months.

Spectrum Asset Management, Inc.

Notes to Financial Statements (continued)

5. Income Taxes (continued)

Deferred income taxes reflect the net tax effects of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for income tax purposes. Significant components of our net deferred income taxes were as follows:

| | December 31, | |
|--|---------------------|-------------|
| | 2014 | 2013 |
| Deferred income tax assets: | | |
| Deferred compensation | \$ 1,144,742 | \$ — |
| Employee benefits | 122,575 | 118,358 |
| Other deferred income tax assets | 176,338 | 122,098 |
| Total deferred income tax assets | 1,443,655 | 240,456 |
| Deferred income tax liabilities: | | |
| Other deferred income tax liabilities | — | — |
| Total deferred income tax (liabilities) | — | — |
| Total net deferred income tax assets (liabilities) | \$ 1,443,655 | \$ 240,456 |

In management's judgment, total deferred income tax assets are more likely than not to be realized.

The Internal Revenue Service ("IRS") completed its examinations of tax years 2004 through 2008. PFG filed claims for refund for tax years 2004 and 2005 during 2012 and will file claims for refund relating to disputed adjustments for tax years 2006 through 2008 in 2015.

Spectrum Asset Management, Inc.

Notes to Financial Statements (continued)

5. Income Taxes (continued)

The IRS commenced audit of PFG's federal income tax return for 2009 during the fourth quarter of 2011, for 2010 during the first quarter of 2012 and for 2011 during the first quarter of 2013. PFG and the Company do not expect the results of these audits or developments in other tax areas for all open tax years to significantly change the possible increase in the amount of unrecognized tax benefits, but the outcome of tax reviews is uncertain and unforeseen results can occur.

6. Related-Party Transactions

The Company provides investment and advisory services to funds managed by affiliates with fees totaling \$14,168,499 and \$15,763,659 in 2014 and 2013, respectively.

The Company reimburses Principal Global for employees' services and certain other operating costs, which are provided or initially paid by Principal Global and totaled \$20,541,098 and \$20,027,171 in 2014 and 2013, respectively.

7. Regulatory Requirements

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined therein, shall not exceed 15 to 1. At December 31, 2014, the Company had defined net capital of \$3,724,651, which was \$3,438,008 in excess of its required minimum net capital of \$286,643. At December 31, 2014, the Company's ratio of aggregate indebtedness to net capital was 1.15 to 1. Various other regulatory agencies may impose additional capital requirements.

The Company is exempt from maintaining a special reserve bank account under Rule 15c3-3(k)(2)(ii).
